

The Department of Computer Science and Engineering, University Institute of Engineering and Technology, under the aegis of IQAC and IIC cell of Sant Baba Bhag Singh University, Jalandhar, celebrated “National Technology Day”, on 15<sup>th</sup> May, 2023.

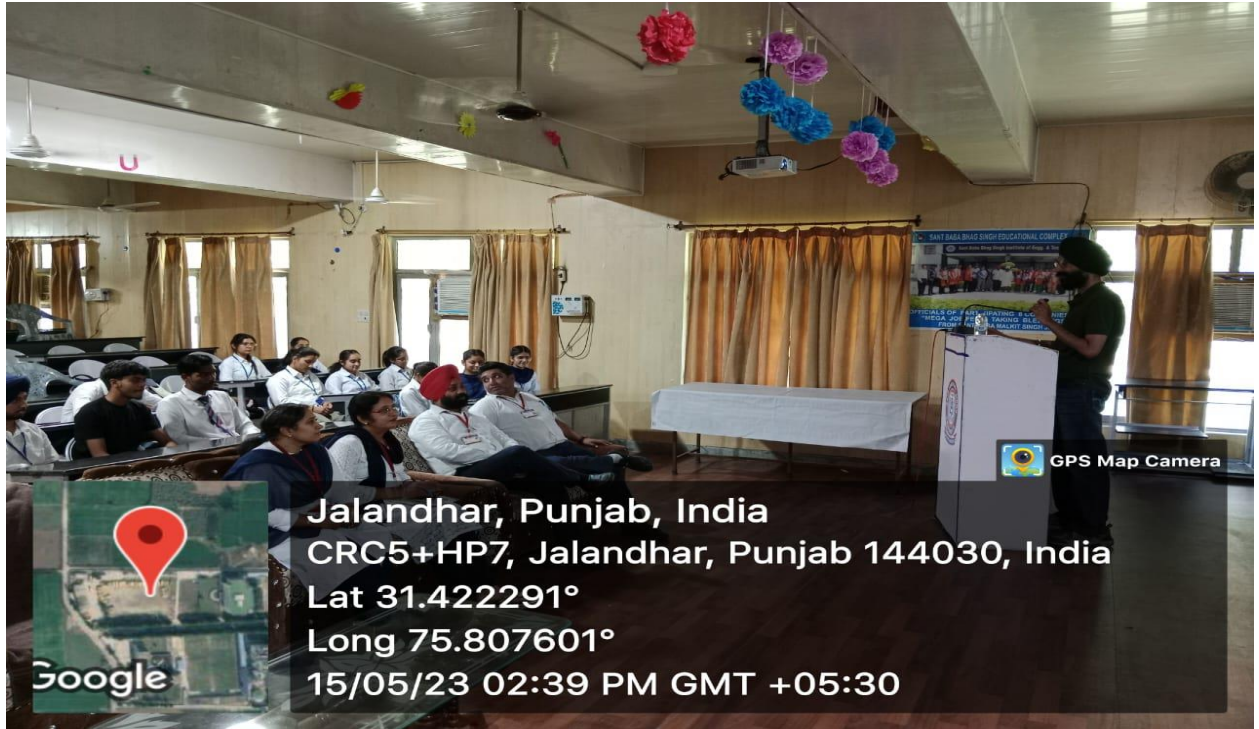

The day, May 11, has been declared National Technology Day by the Indian Government in order to commemorate the history of India's technological capability and expertise. The day holds importance of its own, as on this particular day, India achieved a huge technological progression. The Motive of the celebration was to introduce students about the new technology.

The resource person of the event was Dr. Amardeep Singh, Professor and Head of CSE department, Punjabi University, Patiala. The resource person enriched the students with the latest updates about the rapidly developing technologies. He talked about applications and need of Artificial Intelligence and Machine Learning. He also gave awareness of the fundamental issues and challenges of Cybersecurity and Cyber Crimes.

Around 60 participants comprising of 50 students and 10 faculty members of CSE department attended the lecture.

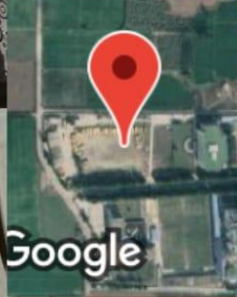

The key takeaway of the day was to instill in the students the mindset of more innovative ideas for problem solving rather than the traditional ones. Guiding students towards research-based learning, with an aim of boosting upon the need of Artificial Intelligence and Cybersecurity in the current era.
