

2 Days Art Workshop by Favicyrl

On 3rd to 4th November 2023

Department of Fashion Designing has organized a 2 Days workshop from 03-11-2023- 04-11-2023. In this workshop students learnt about Art and Craft and Textile Printing. Madam Ritu Lal was the resource person. She is FCP in Pidilite Industries. The workshop was conducted on various techniques of art which is very important for students as it help them to represent their work in an impressive manner. The topics covered by madam were hand made jewellery, hair bands and clips, gift items, canvas, art with clay work. The students of B.Sc and M.Sc Fashion Designing actively participated in the workshop and learnt many new things. They were also acknowledged to create best of out waste. Madam Ritu guided the students to use the art material in an economical manner by avoiding wastage and taking cautions. She demonstrated each and every technique practically in front of students and gave shared many tips and tricks. Students get motivated by this skill development workshop, which will encourage them to do better in their future. Apart from learning, students also tried such techniques by their own and made their samples as well.

Some highlights of the activities: Day 1
