

The Department of Computer Science and Engineering, University Institute of Engineering and Technology, under the aegis of IQAC and IIC cell of Sant Baba Bhag Singh University, Jalandhar, celebrated “IEEE- Global Engineering Day”, on 13<sup>th</sup> May, 2023.

IEEE’s core purpose is to foster technological innovation and excellence for the benefit of humanity. Engineers’ world-wide celebrate innovation and collaboration “for a better tomorrow”.

The resource person of the event was Dr. Amardeep Singh, Professor and Head of CSE department, Punjabi University, Patiala. The resource person enriched the students with the advancements in Engineering. He also explained how Digital Transformation has affected our lives. He talked about Research and applications of Engineering, the need to remain updated with the current tools and use them for the benefit of the society.

The lecture was attended by 80 participants comprising of 70 students and 10 faculty members of CSE department.

The key takeaway of the day was to instill in the students the mindset of more innovative ideas using modern tools for problem solving. Guiding students towards research-based learning, with an aim of boosting upon the need of continuous innovation and skill enhancement in the current era.
