## Our Pioneer

### HON'BLE SANT BABA MALKIT SINGH JI

**Founder Chancellor : Sant Baba Bhag Singh University**

**Founder President : Sant Baba Bhag Singh Memorial Charitable Society**

**Founder Chairman : Sant Baba Bhag Singh Educational Complex**

The saint and seer who encouraged the society to find the remedies of ills plaguing us, was born with a firm conviction that there is no religion larger than humanity. He worked selflessly for the upliftment of the poor and made sure that there is no discrimination over caste and religion. The missionary zeal of Sant Baba Malkit Singh Ji resulted in the transformation of a great seat of learning where high quality scientific, technical and moral education is imparted. He took upon himself the task of fulfilling the vision of his mentors by encouraging the youth of this backward, rural and flood ravaged area towards the path of progress through authentic and affordable education. The life and deeds of Sant Baba Malkit Singh Ji were marked with selflessness and impartiality, dedicating his life to the service of mankind and by living through honest means.

His total commitment to the service or *sewa* brought his life to a full circle. He realized that a strong moral character, physical well-being, strength, emotional and aesthetic abundance are essentials of a meaningful education. He sturdily advocated that an individual development is of no meaning unless used for the betterment of the society. A natural consequence of a true education, according to Sant Baba Malkit Singh Ji, is service of the society through honest means where resources are shared, inequalities are bridged and discrimination is abolished. Convinced that a combination of knowledge, action and devotion can bring about physical and spiritual transformation of individuals as well as the society, he founded Sant Baba Bhag Singh University in 2015 as a great seat of learning.

---

He worked selflessly for the upliftment of the poor and made sure that there is no discrimination over caste and religion.

## *Sant Baba Dlawar Singh Ji (Brahm Ji)*

- Second Chancellor** : Sant Baba Bhag Singh University  
**Second President** : Sant Baba Bhag Singh Memorial Charitable Society  
**Second Chairman** : Sant Baba Bhag Singh Educational Complex

The benevolent Sant Baba Dlawar Singh Ji, also remembered as “Brahm Ji”, will always remain a guiding spirit for all of us. He was a “great saint”, who devoted his whole life for the betterment of mankind. From his early childhood he was inclined towards Sri Guru Granth Sahib Ji. He came into contact with Dera Santpura Jabbar Sahib and decided to surrender his life to this dera. With the passage of time, he realized that he found his niche here under the guidance of Sant Baba Malkit Singh Ji. Charity and spiritual learnings were the hallmarks of his enlightened personality.

He toiled himself in the fields and stayed firm in his faith in education as a true means of transforming lives. He was a true environmentalist. The plantation in Dera Sahib and nearby areas was done by Sant Baba Dlawar Singh Ji. He echoed the gospel of Sri Guru Nanak Dev Ji’s “*Kirat Karo, Naam Japo, Vand Chako*” in his life. He inspired the youth of the area towards human and social welfare activities. Countless people, especially youth, remained connected to him seeking celestial blessings. He constructed a large number of bridges with the association of Sant Baba Malkit Singh Ji to facilitate the transportation of the surrounding villages.

Sant Baba Bhag Singh University is not just an ordinary University but a vision. It is a vision and dream of Sant Baba Malkit Singh Ji that was delicately fulfilled by Sant Baba Dlawar Singh Ji. After Sant Baba Malkit Singh Ji, he took all the pains to translate that dream into reality. Under his able guidance the university flourished fully, catering to the needs of the rural population of Punjab and other states. The works that he has done in his short life span, cannot be completed in many lives. He is a true inspiration for the mankind.

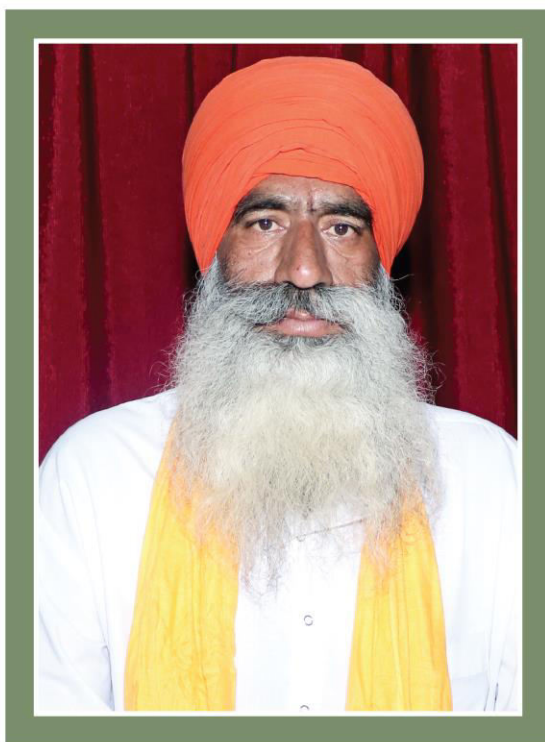

*Sant Baba Janak Singh Ji*

# Chancellor's Message

---

I have a firm conviction that the quality education is a corner-stone for the complete upliftment of a society. Sant Baba Bhag Singh Memorial Charitable Society (SBBSMCS) was constituted to give wings to this idea of providing quality education to the poor. With the efforts of the Society and under the able guidance of Hon'ble Sant Baba Malkit Singh Ji, Sant Baba Bhag Singh University came into existence. It envisages to tap the potential of students and to carve out of them the righteous and competent professionals. I am glad that many eminent educationists and leading industrialists have joined the movement along with the general public and NRIs. I am fully confident that with the blessings of the Almighty, this endeavour would be a success and would continue to serve the society.

**Sant Manmohan Singh**  
Chancellor

## Vice-Chancellor's Message

Envisioned and initiated by the revered Saint, Sant Baba Bhag Singh Ji and then carried forward by Sant Baba Hardyal Singh Mussafir Ji and Sant Baba Malkit Singh Ji of Dera Santpura Jabbar, the dream project of rendering high-quality education at the very doorsteps of the people was realized with the establishment of Sant Baba Bhag Singh University vide Punjab Government Act 6 of 2015. The journey however began with the dissemination of primary education, then shaping up into secondary education and finally found its culmination into higher education in the form of Colleges, Institutes and finally, the full-fledged University. The Holy Saint and Founder Chancellor of the University, Sant Baba Malkit Singh Ji had a noble and philanthropic vision of providing higher education to the poor rural students of the area who could not afford to go to distant places for higher education in different programs and, therefore, worked tirelessly for the establishment of the University.

The University offers multi-faceted education with a focus on various professional programs and opportunities for growth in the fields of Engineering, Management, Sciences, Humanities, Commerce, Education, Sports, Rural Development and Agriculture. The programs vary from Undergraduate Courses to Doctoral Degrees. The University earnestly endeavours to attract students by providing liberal fee concessions, calm and pollution free environment and maintenance of proper discipline. I feel privileged to be a part of this unique University with firm commitment towards achieving excellence in all fields and becoming recognized through outstanding rankings, teaching, research and community engagement. The university aims at honing and grooming the budding and promising students into all-round personalities of whom the nation would be proud of and who would serve as role-model for the students and society as well. It is rightly said, creativity comes in "cans" and we create "cans" in our students by catering to their cognitive needs.

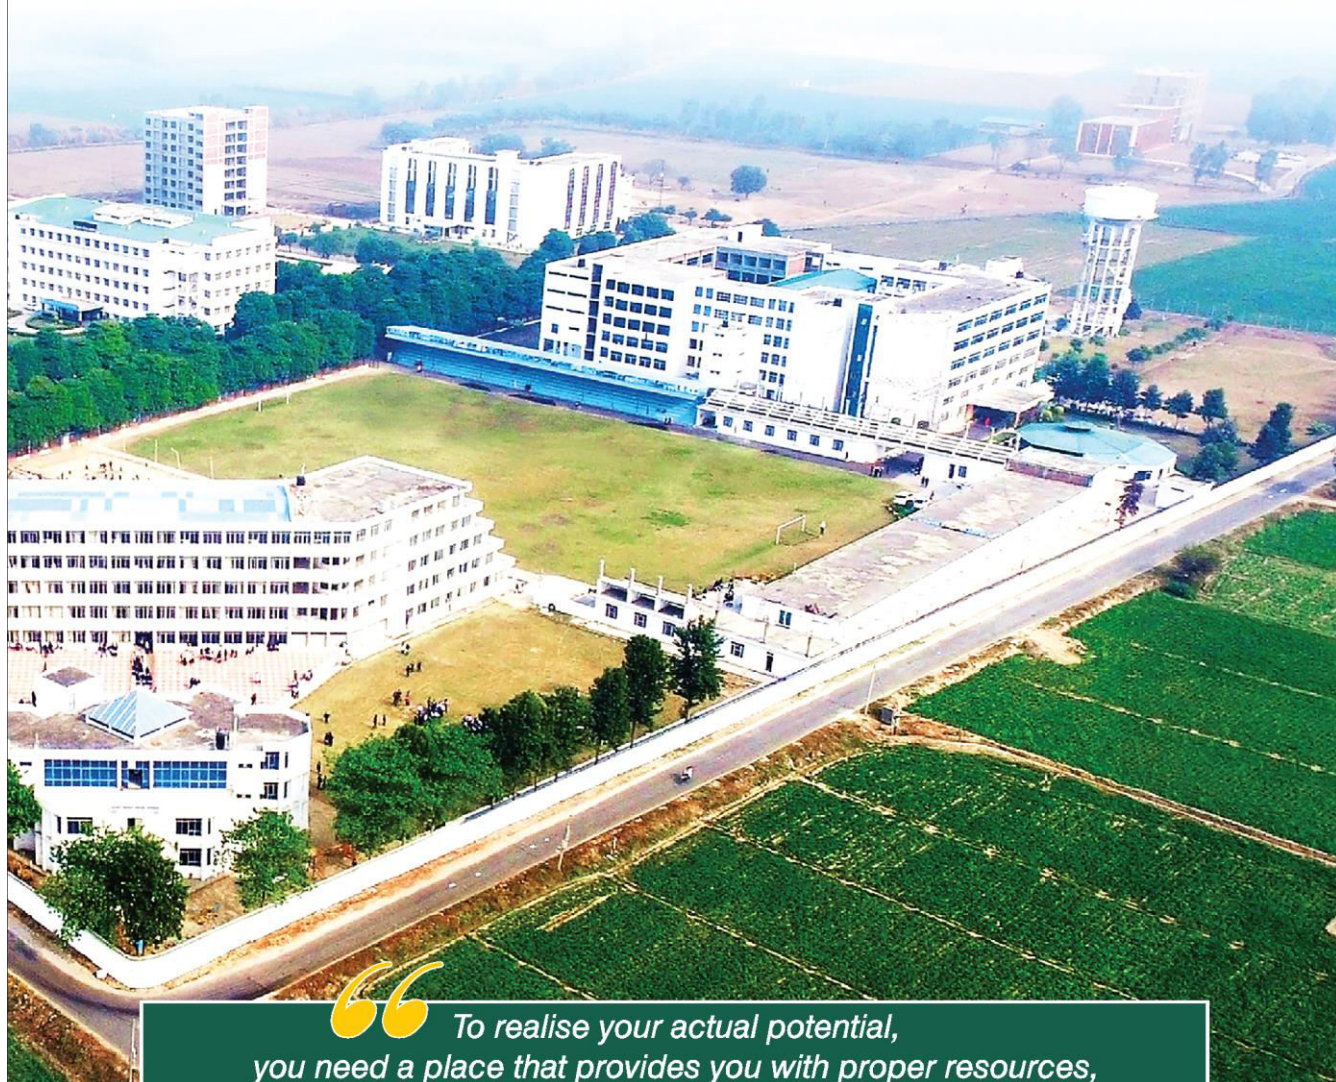

In a world plagued by drug menace and pollution, finding a drug-free and eco-friendly place suitable for education is scarce. But, we at Sant Baba Bhag Singh University assure of a safe and substance-free environment that keeps you focused and healthy. Moreover, we boast of a highly qualified and dedicated faculty committed to the cause of education. It will accord us immense pleasure to welcome you and see your footsteps at the university.

# UNIVERSITY RESEARCH CHAIRS

## Sri Guru Granth Sahib Chair

The Department of Humanities has been committed to research and reflect on Sikh history and Sikh philosophy since its inception. Realizing the relevance of Sikh philosophy in the entire knowledge traditions of the world and the need for contemplation and great effort regarding the universality of Sri Guru Granth Sahib Ji, the Sri Guru Granth Sahib Chair has been established. The entire work of research and contemplation under this chair is dedicated to the Universality of Sri Guru Granth Sahib Ji. It is worth mentioning that under the 'Sant Baba Malkit Singh Memorial Chair' established earlier, the research work related to Nirmala sect and Sikh thought is going on very seriously.

## Sant Baba Malkit Singh Ji Chair

Sant Baba Malkit Singh Ji Chair is established at SBBSU which provides scholarships to promote and encourage research among the scholars of the university. It was started at the initiative of Dr. Harpreet Singh & Dr. Anita Rani is working as a chair fellow. Apart from carrying out various research projects, national/international seminars/conferences, publication of rare books is also being done under this chair. It also offers scholarships for research on the 'Nirmala' Sampradaya, the sector spiritual lineage to which Baba Ji belonged.

## Department of Training & Placement

### Overview:

The Training & Placement Department at SBBS University is comprised of a dedicated team of professionals committed to helping students secure employment through campus recruitment. SBBS University foster placement opportunities for deserving students by engaging top-tier corporations for campus placements. SBBS University conduct various initiatives such as pre-placement training and industry-institute interface and organize conferences and seminars.

SBBS University team communicates closely with leading corporate entities, continuously assessing industry expectations. Through a robust industry-institute interface, SBBS University tailor special programs to equip students with the skills to meet industry demands. This proactive approach has led to the successful placement visits of several renowned corporations at Sant Baba Bhag Singh University.

### **Entrepreneurship:**

Embarking on the journey of starting a business can initially appear intimidating. Yet, there's encouraging news for university students: SBBS University offers the essential resources to foster successful entrepreneurship. The Department of Training & Placement has partnered with GNDEC-STEP to facilitate this endeavor through the SBBS University Centre for Entrepreneurship Development (SUCEED).

### **Industrial Visits:**

Organising industrial visits primarily aims to familiarize students with real-world working environments. Additionally, the department offers a chance for students to learn about industrial practices and emerging technologies.

### **Placement Portal:**

The department launched a placement portal to easily access job opportunities at the SBBS University website under the placement section

## GLIMPSES OF PLACEMENT ACTIVITIES AND JOB FEST

### GLIMPSES OF PLACEMENT ACTIVITIES AND ANNUAL JOB FEST:

# Best Practices

## 1. Unnat Bharat Abhiyan (UBA)

Under the national flagship program Unnat Bharat Abhiyan, SBBS University has adopted 8 villages namely Khiala, Ghurial, Chukhiara, Manko, Kandola, Damunda, Daroli Kalan and Daroli Khurd in its surrounding region. This initiative aims to bring transformational change in rural development processes by leveraging the knowledge and expertise of higher education institutions to address the pressing needs of rural India.

### Key Focus Areas of SBBS University under UBA Programs

#### 1.1.: Education Enhancement Programs

**1.1.1 Objective:** To promote awareness about career opportunities and Digital literacy campaigns

##### 1.1.2 Activities:

- Regular career counselling sessions by faculty in schools.
- Invite school children to university and introduce them to computer and internet safety
- Organizing science fairs, quiz competitions, and reading drives.

#### 1.2: Community engagement

**1.2.1 Objective:** To promote sustainability, practical learning, and community service by engaging students and local residents in identifying, repairing, and reusing damaged or discarded mechanical, electrical, or household items—reducing waste while imparting hands-on skills and environmental awareness.

##### 1.2.2 Activities:

Since February 2025, Sant Baba Bhag Singh University has been conducting monthly “Repair & Reuse Drives” during the last week of each month. This initiative promotes sustainability, skill development, and community engagement.

The core idea behind this practice is to organize “Fix-it” days, where students, faculty, staff, and even members from the surrounding communities are invited to bring broken tools, appliances, or small machines to the university. Under the guidance of experienced mentors and technical experts, these items are repaired, and participants are taught valuable repair and maintenance skills. The drives not only help in reducing waste and encouraging reuse but also create awareness about environmental responsibility.

For students, the Repair & Reuse Drives serve as an excellent hands-on learning experience. Engineering and vocational students, in particular, benefit immensely as they apply theoretical knowledge in real-life scenarios, enhancing their problem-solving abilities and technical proficiency. It promotes a culture of sustainability and self-reliance, instilling in students the value of conservation over consumerism.

Moreover, the initiative strengthens university-community relationships, as local residents gain access to useful services and students gain exposure to real-world challenges. The monthly rhythm of the event ensures continuous learning, environmental consciousness, and societal contribution, making it a model best practice that aligns with the vision of holistic education at SBBS University.

### **1.3: Healthcare and Hygiene Initiatives**

**1.3.1 Objective:** To promote physical well-being, preventive healthcare, and awareness about common diseases.

#### **1.3.2 Activities:**

- Free health check-up camps (general health, eye care, dental care, etc.).
- Awareness drives on menstrual hygiene, nutrition, and sanitation.
- First-aid training for villagers and school staff.
- Mental health sessions and wellness counselling for adolescents and elderly.
- Distribution of sanitary kits, masks, and essential medicines.

### **1.3.3 Best Practices in Physiotherapy at SBBS University**

#### **1. Advanced Clinical Training**

- Hands-on practice in the SBBS Physiotherapy OPD/clinic with real patients.
- Use of modern physiotherapy equipment (e.g., TENS, IFT, Ultrasonic Therapy, Cryotherapy).
- Exposure to rehabilitation protocols in orthopaedics, neurology, cardiopulmonary, sports, and paediatric physiotherapy.

#### **2. Community Engagement and Outreach**

- Regular free health camps, especially in rural and underserved areas.
- Awareness drives for posture correction, arthritis care, and fall prevention in the elderly.

### **1.4: Skill Development and Vocational Training**

**1.4.1 Objective:** To provide livelihood-oriented skills and empower rural youth, women, and unemployed individuals for self-reliance.

#### **1.4.2 Activities:**

- Workshops on entrepreneurship, financial literacy, and digital payments.
- Collaboration with industry partners for placement support and internships.
- Guidance on government schemes and start-up opportunities.

### **1.5 Holistic Village Development**

#### **1.5.1 Community Engagement:**

- Regular surveys and feedback sessions to assess village needs.
- Involvement of students in NSS/NCC about awareness about waste management systems, plantation and clean drinking water solutions.

- Celebration of national days and cultural events to build community bonds.

### **1.5.2 Sustainable Development:**

- Promotion of green technologies and organic farming.
- Collaboration with Panchayats and local NGOs for long-term impact.

**1.5.3 Conclusion:** List of 8 adopted villages in proximity of Sant Baba Bhag Singh University. The Unnat Bharat Abhiyan at SBBS University is not just a government mandate but a mission toward inclusive rural upliftment. Through a strong framework of education, healthcare, and skill training, the university is actively bridging the rural-urban divide and nurturing the spirit of “Gramodaya” development from the villages upward.

## **2. Digital Literacy and Empowerment Program for Rural Youth and Women**

One of the best practices of Sant Baba Bhag Singh University (SBBS University) in promoting digital literacy, especially for rural students and women, includes the following initiative:

Key Best Practices:

### **2.1: Community Outreach Camps:**

- SBBS University regularly organizes digital literacy camps in nearby rural areas, focusing on basic computer skills, internet usage, digital payments, and cyber safety.
- These camps are often led by faculty and trained student volunteers from departments like Computer Science and Education.

### **2.2 : Customized Training Modules:**

- Courses are tailored for non-technical learners, using vernacular language (Punjabi/Hindi) for ease of understanding.
- Topics include: Introduction to Computers, Microsoft Office, Internet Navigation, Email, Online Banking, and Digital Government Services.

### **2.3. Mobile App and E-learning Portal Support:**

- The university provides access to mobile-friendly learning resources for continued practice even after training completion.

## **3 Gender Sensitization & Safety Initiatives at SBBS University**

Sant Baba Bhag Singh University, committed to fostering an inclusive and secure learning environment, regularly undertakes initiatives aimed at women’s safety, self-defense training, and promoting gender

equality. These programs fall under the university's Gender Sensitization Cell, aligned with UGC guidelines for ensuring safety and equal opportunity for all genders on campus.

## **Key Programmers and Initiatives**

### **3.1 Self-Defence Training Workshops**

- Focused on practical combat techniques, situational awareness, and mental preparedness.
- Regular sessions held for female students and staff to instill confidence and preparedness.

### **3.2 Women Safety Awareness Seminars**

- Organized sessions on legal rights of women, cyber safety, sexual harassment prevention, and emergency helpline use.
- Guest speakers include law enforcement officers, legal experts, and psychologists.
- Campaigns like "Be Aware, Be Safe" are run to spread awareness.

### **3.3 Gender Sensitization Programs**

- Interactive workshops to challenge stereotypes, understand gender roles, and promote respect and empathy among students.
- Participation from all departments to encourage cross-gender dialogue.
- Observance of International Women's Day and National Girl Child Day with themed talks, debates, and cultural events.

### **3.4 Internal Complaints Committee (ICC)**

- Functioning as per UGC norms to address issues of sexual harassment and gender-based discrimination.
- Awareness drives about zero tolerance policy and grievance redressal mechanisms are regularly conducted.

### **3.5. Counselling & Psychological Support**

- The university offers confidential counselling services for emotional and psychological support to victims or those facing gender-based challenges.
- Trained counsellors are available for one-on-one sessions.

### **3.6 Safety Infrastructure Measures**

- Surveillance cameras, 24x7 security personnel, and well-lit campus zones ensure physical safety.
- Installation of emergency helpline boards and women helpdesks at key locations across campus.

## **4. Social Outreach Programs**

### **4.1.Introduction**

As part of its commitment to social responsibility and community development, Sant Baba Bhag Singh University (SBBSU) actively conducts a variety of social outreach programs. These initiatives are aimed

at improving the health, education, and empowerment of underprivileged sections of society, especially in surrounding rural areas.

## **4.2. Major Outreach Activities**

### **A. Blood Donation Camps**

- Regularly organized in collaboration with Red Cross Society, Civil Hospitals, and NGOs.
- Managed by the NSS Unit and University Health Department, involving students and faculty as volunteers.
- Free health check-ups for all faculty once per semester, blood group testing, and awareness talks on the importance of voluntary blood donation are part of the drive.

### **B. Literacy Drives**

- Conducted under the theme “Each One Teach One”, focusing on basic education for children and adults in nearby villages.
- Students from Education and Humanities departments volunteer to teach reading, writing, arithmetic, and digital literacy.

### **C. Women Empowerment Programs**

- Skill-building workshops on sewing, handicrafts, entrepreneurship, and digital literacy conducted for rural women.
- Awareness sessions on legal rights, health, nutrition, and financial independence.
- Showcasing success stories of empowered local women during campus events.

### **D. Environmental & Health Awareness Campaigns**

- Tree plantation drives, cleanliness campaigns (Swachh Bharat Abhiyan), and eco-awareness rallies involving students and staff.
- Free medical camps offering health check-ups and distribution of medicines in remote areas.

## **4.3. Community Involvement and Impact**

- Over 5,000 community members benefited directly from university-led outreach programs.
- Encouraged active student participation in social service, shaping socially responsible citizens.

## **4.4. Recognition & Future Goals**

- SBBS University’s outreach work has received appreciation from local administration and state-level bodies.
- Future goals include: Launching a Mobile Education Van.
- Expanding women entrepreneurship training with micro-finance linkages.
- Establishing Community Learning Centers for continuous engagement.

## 5. Best Practice: “Repair & Reuse Drives” – Sant Baba Bhag Singh University

In the last week of February 2025, Sant Baba Bhag Singh University launched the "Repair & Reuse Drives," a monthly sustainability initiative where students, faculty, staff, and community members bring broken items for repair under expert guidance. This hands-on program reduces waste, teaches practical skills, and fosters environmental awareness. Engineering and vocational students especially benefit by applying theoretical knowledge to real-world problems, while the drives strengthen university-community ties. By promoting reuse, skill development, and social responsibility, this practice aligns with SBBS University’s vision of holistic education and sustainable living.

## One-week Faculty Development Programme (FDP) for Non-Teaching Staff on "Faculty Programme on Cyber Security & ICT Skills"

**Date: 07-05-2025 to 14-05-2025**

Sant Baba Bhag Singh University successfully organized a one-week Faculty Development Programme (FDP) on "Cyber Security & ICT Skills" for non-teaching staff from May 7 to May 14, 2025. The program aimed to enhance digital literacy, cybersecurity awareness, and technical proficiency among administrative and support staff. Experts delivered sessions on data protection, phishing threats, secure communication tools, and efficient use of ICT tools for office productivity. Hands-on training and case studies helped participants apply these skills in their daily workflows. The FDP concluded with a valedictory ceremony where certificates were distributed, and attendees appreciated the university's initiative in bridging the digital skills gap for smoother institutional operations.

## **Two-Week Faculty Development Programme (FDP) on "Nurturing innovative teaching skills and research methodologies for enabling future leadership in higher educational institutions" from 5th to 17th May, 2025.**

Sant Baba Bhag Singh University, Jalandhar, successfully concluded its two-week Faculty Development Programme (FDP) from 5th to 17th May 2025, aimed at empowering educators with cutting-edge pedagogical and research methodologies.
