24×7 Women Helpline

The institute is committed to ensuring the safety, security, and well-being of female students, staff, and faculty. As part of this commitment, a 24×7 Women Helpline has been established on campus.

1. Objective

- To provide immediate assistance and guidance in cases of harassment, safety concerns, or any emergencies faced by women on campus.
- To promote a safe, inclusive, and supportive environment for all female members of the institute.

2. Helpline Features

- Operational 24 hours a day, 7 days a week.
- Staffed by trained personnel who can provide counselling, guidance, and assistance.
- Connected to security, administration, and local law enforcement for prompt action if needed.

3. Awareness and Accessibility

- Helpline numbers are prominently displayed across the campus, including academic blocks, hostels, and administrative offices.
- Students and staff are regularly informed about the helpline facility through orientation programs, circulars, and workshops.

4. Monitoring and Follow-Up

- All complaints and requests are handled confidentially and sensitively.
- The administration ensures timely response and follow-up for all concerns reported through the helpline.

This initiative ensures a safe, secure, and responsive campus environment, demonstrating the institute's commitment to gender safety and empowerment.
