Vill. Khiala, P.O. Padhiana, Distt. Jalandhar - 144 030 (PB.)

Recognized by UGC under Section 2(f) of UGC Act, 1956.

Ref. No. SBBSU/J.E.T/ 2026/16

Dated 16.01.2026

## All-Weather Approach (Motorized Road)

The institute has made provisions for a **well-constructed all-weather motorable road** to ensure **uninterrupted access** to the campus in all seasons.

### 1. Road Specifications

- The approach road is designed and constructed using **paved or bituminous materials** suitable for motorized vehicles.
- The road is **durable, safe, and well-drained**, ensuring usability during monsoons, winters, and other adverse weather conditions.

### 2. Accessibility

- The road connects the **main gate to academic blocks, hostels, administrative offices, and other facilities**, providing smooth vehicular and pedestrian movement.
- Adequate **road signage, markings, and street lighting** are provided for safety and convenience.

### 3. Maintenance

- Regular **inspection and maintenance** are carried out to ensure the road remains in excellent condition throughout the year.
- Drainage provisions alongside the road prevent waterlogging and erosion, maintaining continuous accessibility.

This provision ensures that the campus is **easily accessible to students, faculty, staff, and visitors at all times**, supporting the institute's operational efficiency and safety standards.

  
Dr. Jagdeep Kaur  
(Director/ Principal)
