First Aid, Medical, and Counselling Facilities

The institute has made adequate provisions for the **health, safety, and well-being** of students, faculty, and staff. The following facilities are proposed and/or available on campus:

1. First Aid Facilities

- A dedicated **First Aid Room** equipped with essential medical supplies, emergency kits, and stretcher facilities.
- Trained personnel available during working hours to provide immediate assistance in case of minor injuries or medical emergencies.
- Emergency contact numbers prominently displayed in all academic and hostel blocks.

2. Medical Facilities

- Tie-ups with **nearby hospitals and clinics** for treatment of major health emergencies.
- Periodic **medical check-ups** and health awareness camps for students and staff.
- Provision for **ambulance service** or quick transportation to hospitals in case of emergencies.

3. Counselling and Mental Health Support

- A **Student Counselling Cell** to provide professional psychological support, career guidance, and stress management assistance.
- Regular **workshops, seminars, and awareness programs** on mental health, personal development, and coping strategies.
- Confidential counselling sessions ensuring the emotional well-being of students and staff.

The institute ensures that **health, safety, and counselling facilities are easily accessible, maintained, and monitored regularly**. These measures are aimed at promoting a **healthy, safe, and supportive learning environment** for all members of the campus community.
