Dated 16/10/2026

## Integration of Entrepreneurship Mindset Curriculum (EMC)

In compliance with the directive of the Punjab Government and aligned with AICTE guidelines on skilling-based courses, Sant Baba Bhag Singh University has already incorporated the Entrepreneurship Mindset Curriculum (EMC) in B.Tech (all streams) and Management programs.

### Key Details

- Applicable Programs: All B.Tech and Management Programs
- Credits Assigned: 2 credits
- Mode of Delivery: App-based learning modules, projects, and assessments

### Purpose

- To instill entrepreneurial thinking and problem-solving skills among students.
- To enhance employability and innovation capacity.
- To align academic curriculum with national and state-level skill development initiatives.

### Implementation

- EMC is embedded in the first-year curriculum across all relevant programs.
- Successful completion of the app-based modules and assessments will be mandatory for earning the 2 credits.
- Credits earned will be reflected in the student's academic transcript under the Skill Development / Employability Enhancement category.

### Expected Outcomes

- Graduates equipped with entrepreneurial mindset and industry-relevant skills.
- Promotion of startup culture and innovation within the institute.
- Strengthened compliance with Punjab Government's mandate and AICTE's skilling-credit framework.
