Reviewer's Comments:- With regard to program code : UG044 ENGLISH ELECTIVE-II I recommend the addition of the Rivals by Sheridan in place of the School for scandals by Sheridan. The university can plan to add any play of William Shakespeare also, anything out of the two will do.

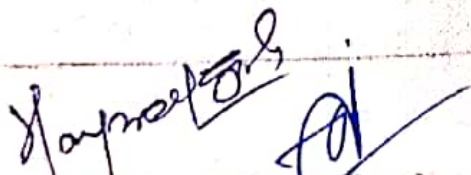

In English 114 Communication Skills II Group discussion and Extempore can be added.

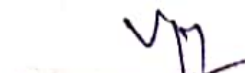

In ENG 123 Communication Skills (Practical) GRE (List of fifty words) may be re-placed with specified vocabulary.

Overall, the University deserves a big applause as syllabus is near perfection, the addition of NEP guidelines have been meticulously done but with a few addition the syllabus can be still better. More emphasis on practical will make student better learner apart from ensuring holistic development of personality of students.

Reviewer's Comments:- With regard to syllabus of MA Political Science Semester I, Following changes are recommended:

Put Plato and Aristotle in Second unit, Machiavelli and Bodin in Third unit, Hobbes Locke and Rousseau in Fourth unit of first paper on Western Political Thought Code PLS 551

Delete Nature of Contemporary Indian State: Welfare Perspective, Nature of Contemporary Indian state: Security Perspective , add overall features of Indian Constitution and Preamble in first unit of second paper i.e PLS-553, Delete local self government in second unit

Overall, the University deserves a big applause as syllabus is near perfection, the addition of NEP guidelines have been meticulously done but with a few addition the syllabus can be still better. More emphasis on practical will make student better learner apart from ensuring holistic development of personality of students.
