

SANT BABA BHAG SINGH UNIVERSITY

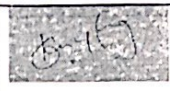

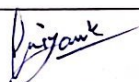

University Institute of Computer Application and Information Science

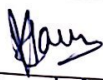

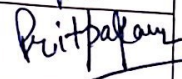

Ref. No: SBBSU/CSA22/40

Dated: 4-April-2022

Subject: Proceedings of the meeting of Board of Studies (BoS) of Department of Computer Science and Applications/Animation and Multimedia.

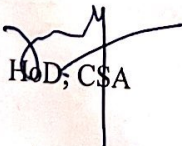

The following members were present and approved the points discussed below:

S.No	Name	Subject	Designation	Institute	Position	Signature
1.	Dr. Anect Kumar	Education	Dean Academics	SBBSU	Chairperson	
2.	Dr. Seema Garg	Law	Dean UICAIS	UICAIS	Member	
3.	Dr. Kanwal Garg	Computer Science	Assistant Professor	Kurukshetra University	External Expert	
4.	Mr. Gurmeet Sharma	IT Industry Expert	CEO	EESPL Pvt. Ltd.	External Expert	
5	Dr Umesh Sehgal	Computer Applications	HoD & Associate Professor	UICAIS	Member Secretary	
6	Dr. Nipun Chhabra	Computer Applications	Associate Professor	UICAIS	Member	
7	Dr Saurabh Sharma	Computer Applications	Assistant Professor	UICAIS	Member	
8	Dr. Harmeet Singh	Computer Applications	Assistant Professor	UICAIS	Member	
9	Er. Gurpreet Singh	Computer Applications	CoD & Assistant Professor	UICAIS	Member	
10	Mr. Priyank Arora	Computer Applications	Assistant Professor	UICAIS	Member	

11	Mr. Sukwinder Singh	Animation and Multimedia	In charge Animation and Multimedia	UICAIS	Member	
12	Er. Harjit Kaur	Computer Applications	Assistant Professor	UICAIS	Member	
13	Ms. Pritpal Kaur	Computer Applications	Alumni	SBBSU	Member	

1. As per the NEP 2020, Approval of course scheme and syllabus of BCA & BCA(LEET) having Programme Code UG037 for the admissions 2022 onwards
2. As per the NEP 2020, Approval of course scheme and syllabus of B.Sc (IT) & B.Sc(IT) LEET having Programme Code UG038 for the admissions 2022 onwards
3. As per the NEP 2020, Approval of course scheme and syllabus of B.Sc. (Animation and Multimedia) having Programme Code UG039 for the admissions 2022 onwards.
4. Approval of course scheme and syllabus of MCA having Programme Code PG001 as per the guidance of AICTE for the admissions 2022 onwards
5. Approval of bridge courses scheme and syllabus for MCA Programme Code PG001 as per the guidance of AICTE for the admissions 2022 onwards.
6. Approval of revised syllabus and scheme of BCA & BCA (LEET) having Programme Code: UG002 for the students who are opting 3 Years Degree.
7. Approval of revised syllabus and scheme of B.Sc. (IT) & B.Sc. (IT) (LEET) having Programme Code: UG003 for the students who are opting 3 Years Degree.
8. Approval of revised syllabus and scheme of B.Sc. (AM) having Programme Code: UG001 for the students who are opting 3 Years Degree.
9. As per the request of outer department, a Special Bucket of Courses are designed for them.
10. Approval of revised Program Educational Objectives (PEOs), Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (CO) of all programs.
11. Incorporations of the amendments of suggested by the experts regarding scheme and syllabus.
12. Incorporations of feedback of stakeholders (Teachers, Students and Employees) for the revision and design of syllabus.

Dean, UICAIS

Dean Academics

Proceedings in Detail

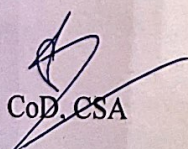

S. No.	Expert's Suggestions	Action Taken
1.	The expert has suggested to include at least 4 CO's in each course because if the number of course outcome is less than 4 than it will become difficult to map CO with PSO.	Incorporated
2.	The course name should not be start with words like introduction and principles after 2 nd year.	Incorporated
3.	In PhD Course work, the current topics like MANETs and Data Science should be introduced because this will help the students to choose their research topics from wider range.	Incorporated
4.	In Research Seminar, the topics should not be disclosed to the students as it will restrict the students to few topics for preparing their presentations.	Incorporated
5.	The second expert Mr. Gurmeet Sharma suggested us to prepare projects of local business as Minor Project in order to work on live projects which help the students to know the basic requirements of Companies.	Incorporated
6.	The collaboration should be done between Industry and Academic in order to decrease the gap between the industry and academia.	Incorporated
7.	There should be uniformity in the contents of syllabus in each unit in the syllabus of B.Sc.(AM)	Incorporated
8.	The contact hours in each semester should not be more 30 hours.	Incorporated

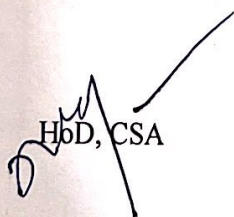

9.	As per UGC and AICTE norms, the minimum and maximum credits of bachelor and master degrees are mentioned. Kindly proceed according to NEP norms whenever they mentioned about it.	Minimum Credits for UG: 140 Maximum Credits for UG: 175 Minimum Credits for PG: 80 Maximum Credits for PG 110 Incorporated
10.	The name of the course Internet of Things should be written as Internet of Things (IoT).	Incorporated

The following are the **appreciated points** regarding the curriculum in the **BOS 2022** meeting:

1. It is observed that course scheme and syllabus contents are well designed and efficiently balanced keeping in view the nature of students admitted in a degree program are coming from different streams.
2. The syllabus of PhD Course Work (CSA) is highly appreciated and all the courses are from current research fields.
3. It is also noticed that department had given a keen attention on designing the course scheme that in the early semester basic introductory papers are introduced and at the later semester advancements based on latest trends has been introduced. Moreover, it is also observed that in the reference section: Books of standard authors has been recommended.
4. It is appreciable that the team involved in designing of course curriculum has given a wide variety of Value Added Courses to the students. Students are also given an option to undergo with MOOC course offered on SWAYAM Potal or like others. It will surely give an opportunity to learn the updated technologies or course concept by the experts of the subjects around the Globe.
5. Since NEP 2020 policy also focused on research based academics. It has been observed that students have been given an ample opportunity to undergo with Project based/ Training Based/ Research Based/ Thesis/ Dissertation based Course scheme. So it's great effort by the team designed the curriculum

Meeting ended with Vote of Thanks by Dr. Aneet Kumar, Dean Academics.

AGENDA OF MEETING

1. Discussion and approval of course scheme and syllabus of BCA & BCA (LEET) for the admissions 2022 onwards. On the basis of NEP 2020, the whole scheme and syllabus of this programme is modified. Under this policy, student has an option of opting 3 years or 4 years degree. Moreover, students can easily migrate to any programme within first 2 years. Similarly, discussion and approval of course scheme and syllabus of BCA & BCA (LEET) for the admissions 2022 onwards with 3 Years Degree.
2. Discussion and approval of course scheme and syllabus of B.Sc. (IT) & B.Sc.(IT) (LEET) for the admissions 2022 onwards. On the basis of NEP 2020, the whole scheme and syllabus of this programme is modified. Under this policy, student has an option of opting 3 years or 4 years degree. Moreover, students can easily migrate to any programme within first 2 years. Similarly, discussion and approval of course scheme and syllabus of B.Sc. (IT) & B.Sc. (IT) (LEET) for the admissions 2022 onwards with 3 Years Degree.
3. Discussion and approval of course scheme and syllabus of MCA for the admissions 2022 onwards. On the basis of feedback received from various stakeholders, the syllabus and scheme of MCA is modified. The students coming from different background programmes like BA, BBA, B.Com with Mathematics, Economics and Statistics courses will also eligible for 2 Years MCA programme.
4. Discussion and approval of BCA-MCA Integrated 5 Years Programme.
5. Discussion and approval of Ph.D course work scheme and syllabus.
6. Discussion and approval of Special Courses that are designed as per the requirement of Outer department.
7. Discussion and approval of modification in the Program Educational Objectives (PEOs), Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (CO) of all programs.
8. The proposed syllabus was unanimously approved

(Animation and Multimedia)

1. Discussion and approval of course scheme and syllabus of B.Sc.(AM) for the admissions 2022 onwards. On the basis of NEP 2020, the whole scheme and syllabus of this programme is modified. Under this policy, student has an option of opting 3 years or 4 years degree. Moreover, students can easily migrate to any programme within first 2

years. Similarly, discussion and approval of course scheme and syllabus of B.Sc. (AM) & B.Sc. (AM) (LEET) for the admissions 2022 onwards with 3 Years Degree.

2. Discussion and approval of modification in the Program Educational Objectives (PEOs), Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (CO) of all programs.
3. The proposed syllabus was unanimously approved.

Thanks you in anticipation

Reviewer's Comments :-

1. It is observed that course scheme and syllabus contents are well designed and efficiently balanced keeping in view the nature of students admitted in a degree program are coming from different streams.
2. It is also noticed that department had given a keen attention on designing the course scheme that in the early semester basic introductory papers are introduced and at the later semester advancements based on latest trends has been introduced. Moreover, it is also observed that in the reference section: Books of standard authors has been recommended.
3. It is appreciable that the team involved in designing of course curriculum has given a wide variety of Value Added Courses to the students. Students are also given an option to undergo with MOOC course offered on SWAYAM Portal or like others. It will surely give an opportunity to learn the updated technologies or course concept by the experts of the subjects around the Globe.
4. Since NEP 2020 policy also focused on research based academics. It has been observed that students have been given an ample opportunity to undergo with Project based/ Training Based/ Research Based/ Thesis/ Dissertation based Course scheme. So its great effort by the team designed the curriculum.

Minor improvements and modification requirements

5. (Regarding CO-PO-PSO Mapping) Program Specific Outcome (PSO) let it is 5 and but Course Outcome (CO) are either 2/ 3/ 4/ 5. So it may be difficult to design CO-PO-PSO Mapping Matrix at the end of semester.
6. (Regarding Course Title and Syllabus content) While going through the course scheme and syllabus of the course, it was observed that caption of few course titles is like: Introduction to....., Principles of etc. I feel such words should be avoided. Since these words gives the resemblance of a chapter name instead of a course name.

Sant Baba Bhag Singh University

(University Established under Punjab Act No. 6 of 2013)

VIII. Khiala, P.O. Padhiana, Dist. Jalandhar, Punjab, INDIA

7. In Ph.D coursework and scheme, I suggest you to add more specialization like MANETs, Data Science, Data mining and data streams etc.
8. In MCA course scheme, Students may be given an option to continue their project work while working in their department/ university. Department may have collaboration for Industries to carry on their project work.
9. (Regrading Seminars and List of Programs) Topics of seminars ARE pre-defined. Surely it's a good practice to give an idea to the student to decide his/ her topic of presentation, but the topic of seminar should not be limited up to the pre-specified list. Because technology is updating day by day, so let the student scroll the emerging trends and new technologies to deliver their seminar reports.

Similarly, in Practical Lab List of programs should not be limited to only specified list. This will give a liberty to the students to copy the program from their seniors. So, faculty involved in the lab work should assign some new program not already specified in the list.

10. (Work Load per Week) I think that B.Sc. AM teaching load per week should be 30 hours like other courses i.e. BCA and BSC IT.
11. As per UGC guidelines credits for Bachelor degree of 4yrs are Minimum 140 and Maximum 175 are appropriately followed but for NEP guidelines should be once again reviewed.

Reviewer's Comments :-
- in order to decrease the gap between industrial needs and academia, the students should work on live projects. They may take the help of local business holders to create their sites according to their needs.
The syllabus and curriculum of the programmes are well designed and according to the need of IT sector.

Minutes of Meeting (MoM)

As per the discussion with external members of BOS 2022, following are the points that are discussed are as follows:

S. No.	Expert's Suggestions	Action Taken
1.	The expert has suggested to include at least 4 CO's in each course because if the number of course outcome is less than 4 than it will become difficult to map CO with PSO.	Incorporated
2.	The course name should not be start with words like introduction and principles after 2 nd year.	Incorporated
3.	In PhD Course work, the current topics like MANETs and Data Science should be introduced because this will help the students to choose their research topics from wider range.	Incorporated
4.	In Research Seminar, the topics should not be disclosed to the students as it will restrict the students to few topics for preparing their presentations.	Incorporated
5.	The second expert Mr. Gurmeet Sharma suggested us to prepare projects of local business as Minor Project in order to work on live projects which help the students to know the basic requirements of Companies.	Incorporated
6.	The collaboration should be done between Industry and Academic in order to decrease the gap between the industry and academia.	Incorporated

7.	There should be uniformity in the contents of syllabus in each unit in the syllabus of B.Sc.(AM)	Incorporated
8.	The contact hours in each semester should not be more 30 hours.	Incorporated
9.	As per UGC and AICTE norms, the minimum and maximum credits of bachelor and master degrees are mentioned. Kindly proceed according to NEP norms whenever they mentioned about it.	Minimum Credits for UG: 140 Maximum Credits for UG: 175 Minimum Credits for PG: 80 Maximum Credits for PG 110 Incorporated
10.	The name of the course Internet of Things should be written ad Internet of Things (IoT).	Incorporated
