This brochure has been drafted in advance of the academic year to which it applies. Every effort has been made to ensure that the information contained in this brochure is accurate at the time of publishing. But changes (for example to course content) are likely to occur given the interval between publication and commencement of the course. It is therefore very important to check our website for any updates before you apply for the course by following www.sbbsuniversity.ac.in. Where there is a difference between the contents of this brochure and our website, the contents of the website take precedence.

SANT BABA BHAG SINGH UNIVERSITY

PROSPECTUS 2026-27

OUR PIONEER

Our Pioneer

HON'BLE SANT BABA MALKIT SINGH JI

Founder Chancellor : Sant Baba Bhag Singh University

Founder President : Sant Baba Bhag Singh Memorial Charitable Society

Founder Chairman : Sant Baba Bhag Singh Educational Complex

The saint and seer who encouraged the society to find the remedies of ills plaguing us, was born with a firm conviction that there is no religion larger than humanity. He worked selflessly for the upliftment of the poor and made sure that there is no discrimination over caste and religion. The missionary zeal of Sant Baba Malkit Singh Ji resulted in the transformation of a great seat of learning where high quality scientific, technical and moral education is imparted. He took upon himself the task of fulfilling the vision of his mentors by encouraging the youth of this backward, rural and flood ravaged area towards the path of progress through authentic and affordable education. The life and deeds of Sant Baba Malkit Singh Ji were marked with selflessness and impartiality, dedicating his life to the service of mankind and by living through honest means.

His total commitment to the service or *sewa* brought his life to a full circle. He realized that a strong moral character, physical well-being, strength, emotional and aesthetic abundance are essentials of a meaningful education. He sturdily advocated that an individual development is of no meaning unless used for the betterment of the society. A natural consequence of a true education, according to Sant Baba Malkit Singh Ji, is service of the society through honest means where resources are shared, inequalities are bridged and discrimination is abolished. Convinced that a combination of knowledge, action and devotion can bring about physical and spiritual transformation of individuals as well as the society, he founded Sant Baba Bhag Singh University in 2015 as a great seat of learning.

He worked selflessly for the upliftment of the poor and made sure that there is no discrimination over caste and religion.

SANT BABA DLAWAR SINGH JI (BRAHM JI)

- Second Chancellor** : Sant Baba Bhag Singh University
Second President : Sant Baba Bhag Singh Memorial Charitable Society
Second Chairman : Sant Baba Bhag Singh Educational Complex

The benevolent Sant Baba Dlawar Singh Ji, also remembered as "Brahm Ji", will always remain a guiding spirit for all of us. He was a "great saint", who devoted his whole life for the betterment of mankind. From his early childhood he was inclined towards Sri Guru Granth Sahib Ji. He came into contact with Dera Santpura Jabbar Sahib and decided to surrender his life to this dera. With the passage of time, he realized that he found his niche here under the guidance of Sant Baba Malkit Singh Ji. Charity and spiritual learnings were the hallmarks of his enlightened personality.

He toiled himself in the fields and stayed firm in his faith in education as a true means of transforming lives. He was a true environmentalist. The plantation in Dera Sahib and nearby areas was done by Sant Baba Dlawar Singh Ji. He echoed the gospel of Sri Guru Nanak Dev Ji's "*Kirat Karo, Naam Japo, Vand Chhako*" in his life. He inspired the youth of the area towards human and social welfare activities. Countless people, especially youth, remained connected to him seeking celestial blessings. He constructed a large number of bridges with the association of Sant Baba Malkit Singh Ji to facilitate the transportation of the surrounding villages.

Sant Baba Bhag Singh University is not just an ordinary University but a vision. It is a vision and dream of Sant Baba Malkit Singh Ji that was delicately fulfilled by Sant Baba Dlawar Singh Ji. After Sant Baba Malkit Singh Ji, he took all the pains to translate that dream into reality. Under his able guidance the university flourished fully, catering to the needs of the rural population of Punjab and other states. The works that he has done in his short life span, cannot be completed in many lives. He is a true inspiration for the mankind.

Sant Baba Janak Singh Ji

Mukh Sevar, Dera Santpura, Jabbar

CHANCELLOR'S MESSAGE

I have a firm conviction that the quality education is a corner-stone for the complete upliftment of a society. Sant Baba Bhag Singh Memorial Charitable Society (SBBSMCS) was constituted to give wings to this idea of providing quality education to the poor. With the efforts of the Society and under the able guidance of Hon'ble Sant Baba Malkit Singh Ji, Sant Baba Bhag Singh University came into existence. It envisages to tap the potential of students and to carve out of them the righteous and competent professionals. I am glad that many eminent educationists and leading industrialists have joined the movement along with the general public and NRIs. I am fully confident that with the blessings of the Almighty, this endeavour would be a success and would continue to serve the society.

Sant Manmohan Singh
Chancellor

VICE-CHANCELLOR'S MESSAGE

Envisioned and initiated by the revered Saint, Sant Baba Bhag Singh Ji and then carried forward by Sant Baba Hardyal Singh Mussafir Ji and Sant Baba Malkit Singh Ji of Dera Santpura Jabbar, the dream project of rendering high-quality education at the very doorsteps of the people was realized with the establishment of Sant Baba Bhag Singh University vide Punjab Government Act 6 of 2015. The journey however began with the dissemination of primary education, then shaping up into secondary education and finally found its culmination into higher education in the form of Colleges, Institutes and finally, the full-fledged University. The Holy Saint and Founder Chancellor of the University, Sant Baba Malkit Singh Ji had a noble and philanthropic vision of providing higher education to the poor rural students of the area who could not afford to go to distant places for higher education in different programs and, therefore, worked tirelessly for the establishment of the University.

The University offers multi-faceted education with a focus on various professional programs and opportunities for growth in the fields of Engineering, Management, Sciences, Humanities, Commerce, Education, Sports, Rural Development and Agriculture. The programs vary from Undergraduate Courses to Doctoral Degrees. The University earnestly endeavours to attract students by providing liberal fee concessions, calm and pollution free environment and maintenance of proper discipline. I feel privileged to be a part of this unique University with firm commitment towards achieving excellence in all fields and becoming recognized through outstanding rankings, teaching, research and community engagement. The university aims at honing and grooming the budding and promising students into all-round personalities of whom the nation would be proud of and who would serve as role-model for the students and society as well. It is rightly said, creativity comes in "cans" and we create "cans" in our students by catering to their cognitive needs.

In a world plagued by drug menace and pollution, finding a drug-free and eco-friendly place suitable for education is scarce. But, we at Sant Baba Bhag Singh University assure of a safe and substance-free environment that keeps you focused and healthy. Moreover, we boast of a highly qualified and dedicated faculty committed to the cause of education. It will accord us immense pleasure to welcome you and see your footsteps at the university.

Dr. Vijay Dhir
Vice-Chancellor
Interim

ABOUT THE UNIVERSITY

Sant Baba Bhag Singh University came into existence vide Sant Baba Bhag Singh University Act, 2014 (Punjab Government Act No. 6 of 2015) and is recognized by UGC under Section 2(f) of UGC Act, 1956 and accredited with B+ grade by NAAC. This University has been established in the name of Sant Baba Bhag Singh Ji, who carried forward the mission of 'NIRMALA PANTH' initiated by Sri Guru Nanak Dev Ji and Sri Guru Gobind Singh Ji, the Tenth Guru of Sikhs, to spread education for all round development of the society. Sant Baba Bhag Singh visualized that education and self-help are the transforming forces for the upliftment of a common man. To achieve this, Sant Baba Malkit Singh Ji adopted the flood ravaged rural area of Jabbar/Manko (Jalandhar) and marched on to educate people to identify their problems and then solve it by self-help. In this direction, a programme of 'Girl Education' was initiated in 1954 with a view that girl education was a step towards empowerment of the family. Carrying forward the legacy, Sant Baba Malkit Singh Ji established Sant Baba Bhag Singh Memorial Charitable Society (SBBSMCS) in the year 2000, facilitating education from Nursery to Postgraduate programmes, to make Quality Education accessible to rural youth in technical and professional streams in the Doaba region of Punjab. During the period of Chancellorship of Reverend Sant Baba Dlawar Singh Ji (Brahm Ji) all the institutions fully flourished. Now the University is making rapid strides under the illustrious leadership of present Chancellor, Hon'ble Sant Manmohan Singh Ji.

SANT BABA BHAG SINGH UNIVERSITY – INSTITUTES

- ❖ UNIVERSITY INSTITUTE OF ENGINEERING & TECHNOLOGY (UIET)
- ❖ UNIVERSITY INSTITUTE OF SCIENCES (UIS)
- ❖ UNIVERSITY INSTITUTE OF COMMERCE AND MANAGEMENT (UICM)
- ❖ UNIVERSITY INSTITUTE OF COMPUTER APPLICATIONS AND INFORMATION SCIENCES (UICAIIS)
- ❖ UNIVERSITY INSTITUTE OF ALLIED HEALTH SCIENCES (UIAHS)
- ❖ UNIVERSITY INSTITUTE OF EDUCATION (UIE)
- ❖ UNIVERSITY INSTITUTE OF LAW (UIL)
- ❖ UNIVERSITY INSTITUTE OF HUMANITIES (UIH)
- ❖ FACULTY OF AGRICULTURE (FOA)

Sant Baba Bhag Singh University is committed to the creation and dissemination of knowledge through higher education with a unique blend of degrees with skill in all Engineering branches, Information Technology, Commerce and Management Studies, Pure Applied Sciences, Physical Sciences, Agricultural Sciences, Para-Medical Courses, Education, Physical Education, Computer Application, Law etc. The University offers full time as well as part time Ph.D. programmes in all streams of education. Lateral Entry is also available in various programmes.

The courses are so designed that in addition to earning a degree one also receives certification for acquired skills. Equipped with outstanding staff and infrastructure, Sant Baba Bhag Singh University facilitates skill development embedded courses to achieve its mission of imparting knowledge and strengthening students with the skills to contribute in professional as well as personal life. The University is committed to ensure bright future of the learners with outcome based in the contemporary era by putting novel efforts to work in accordance to the lurking needs in the theory ridden present education system.

The University has adopted NEP-2020 as per UGC for the holistic development of the students and germinate entrepreneurship & employability.

WHY SBBS UNIVERSITY?

The University offers best resources and facilities to support the learning. The labs are up-to-date with cutting-edge equipments, while the library offers specialised collection of books, journals, periodicals and electronic resources far and beyond the standard texts for your course.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

Computer Science and Engineering is a fast-growing field with global demand. The department aims to develop innovative and skilled professionals in CSE, Artificial Intelligence and Machine Learning.

It promotes overall student development through research-focused groups in areas like Data Science, IoT, Cybersecurity, AI, NLP, and Cloud Computing.

With an MoU with IBM ICE, students gain industry-oriented learning and exposure. Strong academics, real-world projects, and industry mentorship help students apply knowledge effectively and achieve excellent results.

SALIENT FEATURES

- Provides a collaborative, interdisciplinary learning environment guided by experienced PhD faculty.
- Curriculum emphasizes industry-academia interaction and effective communication to prepare students for global competition.
 - Regularly conducts hackathons, seminars, workshops, industrial visits, and expert lectures, with students achieving top honors in competitions.
 - Maintains a diverse software repository and virtual labs in collaboration with IIT for remote experimentation.
 - MoUs with leading IT companies, including IBM, ensure exposure to the latest technologies.
 - Students earn IBM Digital Badges through certification courses in CSE, AI & ML, and Cybersecurity.
 - Strong placement record, with many students also pursuing higher studies in India and abroad.
 - Entrepreneurship curriculum encourages startups and innovation, with students successfully launching ventures.

TRANSFORM YOUR FUTURE IBM Innovation Center For Education (ICE): Shaping Future Tech Leader

Join IBM ICE become Future Ready by having Industry Ready Skill

Every year 15 lakh students graduate with an engineering degree, but only a few thousand graduate with an IBM Digital Badge. Join the IBM Academic Partnership Program for a holistic, industry-driven experience, preparing you for success in information technology.

Key-Benefits of IBM Certification

- 100% placement track record
- Next-generation project-based learning
- IBM Digital badge
- Regular visits by Subject Matter Experts (SME)
- IBM trained and certified faculty
- Participation in inter & intra college, national, and international level competitions
- Alumni Recognition
- Access to IBM Networks

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Tech CSE (in association with IBM)*	4 years	a. Passed 10+2 examination with Physics/Mathematics/Chemistry/ Computer Science/Electronics/Information Technology/ Biology/Informatics Practices/ Biotechnology/ Technical Vocational subject/ Engineering Graphics/ Business Studies/ Entrepreneurship. b. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. OR Passed D.Voc Stream in the same or allied sector.
B.Tech CSE (Artificial Intelligence and Machine Learning) (in association with IBM)*	4 years	a. Passed 10+2 examination with Physics/ Mathematics/Chemistry/ Computer Science/ Electronics/ Information Technology/ Biology/ Informatics Practices/ Biotechnology/ Technical Vocational subject/ Engineering Graphics/ Business Studies/ Entrepreneurship. b. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. OR Passed D.Voc Stream in the same or allied sector
B.Tech CSE (Cyber Security) (in association with IBM)*	4 years	a. Passed 10+2 examination with Physics/ Mathematics/ Chemistry/ Computer Science/ Electronics/ Information Technology/ Biology/ Informatics Practices/ Biotechnology/ Technical Vocational subject/ Engineering Graphics/ Business Studies/ Entrepreneurship. b. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. OR Passed D.Voc Stream in the same or allied sector
B.Tech CSE (lateral entry to second year)	3 years	a. Passed minimum THREE years/ TWO years (Lateral Entry) diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in ANY branch of Engineering and Technology. OR b. Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to reserved category) and passed 10+2 examination with Mathematics as a subject.
B.Tech CSE (Artificial Intelligence and Machine Learning) (lateral entry to second year)	3 years	a. Passed minimum THREE years/ TWO years (Lateral Entry) diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in ANY branch of Engineering and Technology. OR b. Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to reserved category) and passed 10+2 examination with Mathematics as a subject.
M.Tech CSE	2 years	a. Passed Bachelor's degree or equivalent in the relevant field b. Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying Examination.
Ph.D. CSE		As per UGC guidelines

*(IBM Certification Optional)

Note: Students of B.Tech CSE, B.Tech CSE (AI & ML), and B.Tech CSE (Cybersecurity) can enhance their professional credentials by opting for an industry-recognized IBM certification at an additional cost.

DEPARTMENT OF CIVIL ENGINEERING

Civil Engineering is one of the oldest and most essential branches of engineering, forming the backbone of infrastructure development for modern living. From housing and transportation systems to water supply and urban development, Civil Engineering is integral to the construction and design of the world around us. Often referred to as the "evergreen" branch due to its versatility, Civil Engineering offers numerous career opportunities across various industries, making it a highly sought-after field.

The B. Tech program in Civil Engineering is designed to provide students with a strong foundation in the core principles of Civil Engineering, emphasizing global, societal, and environmental contexts in line with sustainable development practices. Our curriculum is aimed at preparing students to tackle complex engineering challenges by identifying, formulating, and solving problems related to structural design, transportation, water resources, geotechnical engineering, and urban development, while ensuring adherence to cost, safety, quality, and ethical standards.

The Civil Engineering department boasts a faculty with extensive expertise across specialized fields, supported by dedicated technical staff. The department fosters hands-on learning through field trips, practical projects, and industry-academic interactions, ensuring students gain real-world experience. This comprehensive approach equips graduates with the skills needed to meet the ever-evolving demands of the industry. By continually updating our curriculum to reflect industry trends and societal needs, we ensure that our students are well-prepared to contribute to the development of infrastructure and the built environment globally. Upon graduation, our students are highly valued by employers and are ready to take on the challenges of modern civil engineering.

CAREER PROSPECTS

Civil engineers in the government sector work on large-scale public infrastructure projects like roads, bridges, airports, dams, and water systems. Key roles include positions in the Public Works Department (PWD), Municipal Corporations, and local bodies (**Assistant Engineer, Junior Engineer [JE], SDO, Water Supply Engineer**). Public Sector Undertakings (PSUs) like BHEL, NTPC, and SAIL offer opportunities in energy, steel, and power plants (Project Engineer, Structural Engineer, Construction Manager). The Defence Services require civil engineers for military infrastructure (Engineering Officer, Project Manager). Agencies like IRC and NHAI hire engineers for infrastructure planning and monitoring. Civil engineers can also pursue UPSC roles for leadership positions. Railways and airports offer roles in construction and maintenance (Civil Engineer, Project Manager, Infrastructure Planner). Government jobs provide job stability, pension, benefits, and better work-life balance with lower work pressure compared to the private sector.

In the private sector, civil engineers can find higher pay and innovative projects. Construction firms offer roles like Site Engineer, Project Manager, and Construction Manager for residential, commercial, and industrial projects. Consultancy firms need Design Engineers, Structural Engineers, and Geotechnical Engineers for specialized services. Real estate companies hire Project Engineers and Site Managers for property developments. Engineering and design firms focus on infrastructure like roads and bridges, with roles such as Structural and Hydraulic Engineers. Infrastructure companies need engineers for highways, airports, and ports. In the energy sector, engineers work on power plants, wind farms, and solar installations. Research and development offer roles like Research Engineer and Materials Engineer for innovation in construction techniques. The private sector provides higher salary potential, career growth, and exposure to cutting-edge projects.

SALIENT FEATURES

- The department offers a broad curriculum covering key civil engineering areas like structural, geotechnical, transportation, environmental, water resources, construction management, and materials science.
- Hands-on learning is emphasized through labs, workshops, site visits, and field projects, allowing students to apply theoretical knowledge to real-world problems.
- The department features state-of-the-art labs, including structural testing, geotechnical, hydraulics, materials testing, and surveying labs, supporting teaching and research.
- The department focuses on research and innovation in sustainable construction, smart materials, renewable energy, and advanced building technologies, addressing contemporary engineering challenges.
- The department encourages interdisciplinary collaboration with architecture, mechanical engineering, environmental science, and urban planning to address issues like smart cities, environmental protection, and sustainable infrastructure.
- The department maintains industry linkages with construction firms, consultancies, and government bodies, offering internships, industrial training, and real-world civil engineering exposure.
- The department is staffed with experienced professors, researchers, and industry professionals, blending academic knowledge with practical expertise in teaching and research.
- The curriculum emphasizes design skills, with students working on projects that require creative solutions to engineering problems through real-life case studies or simulated projects.
- The department emphasizes safety standards, ethics, and legal regulations, ensuring students understand their responsibility in public safety and environmental protection.
- The department includes courses on global challenges like climate change, resource scarcity, and infrastructure development, preparing graduates for worldwide projects.
- The department offers student clubs, societies, and competitions like ASCE events, design challenges, and construction management contests, fostering leadership, teamwork, and networking.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Tech Civil Engineering	4 years	a. Passed 10+2 examination with Physics/ Mathematics/ Chemistry/ Computer Science/ Electronics/ Information Technology/ Biology/Informatics Practices/ Biotechnology/ Technical Vocational subject/ Engineering Graphics/ Business Studies/ Entrepreneurship. b. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. OR Passed D.Voc Stream in the same or allied sector.
B.Tech Civil Engineering (lateral entry to second year)	3 years	a. Passed minimum THREE years/ TWO years (Lateral Entry) diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in ANY branch of Engineering and Technology. OR b. Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to reserved category) and passed 10+2 examination with Mathematics as a subject.
M.Tech Civil Engineering (Regular)	2 years	a. Passed Bachelor's degree or equivalent in the relevant field b. Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying Examination.
Ph.D. Civil Engineering	As Per UGC Guidelines	As Per UGC Guidelines

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

DEPARTMENT OF MECHANICAL ENGINEERING

Mechanical Engineering is one of the most diverse and versatile engineering fields for the students who are passionate about Automobiles, fascinated by Nanotechnology and space shuttle vehicles, interested in contributing to healthcare or in developing cleaner and more efficient energy, keen to learn the process of Robotics and Automation or have a knack to develop new smart materials and many more. Every product or service in modern life has been touched in some way by a mechanical engineer to help humankind.

CAREER PROSPECTS

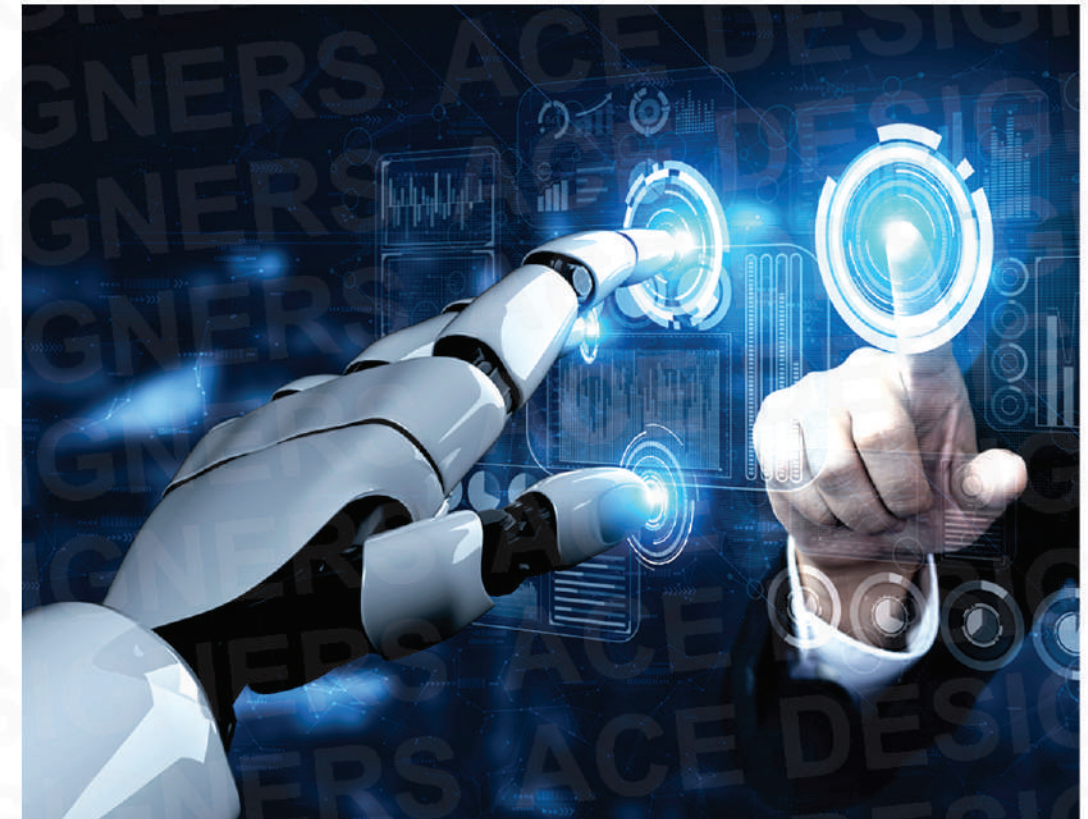

Jobs for Mechanical Engineers are always in demand worldwide, particularly in the automotive, aerospace, electronics, biotechnology, and energy industries, both in the Government sector and Private sector. The need for this expertise is excellent in so many fields, and as such, there is no real limit for the freshly minted Mechanical Engineer. A Mechanical Engineer can choose from a variety of career options such as Aerospace, Automation, Automotive, Autonomous Systems, Biotechnology, Composites, Computer-Aided Design (CAD), Designing components and structures, Energy, Ergonomics, Manufacturing, Nanotechnology, Production planning, Robotics and many more. With such a wide range of skills inherited by a Mechanical Engineer, one can easily become a successful entrepreneur.

SALIENT FEATURES

- 1) Highly qualified faculty ensuring top-notch education.
- 2) Regular industrial visits fostering practical understandings.
- 3) Impressive placements in renowned companies.
- 4) Emphasis on projects and research for hands-on learning.
- 5) Diverse extra-curricular activities enhancing overall development.
- 6) Access to the state-of-the-art workshop for practical training.
- 7) AutoCad and 3-D software training.
- 8) Guest Lectures and panel discussions from eminent personalities.

1.MINOR DEGREE IN ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING

The department of mechanical engineering offers a minor degree in **Artificial Intelligence and Machine Learning** in response to the growing need for specialists. Students can get a bachelor's degree in mechanical engineering in four years along with a minor degree in artificial intelligence. A mechanical Engineering graduate with this dual expertise will be highly sought after by companies in both the traditional mechanical engineering sector and those with a need for AI engineers. The students possessing both a mechanical engineering degree and minor degree in artificial intelligence and machine learning will contribute heavily to futuristic innovations.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Tech. Mechanical Engineering (with Minor Degree in Artificial Intelligence and Machine Learning)	4 Years	a. Passed 10+2 examination with Physics/ Mathematics/ Chemistry/ Computer Science/ Electronics/Information Technology/ Biology/ Informatics Practices/ Biotechnology/ Technical Vocational subject/ Engineering Graphics/ Business Studies/ Entrepreneurship. b. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. OR Passed D. Voc Stream in the same or allied sector
B.Tech. Mechanical Engineering (with Minor Degree in Artificial Intelligence and Machine Learning) (Lateral Entry)	3 Years	a. Passed minimum THREE years/ TWO years (Lateral Entry) diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in ANY branch of Engineering and Technology. OR b. Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to reserved category) and passed 10+2 examination with Mathematics as a subject.
M.Tech (Production Engineering)	2 Years	a. Passed Bachelor's degree or equivalent in the relevant field b. Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying Examination.
Ph.D. Mechanical Engineering		As Per UGC Guidelines

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

DEPARTMENT OF ELECTRICAL ENGINEERING

The department offers a vibrant environment for education in Electrical Engineering. Our mission is to provide a high-quality education and prepare students to design and develop products as well as practical solutions to problems in public and private sectors. Currently, the department of Electrical Engineering offers B. Tech., M. Tech and Ph.D. in Electrical Engineering.

The department emphasizes hands-on learning through well-equipped labs and expert faculty guidance, fostering a culture of research and innovation. The department has strong industry collaborations to enhance practical exposure and career prospects.

CAREER PROSPECTS

Electrical Engineering offers strong and diverse career prospects across power generation and distribution, renewable energy, electronics, telecommunications, automation, robotics, electric vehicles, and smart infrastructure. Electrical engineers work in industries such as energy utilities, manufacturing, automotive, aerospace, construction, and technology, taking roles like power systems engineer, control systems engineer, embedded systems designer, and renewable energy specialist. With global growth in electrification, smart grids, Industry 4.0, and sustainable energy solutions, demand for skilled electrical engineers remains high, providing stable employment, competitive salaries, and opportunities for advancement into research, management, consulting, or entrepreneurship.

SALIENT FEATURES

- The department's faculty is highly qualified and has extensive teaching experience.
- Excellent teaching methodology with a focus on interactive learning through the use of audio-visual aids.
- Well-equipped and upgraded labs to provide students with hands-on learning opportunities.
- IIT Delhi's Virtual Labs platform is being used to provide additional Virtual Lab classes.
- The curriculum is well-balanced, with a good mix of research and industry-oriented courses.
- Students attend regular workshops, seminars, and guest lectures to learn about the latest technology and industry practices.
- Mini-projects and in-plant trainings to provide students with hands-on experience.
- Industrial visits to various renowned companies to expose students to a variety of environments.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Tech	4 years	a. Passed 10+2 examination with Physics/Mathematics/Chemistry/ Computer Science/Electronics/Information Technology/ Biology/Informatics Practices/ Biotechnology/ Technical Vocational subject/ Engineering Graphics/Business Studies/Entrepreneurship. b. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. OR Passed D.Voc Stream in the same or allied sector.
B.Tech EE (lateral entry to second year)	3 years	a. Passed minimum THREE years/ TWO years (Lateral Entry) diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in ANY branch of Engineering and Technology. OR b. Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to reserved category) and passed 10+2 examination with Mathematics as a subject.
M.Tech EE	2 years	a. Passed Bachelor's degree or equivalent in the relevant field b. Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying Examination.
Ph. D EE	As per UGC guidelines	As per UGC guidelines

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

DEPARTMENT OF COMPUTER SCIENCE AND APPLICATIONS

The University Institute of Computer Applications & Information Sciences (UICAIS) strives for excellence in creating, applying and imparting knowledge in computer science through comprehensive education programmes, research & dissemination through scholarly publications and service to professional societies, the community, the state and the nation. The Institute imparts quality education ranging from the expertise in traditional software development to the modern computing technologies.

SALIENT FEATURES

- Faculties have experience in areas of Computer Architecture, Artificial Intelligence, Mobile and Computer Networks, Computer Graphics and Image Processing, Distributed Computing, Database Management System, Multimedia and Neural Networks, Cloud Computing, Software Engineering and Data Mining.
- More than 250 technical papers published by the faculty in various national and international journals and conferences.
- The IT Infrastructure of the college is maintained by the department.
- The department carries out all in-house software development and maintenance.
- 24 hours High speed Internet facilities with Wi-Fi connectivity.
- Specialized computer labs with latest H/W and S/W.
- Digital Library with access to journals and video lectures of eminent professors.
- Credit based continuous evaluation system to allow the students to assess their progress more frequently.
- Faculty mentors are assigned to a certain number of students to help students in planning their courses of study and for getting general advice on academic program.
- Elective courses are offered that bridges the gap between industry requirements and academia.
- Communication skills orientation programs incorporated in the scheme of examination to make that course compulsory.
- Projects in final semester for exposure of the students to recent developments in their field of interest under the guidance of competent faculty members.
- Career opportunity seminars and expert talks are organized by the department.

The SBBSU Advantage ACADEMIC EXCELLENCE

The Department of Computer Science and Application is widely recognized as a centre of excellence in the study of new technology, security and international employment.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
BCA, BCA (Hons.)/ BCA (Hons. with Research) As per NEP (in association with IBM)	3/4 Years	Passed 10+2 or its equivalent examination in any stream conducted by a recognized Board/ University/ Council Or have passed senior secondary examination from Hunar Sikhia School with relevant subjects.
BCA (LEET)	2 Years	Pass with 50% aggregate marks in Diploma (Engineering/ Comp. Sci. in any stream) (3 Years after 10th) or Diploma in Computer Applications/ Information Technology (2 Years/ 1 Year after 10+2) or equivalent. Minimum Credits Requirement - 36 to 40 Credits.
B.Sc. (IT), B.Sc. (IT) (Hons.)/ B.Sc. (IT) Hons. with Research) (As per NEP)	3/4 Years	Passed 10+2 or its equivalent examination in any stream conducted by a recognized Board/ University/ Council Or have passed senior secondary examination from Hunar Sikhia School with relevant subjects.
B.Sc. (AM), B.Sc. (AM) (Hons.)/ B.Sc. (AM) Hons. with Research) (As per NEP)	3/4 Years	Passed 10+2 or its equivalent examination in any stream conducted by a recognized Board/ University/ Council Or have passed senior secondary examination from Hunar Sikhia School with relevant subjects.
MCA	2 Years	BCA, B.Sc.(IT), B.Sc.(Non-Medical)
MCA	1 Year	Having BCA/B.Sc.(IT) degree of 4 Years
M.Sc. (Ani. & Multimedia)	2 Years	Having B.Sc. (AM) Degree of 3 Years
B-Lib	1 Year	Graduation in any stream
M-Lib	1 Year	Minimum 50% marks in bachelor degree
DCA	1 Year	Passed 10+2 (from any stream)
PGDCA	1 Year	Graduation Degree

From advanced robotics to Internet-Based Technologies, Computer Science is transforming the way we live, and the shortage of appropriately qualified talent.

**(IBM Certification Optional)*

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

The University Institute of Sciences (UIS) is a research-oriented and skill-driven institution that complies with UGC and NEP 2020 guidelines. It consists of two departments: the Department of Life Sciences and the Department of Physical Sciences. These departments were previously known as the Department of Natural Sciences, which was established in 2015.

DEPARTMENT OF LIFE SCIENCES

The Department of Life Sciences offers a dynamic and interdisciplinary learning environment encompassing Botany, Zoology, Environmental Sciences, Home Science, and Forensic Science. Designed in alignment with UGC regulations and the transformative vision of NEP 2020, the Department promotes flexibility, innovation, and skill-based education. With a team of highly qualified and experienced faculty members, the Department ensures academic excellence through modern pedagogy, continuous mentoring, and research-driven teaching. Well-equipped laboratories, advanced instrumentation, and smart classrooms provide students with hands-on training and experiential learning opportunities.

***Eligibility:** 45% marks in case of candidate belonging to Reserved Category

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

SALIENT FEATURES

- The curriculum of UG and PG programmes integrates multidisciplinary learning, project-based assignments, internships, field visits, and industry exposure to enhance professional competence and employability. Students are encouraged to participate in research projects, conferences, workshops, and seminars at national and international levels.
- Dedicated guidance is provided for competitive examinations such as CSIR-NET, UGC-NET, GATE, and other professional entrance tests.
- Graduates of the Department pursue higher education in reputed institutions across India and abroad, while many secure placements in research laboratories, industries, environmental agencies, healthcare sectors, and academic institutions.
- Beyond academics, the Department fosters holistic development through sports, cultural activities, community outreach, and entrepreneurship initiatives.
- The Department of Life Sciences is committed to nurturing competent professionals, innovative researchers, and responsible citizens equipped to address global scientific and societal challenges.
- Highly experienced and qualified (post-doctoral and doctoral) faculty members.
- Innovative teaching and research system.
- Equipped with good technical facilities for basic and advanced research in the disciplines of plant physiology, chemical ecology, fisheries, sericulture, and animal toxicology.

PROGRAMMES OFFERED

Programme	Duration	Eligibility
B.Sc. Life Sciences	3/4 Year	10+2 and equivalent with Physics, Chemistry & Biology as their main subjects, with a minimum aggregate of 50% marks.
B.Sc. Home Science	3/4 Year	10+2 in any stream from Hunar Sikhia School (HSS)/PSEB or any recognized board. Minimum marks required are 50% (relaxed to 45% for SC/ST candidates).
B.Sc. Forensic Sciences	3/4 Year	10+2 and equivalent with Physics, Chemistry & Biology/ Mathematics as their main subjects, with a minimum aggregate of 50% marks.
M.Sc. (Hons.) Zoology	2 Year	Passed B.Sc. Medical/Life Sciences with Zoology as one subject, with at least 50% marks in aggregate
M.Sc. (Hons.) Botany	2 Year	Passed B.Sc. Medical/Life Sciences with Botany as one subject, with at least 50% marks in aggregate.
Ph.D. Zoology, Botany, Environmental Sciences (EVS)	As per UGC guidelines	As per UGC guidelines

DEPARTMENT OF PHYSICAL SCIENCES

- Physical Sciences expand our knowledge of the universe and underlines new technologies, which benefit our society. In keeping with the heritage of imparting quality education, teaching and research are the prime motive of the Department of Physical Sciences.
- Department of Physical Sciences is dynamic and progressive in its development of new course initiatives and to contribute substantially to the goal of SBBSU and becoming a research oriented department. The teaching is by way of interactive sessions between students and teachers. Our courses ensure a coherent degree structure while encouraging interdisciplinary approach.
- The Department has highly qualified, young and dynamic faculty in various fields of Physical Sciences. The thrust area in Chemistry includes Green Chemistry, Polymer Chemistry, Advanced controlled drug delivery systems, Nanocomposites, Physiochemical studies of biomolecules etc. The thrust area in Physics includes Materials Physics, Nuclear Physics, Nanomaterials and their applications. The thrust area in Mathematics includes Numerical Analysis, Wavelet methods, qualitative behaviour of dynamical systems, Mathematical modelling via differential equations.
- Student centric, ICT enabled and interactive teaching is adopted. Outcome based teaching model comprising of theoretical work, regular academic activities such as research projects, seminars, resource learning and hands-on

- laboratory work have been conducted regularly.
- The Department wishes to focus on providing a comprehensive curriculum at undergraduate and postgraduate levels with teaching- learning adjunct to cater the need of industry, relevant research and career opportunities in academics.
- Our research oriented teaching paves the way for entry into different careers since it equips students with advanced transferable skills in information gathering, analysis and presentation, which are vital tools in the field of science.

SALIENT FEATURES

- The Department is blessed to have specialized faculty in various fields of Physical Sciences viz. Chemistry, Physics, Mathematics.
- The Department keeps its students abreast of latest advancements in technology through computer facilities, e-learning, virtual labs.
- The Department updates curricula on a regular basis to ensure that students keep up with the changing trends of education and research. The syllabi of courses are well designed to equip students to qualify competitive exams such as GATE, UGC- NET /SLET, TIFR etc.
- The Department has well equipped laboratories with a number of instrumental facilities such as muffle furnace, digital water bath, polarimeter, ultrasonic interferometer, ballistic galvanometer, deflection and vibration magnetometer, ESR, Four Probe Apparatus, Michelson Interferometer apparatus, Hall Effect Apparatus, Planck Constant Apparatus, turbidimeter, Abbs refractrometer, centrifuge, digital weighing balance/ spring balance, magnetic plate with stirrer, pH meter, conductometer, flame photometer, colorimeter etc.
- Students and teacher's participation in international, national, state and regional conferences, seminars along with industry aligned expert interactions are key features of the department.
- Curricular and co-curricular activities are well balanced in the teaching learning environment to provide holistic education to the students.

PROGRAMMES OFFERED

Course	Duration	Eligibility
B.Sc. Physical Sciences	3/4 Year	10+2 and equivalent with Physics, Chemistry & Mathematics as major subjects with 50% marks (45% marks in case of SC/ST candidates) in aggregate or equivalent grade.
M.Sc. (Hons.) Chemistry	2 Year	B.Sc. (Pass) with Chemistry as one of the major subjects /B.Sc. (Hons.) Chemistry with 50% marks (45% marks in case of SC/ST candidates) in aggregate or equivalent grade from any university recognized by UGC.
M.Sc. (Hons.) Physics	2 Year	B.Sc. (Pass) with Physics as one of the major subjects /B.Sc. (Hons.) Physics with 50% marks (45% marks in case of SC/ST candidates) in aggregate or equivalent grade from any university recognized by UGC.
M.Sc. (Hons.) Mathematics	2 Year	B.Sc. (Pass) with Mathematics as one of the major subjects /B.Sc. (Hons.) Mathematics with 50% marks (45% marks in case of SC/ST candidates) in aggregate or equivalent grade from any university recognized by UGC.
Ph.D. Chemistry/Physics/ Mathematics	As per UGC guidelines	As per UGC guidelines

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

UNIVERSITY INSTITUTE OF ALLIED HEALTH SCIENCES (UIAHS)

The Institute offers Undergraduate, Postgraduate, and Doctoral programmes in Medical Laboratory Sciences (MLS), Medical Radiology & Imaging Technology (MRIT) and Anaesthesia & Operation Theatre Technology (AOTT). With modern laboratories, experienced faculty, and strong clinical collaborations, the Institute integrates scientific knowledge, practical skills, and ethical values to prepare competent healthcare professionals aligned with national and global healthcare standards.

MEDICAL LABORATORY SCIENCES (MLS)

The programme in Medical Laboratory Sciences is designed to develop skilled laboratory professionals proficient in diagnostic testing, clinical analysis, and quality assurance practices. It provides comprehensive training in biochemistry, microbiology, hematology, pathology, molecular diagnostics, and emerging laboratory technologies. Through advanced laboratory exposure and research orientation, students gain the competence required to support accurate diagnosis, disease monitoring, and evidence-based clinical decision-making.

MEDICAL RADIOLOGY AND IMAGING TECHNOLOGY (MRIT)

The Medical Radiology and Imaging Technology programme prepares students to become competent imaging technologists capable of operating advanced diagnostic equipment such as X-ray, CT, MRI, and ultrasonography systems. The curriculum integrates foundational medical sciences with hands-on clinical training, radiation safety protocols, and patient care practices. Graduates are equipped to deliver precise imaging services while maintaining professional ethics and patient safety standards.

ANAESTHESIA AND OPERATION THEATRE TECHNOLOGY (AOTT)

The Anaesthesia and Operation Theatre Technology programme focuses on training skilled professionals to assist in perioperative care and anaesthesia management. Students receive practical exposure in operation theatre protocols, sterilization techniques, monitoring of vital parameters, and emergency response procedures. Emphasis is placed on teamwork, precision, infection control, and patient safety, ensuring graduates are well-prepared to support surgical and critical care services efficiently.

SALIENT FEATURES

- Strong academic framework aligned with NCAHP guidelines and national regulatory standards.
- Well-equipped, modern laboratories with advanced diagnostic and clinical equipment.
- Experienced and research-oriented faculty with strong academic and clinical expertise.
- Extensive hands-on training through hospital tie-ups and healthcare collaborations.
- Career-oriented programmes with strong employability prospects in healthcare sectors.
- Supportive learning environment with mentorship and academic guidance.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
Bachelor of Medical Laboratory Sciences (B.MLS)	4 Years (3 + 1 year Internship)	- The candidate must have passed Senior Secondary (10+2) or equivalent with physics, chemistry and biology (botany & zoology) subjects. - Admission on the basis of merit of senior secondary (10+2). - Candidates must be 17 years as on December 31st of the year of admission to the first year of BMLS course.
Bachelor of Medical Laboratory Sciences (B.MLS) LEET	3 years	Lateral Entry to the candidates in second year (3rd semester) who have passed Diploma in Medical Laboratory Technology (D.MLT) from recognised university/institute with 50% marks. Number of intake: lateral entry admission must not be more than 10% of the annual intake
Bachelor in Medical Radiology and Imaging Technology (B.MRIT)	4 Years (3 + 1 year Internship)	- The candidate must have passed Senior Secondary (10+2) or equivalent with physics, chemistry and biology. - Admission on the basis of merit of senior secondary (10+2). - Candidates must be 17 years as on December 31st of the year of admission to the first year of B.MRIT course.
Bachelor in Medical Radiology and Imaging Technology (BMRIT) Lateral Entry*	3 Years	Lateral Entry to the candidates in second year (3rd semester) who have passed Diploma in same discipline. Number of intake: lateral entry admission must not be more than 10% of the annual intake
Baccalaureate in Anaesthesia & Operation Theatre Technology (BAOTT)	4 Years (3 + 1 year Internship)	- Candidate must have passed senior secondary (10 + 2) or equivalent with physics, chemistry and biology/ mathematics with 50% marks. - Admission on the basis of merit of senior secondary (10+2). - Candidates must be 17 years as on December 31st of the year of admission to the first year of BAOTT course.
Baccalaureate in Anaesthesia & Operation Theatre Technology (BAOTT) LEET	3 Years	Lateral Entry to the candidates in second year (3rd semester) who have passed Diploma in AOTT from recognised university. Number of intake: lateral entry admission must not be more than 10% of the annual intake
Bachelor of Medical Laboratory Science (Medical Biochemistry)	2 Years	- The candidate must have passed Bachelor of Medical Laboratory Sciences (B.MLS) on regular mode from any recognised Indian University. - Admission to MMLS shall be made on the basis of the SBBS University entrance exam. - Post Graduate entrance criteria requires to be compulsory registered member of National Commission for Allied and Healthcare Professions (NCAHP).
Bachelor of Medical Laboratory Science (Medical Microbiology)		

***Eligibility :** 40% marks in case of candidate belonging to Reserved Category

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

FACULTY OF AGRICULTURE (FOA)

B.Sc. (Hons.) Agriculture is recognized by Punjab State Council for Agricultural Education

DEPARTMENT OF AGRICULTURE

The Agriculture department at Sant Baba Bhag Singh University (SBBSU) was established in 2015 with the objective of imparting quality education and promoting research in the field of agriculture. The department offers dynamic environment for education in graduate and post graduate courses of Agriculture. The department aims to create skilled professionals capable of contributing to sustainable agricultural development through teaching, research and extension activities. The curriculum is framed as per the guidelines of the Indian Council of Agricultural Research (ICAR) to meet national standards. The B.Sc (Hons.) Agriculture Programme run in the department is accredited by Punjab State Council for Agricultural Education (PSCAE). The department has qualified and experienced doctorate faculty in diverse field of Agriculture i.e. Agronomy, Horticulture, Soil Science, Plant Pathology, Plant Biochemistry, Agro-Meteorology, Entomology, Food Technology Agriculture Economics and Agriculture Extension Education. The department provides a dynamic learning environment supported by experienced faculty, modern laboratories, experimental fields, and strong industry-academia linkages. Students are exposed to practical training through hands on experience, orchards, polyhouses, and field visits.

The department has cultivation fields for conducting research trials and practical experiments for students. Besides these, the Department has also established the orchards of Litchi, Citrus, Mango, Guava, Phalsa, Peach and Dragon Fruit Farm.

The Department also organizes various workshops on Career Counselling and hand on training programs to students and farmers by inviting experts in the university in various fields such as Beekeeping, Vermicomposting, Mushroom Culture and Organic Farming. Apart from this, extension activities i.e. Awareness regarding stubble burning, preparation of vermicompost, clean and green environment, organic farming, nursery production in agriculture, Farmers Scientists Meet, Field Day and Kisan Mela are conducted on regular basis to impart knowledge and expertise to farmers and students.

SALIENT FEATURES

1. Department is accredited by Punjab State Council for Agricultural Education (PSCAE) to run B.Sc. (Hons.) Agriculture programme.
2. Curriculum is designed as per ICAR 6th Dean Committee and ICAR-BSMA recommendations.
3. The department possesses well-equipped laboratories and modern teaching infrastructure.
4. Facilities such as polyhouse, shade net house, drip irrigation systems and fruit orchards are available.

PROGRAMMES OFFERED

Course	Duration of Course	Eligibility
B.Sc. (Hons.) Agriculture	4 years	Candidates must have passed 10+2 or equivalent examination with Physics, Chemistry, and Biology/Mathematics/Agriculture as compulsory subjects. Admission is based on merit as per university and PSCAE norms.
M.Sc. Ag. (Agronomy)	2 Years	Candidates must possess a B.Sc. (Hons.) Agriculture or equivalent degree from a recognized university. Admission is based on merit/entrance test as per university regulations.
M.Sc. Ag. (Horti. Veg. Sci.)	2 Years	Candidates must possess a B.Sc. (Hons.) Agriculture or equivalent degree from a recognized university. Admission is based on merit/entrance test as per university regulations.
M.Sc. Ag. (Horti. Fruit Sci.)	2 Years	Candidates must possess a B.Sc. (Hons.) Agriculture or equivalent degree from a recognized university. Admission is based on merit/entrance test as per university regulations.
M.Sc. Ag. (Soil Sci. Agric. Chem.)	2 Years	Candidates must possess a B.Sc. (Hons.) Agriculture or equivalent degree from a recognized university. Admission is based on merit/entrance test as per university regulations.
M.Sc. Food Science and Technology	2 Years	Candidates must have a B.Sc. degree in Agriculture / Food Science / Home Science / Biotechnology / Life Sciences or related disciplines from a recognized university.
Diploma in Agrochemical & Pesticide Management	1 Year	Should have passed 10+2 examination with at least 45% (40% in case of candidate belonging to reserved category).

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

Jobs after B.Sc. (Hons.) Agriculture

- Specialist Officer (Agricultural Field Officer)
- Junior Agricultural Associate
- Rural Development Officer
- Field Officer
- Agricultural Officer
- Probationary Officer
- Horticulture Development Officer (HDO)
- Agriculture Development Officer (ADO)
- Landscaping Manager
- Crop Trial Officer
- Seed Companies
- Food Technology Companies
- MNCs (Cargill Inc, Monsanto, Dupont, Bayer, and others)
- Fertilizer Manufacturing Firms
- Food Processing Units

UNIVERSITY INSTITUTE

HUMANITIES

University Institute of Humanities is an interdisciplinary centre for teaching-learning and conducting research in various fields of Humanities. It offers courses in under-graduate, post-graduate and doctoral research. The primary objective of the institute is to create an intellectual ecosystem wherein both, the teacher and the taught, can broaden their mental horizon and pursue impactful research. A Master Degree means in-depth knowledge, advanced skills, and the confidence to achieve one's ambitions.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.A. (Humanities)	3/4 (Honours or Honours with Research) years (As per NEP)	Passed with 50% aggregate marks (45% marks in case of candidate belonging to SC/ST) in 10+2 examination or equivalent in any stream Or have passed senior secondary examination from Hunar Sikhia School with relevant subjects.
B.A. (Yoga)	3/4 (Honours or Honours with Research) years (As per NEP)	Passed with 50% aggregate marks (45% marks in case of candidate belonging to SC/ST) in 10+2 examination or equivalent in any stream with English Or have passed senior secondary examination from Hunar Sikhia School with relevant subjects.
M.A. History	2 Years	Bachelor's degree obtaining at least 45% marks in the concerned subject or 50% marks in the aggregate B.A./B.Sc./B.Sc. (Hons.)
M.A. Punjabi	2 Years	Bachelor's degree obtaining at least 45% marks in the concerned subject or 50% marks in the aggregate B.A./B.Sc./B.Sc.(Hons.) OR Bachelor's degree examination in any other subject provided the candidate has studied Punjabi compulsory at graduate level.
M.A. English	2 Years	Bachelor's degree obtaining at least 45% marks in the concerned subject or 50% marks in the aggregate B.A./B.Sc./B.Sc.(Hons.) OR Bachelor's degree examination in any other subject provided the candidate has studied English compulsory at graduate level.
M.A. Economics	2 Years	Bachelor's degree obtaining at least 45% marks in the concerned subject or 50% marks in the aggregate B.A./B.Sc./B.Sc. (Hons.)
M.A. Political Science	2 Years	Bachelor's degree obtaining at least 45% marks in the concerned subject or 50% marks in the aggregate B.A./B.Sc./B.Sc. (Hons.)
Ph.D. History	As per UGC guidelines	As per UGC guidelines
Ph.D. Punjabi	As per UGC guidelines	As per UGC guidelines
Ph.D. English	As per UGC guidelines	As per UGC guidelines
Ph.D. Economics	As per UGC guidelines	As per UGC guidelines
Ph.D. Pol. Sci.	As per UGC guidelines	As per UGC guidelines

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

SALIENT FEATURES

- Well qualified, dedicated and energetic faculty
- Need-oriented, innovative and updated curriculum
- Fun element added through extra-curricular activities
- Modern infrastructure and laboratories
- Well-equipped & air-conditioned library
- Innovative teaching strategies
- Healthy mentor-mentee relationship.

OF HUMANITIES

FASHION DESIGNING

Fashion designing aims to educate students to become professional practitioners in the field of fashion and related industries. Students are encouraged to have an awareness of fashion in its social and cultural context and to bring that understanding to their work. The highlighting features of the course in fashion designing are industrial internship, opportunities with renowned designers, brands, export houses and being entrepreneur.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Sc. (Fashion Designing)	3 years	Passed with 50% aggregate marks (45% marks in case of candidate belonging to SC/ST) in 10+2 examination or equivalent in any stream with English Or have passed senior secondary examination from Hunar Sikhia School with relevant subjects
B.Sc. (Fashion Designing with Honours)	4 Years	10+2 ant stream.
M.Sc Fashion Designing And Merchandising	2 years	Passed graduation in any stream with elective subject (Home Science, Fashion Designing)

Note : All admissions will be provisional. The Course will start with minimum 15 admissions to undergraduate course and 10 admissions to postgraduate course.

SALIENT FEATURES

- Highly professional and well experienced faculty members.
- Advanced labs with world class facilities.
- Group assignments to inculcate team spirit in budding design professionals and thus making them aware of working methodology of design unit.
- Opportunities to interact with renowned professionals
- Visual aids/ site visits/ field work/ industrial training are important part of curriculum.

DEPARTMENT OF COMMERCE

The Department of Commerce at Sant Baba Bhag Singh University, established in 2015 is dedicated to fostering academic excellence and professional growth in the field of commerce and industry. Our department offers a range of programs designed to prepare students for successful careers in business, finance, accounting, and research. With a commitment to innovative teaching and research, we aim to develop skilled professionals who can contribute meaningfully to the global economy.

Vision of the Department

Committed to provide excellence and value education in commerce.

Mission of the Department

To provide affordable yet quality education, while equipping students with information and skills in the stream of Commerce, instill values, recognize hidden talents, provide openings for students to comprehend their full potential with the view of shaping them into future leaders, teachers, entrepreneurs and above all good human beings and responsible citizen.

Objectives

- Motivating the students to think laterally and out-of-the-box to generate innovative ideas.
- Transforming innovative ideas into commercial products of societal needs.
- Faculties mentoring the students to carry out the project effectively by providing required technical guidance.
- To facilitate creative thinking to the students.
- To pursue research and investigation in the field of commerce.
- To develop professional competence in the students to face global competition.

SALIENT FEATURES

- Highly qualified, well experienced and dedicated staff.
- Well equipped and furnished Classes.
- Continuous career counseling and competitive exam guidance to aspire the students.
- Students oriented extra-curricular activities for the overall development of students.
- Free internet facility for students.
- Excellent infrastructure, innovative faculty for spreading entrepreneurship culture.
- Continuous efforts are made by the faculty members to practice innovative methods of teaching like role playing, case studies, debates and management games.
- The Department of Commerce promotes the research culture among the faculty members as well as among students of the department.
- The department also organizes industrial training for its students. The members of the department also actively participate at various national level as well as international seminars to enrich and upgrade themselves with the latest concepts in the field of commerce.
- The faculty of commerce has numerous publications to its credit in national and international journals of repute.
- Computerized office work with devoted staff.
- Introduction of Minor Specialization in Business Analytics in UG courses- existing B. Com / B.Com (Hons.)/ B. Com (Hons.) with research.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Com./ B.Com. (Hons.)/ B.Com. (Hons.) with Research (As per NEP)	3/4 Years	Have passed senior secondary examination (12th grade) with at least 50% marks in aggregate in any stream(45% for SC/ST) Or have passed senior secondary examination from Hunar Sikhia School with relevant subjects.
M.Com. (Hons.) (As per NEP)	2 Years	Have passed Bachelor of commerce (Regular, Hons.)/Bachelor of Business administration with at least 50% marks in aggregate in any stream (45% for SC and ST)
Ph.D.	As per UGC Guidelines	As per UGC norms

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

DEPARTMENT OF MANAGEMENT & HOTEL MANAGEMENT

The Department of Management and Hotel Management at Sant Baba Bhag Singh University, established in 2015 is dedicated not only to providing comprehensive education but also practical exposure in the fields of business management and hospitality. The Department facilitates a unique approach for students to obtain an extensive insight of several business-related ideas, including Finance, Business Analytics, Marketing and Digital Marketing, Human Resources and many more.

Vision of the Department

To attain global prominence by developing thought leadership, innovative solutions, and responsible business leaders through flexible, values-based management education driven by high impact research.

Mission of the Department

To provide high-quality and values-based management education to nurture business leaders with global outlook; conduct cutting edge research to contribute to the body of knowledge in management; and offer innovative management solutions to our students integrating technology and management for a sustainable world.

Objectives

- To bring leadership qualities and critical decision-making abilities when faced with outer world competition.
- To serve as a tool for upliftment and betterment of the society with design thinking and entrepreneurship.
- To bring the creativity to solve problems within, markets, business environment and foreign cultures.
- To motivate, lead and develop the industry ready students.
- To have a willingness to learn from other cultures and bring an openness to expand traditional business ideas.

SALIENT FEATURES

- Management department possesses essential business abilities that enhance organizational performance and facilitate favorable transformations.
- Management departments know how to use resources effectively and efficiently; the management department enhances the skills of the students to fulfill the needs of industry.
- Management always manages people and work effectively with long term strategies and planning; in the department, students enrich by adopting the contemporary teaching and research practices to ignite the skills among the students.
- The department adopted academic flexibility through strong industry academia interactions with aim to reduce the gap within.
- The department concentrate on students' employability, entrepreneurship, advanced education, and competitive assessments.
- Dedicated team of Faculty member

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
BBA/ BBA (Hons / Hons with Research) (Finance, Marketing, Human Resources) (in association with IBM)*	3/4 years (As per National Education Policy)	10+2 or its equivalent examination in any stream conducted by a recognized Board / University or Or have passed senior secondary examination from Hunar Sikhia School with relevant subjects.
MBA (Finance, Marketing, Human Resources, Information Technology, Agri-business, Business Analytics*)	2 Years (As per National Education Policy)	Graduation in any stream with 50%marks
Ph.D	As per UGC Guidelines	As per UGC Guidelines

*(IBM Certification Optional)

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

HOTEL MANAGEMENT

The Department offers Bachelor of Hotel Management and Catering Technology, Masters of Hotel Management and Catering Technology and specialized Diploma in Food Production. The curriculum involves theory as well as practical subjects (Food Production, Food & Beverage Service, Front Office and Housekeeping) that are carried out in fully equipped labs. The curriculum also involves industrial & On Job training modules (six month) that enables students to actually visit the star hotels and get on hand experience in different department of hotel.

SALIENT FEATURES

- **Basic Training Kitchen (BTK):** This is where these budding professionals are fine polished to prove their metal in the industry, and are trained in the planning and preparation of Indian and International Cuisine.
- **Basic Training Restaurant (BTR):** Here the students are trained to understand and perform the fundamentals of food and beverage, to pay attention to the needs of guests and learn to deal various situations through face to face encounters during service practices.
- **Front Office/Housekeeping:** Front office also known as heart of the hotel and is the first as well as last point of contact with guests. Housekeeping is the backbone of the hotel. In housekeeping the students are able to learn various aspects of cleaning, maintenance and aesthetic management essential for operational success.
- **Bakery:** A bakery is an establishment that produces flour- based food products and baked in an oven. Various products are prepared and baked in labs such as bread, cakes, pastries and pies.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
BHMCT	4 years	Should have passed 10+2 examination with at least 45% (40% in case of candidate belonging to reserved category) at the qualifying examination Or have passed senior secondary examination from Hunar Sikhia School with relevant subjects.
MHMCT	2 Years	Graduation in Hotel Management or equivalent, from any recognized University with not less than 50% marks in the aggregate. Reservation as per Govt. policy.
Ph.D. (Hotel & Tourism Management)	As Per UGC Guidelines	As Per UGC Guidelines
Diploma in Food Production	1 Year	10+2 in any Stream passed with English as compulsory Subjects from recognized Board with minimum 50% of total marks. Reservation as per Govt. policy.

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate and 10 admissions to postgraduate courses.

BACHELOR OF TOURISM AND TRAVEL MANAGEMENT (BTM)

Bachelor of Tourism and Travel Management (BTM) is a specialized four-year undergraduate program that prepares students for dynamic careers in the ever-evolving tourism and travel industry. With tourism emerging as a key driver of global economic growth, the BTM course at SBBS University offers students a unique opportunity to gain both academic knowledge and practical experience in this vibrant field. BTM also emphasizes industry exposure through industrial training, on job training, field trips, and live projects, allowing students to gain hands-on experience and develop a deep understanding of customer service, tour planning, and destination management.

The course aims to create skilled professionals who can excel in careers such as Tour Managers, Travel Consultants, Destination Experts, Event Coordinators, and more.

This course is specially designed so that students would be able to work in roles of:

- Tour Manager
- Travel Agency Executive
- Itinerary Planner
- Destination Manager
- Travel Sales Consultant
- Customs and Immigration Management
- Tour Guide
- Travel agents and Tour operators

SALIENT FEATURES

- **Industry-Relevant Curriculum** – Focuses on tourism, travel, and hospitality management.
- **Practical Training** – Includes internships, field visits, and real-world exposure.
- **Multidisciplinary Approach** – Combines management, communication, and cultural studies.
- **Career-Focused** – Prepares students for diverse roles in the tourism and hospitality sector.
- **Soft Skills Development** – Enhances communication, personality, and customer service skills.
- **Global Perspective** – Covers international tourism trends, policies, and global organizations.
- **Entrepreneurial Opportunities** – Encourages innovation and self-employment in tourism.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
BTM	3/4 Years (As per National Education Policy)	10+2 in any stream from Hunar Sikhia School (HSS)/PSEB or any recognized board with English as a compulsory subject Minimum marks required are 50% (relaxed to 45% for SC/ST candidates).

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

DEPARTMENT OF EDUCATION

University Institute of Education is a co-educational institute, established in 2005, recognized by NCTE and now it is a constituent unit of Sant Baba Bhag Singh University. The Institute is committed to produce dedicated and professionally groomed teachers as per the contemporary requirement of the global society. The vision of the department is, "To encourage each and every child to get educated, acquire knowledge and wisdom so as to learn the art of leading a happy, successful and meaningful life."

SALIENT FEATURES

- Latest technology equipped classrooms and well qualified & experienced faculty.
- Well equipped Resource Centres as recommended by NCTE (Language, Computer & e-learning, Educational Psychology, Educational Technology, Science, Social Science, Mathematics, Music, Art & Craft and Cooking Resource Centres)
- Innovative and student centered teaching strategies are being used by the faculty which includes multi sensory teaching, remedial teaching and participatory teaching-learning.
- Giving special emphasis on development and communication skills and preparation of Competitive exams like CTET, PTET and NET.

PROGRAMMES OFFERED

DEPARTMENT OF TRAINING AND PLACEMENT

OVERVIEW

The Training & Placement Department at SBBSU is comprised of a dedicated team of professionals committed to helping students secure employment through campus recruitment. We aim to foster placement opportunities for deserving students by engaging top-tier corporations for campus placements. We conduct various initiatives such as pre-placement training and industry-institute interface and organize conferences and seminars.

Our seasoned team communicates closely with leading corporate entities, continuously assessing industry expectations. Through a robust industry-institute interface, we tailor special programs to equip students with the skills to meet industry demands. This proactive approach has led to the successful placement visits of several renowned corporations at Sant Baba Bhag Singh University.

ENTREPRENEURSHIP

Embarking on the journey of starting a business can initially appear intimidating. Yet, there's encouraging news for university students: SBBS University offers the essential resources to foster successful entrepreneurship. The Department of Training & Placement has partnered with GNDEC-STEP to facilitate this endeavor through the SBBS University Centre for Entrepreneurship Development (SUCCEED).

INDUSTRIAL VISITS

Organising industrial visits primarily aims to familiarize students with real-world working environments. Additionally, the department offers a chance for students to learn about industrial practices and emerging technologies.

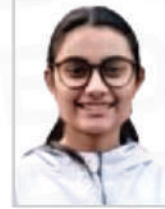

PLACEMENT PORTAL

The department launched a placement portal to easily access job opportunities at the SBBS University website under the placement section (<http://sbbsuniversity.ac.in/placement/training-placement-portal.php>)

CENTRAL FACILITIES

COMPUTER CENTRE

The University has centralized computer centre to cater to the needs of faculty, staff and students in addition to facilities available in various departments of the university. The computer centre is well equipped with personal computers of latest configuration, Core 2 Duo, i3, i5 (8th/10th/11th Generation). It facilitates the students and the faculty in developing a number of research applications. The university is well connected with 500 Mbps dedicated 1:1 Internet leased line connectivity. The university has also a backup line of 50 Mbps leased line. The University campus has Wi-Fi compliance available 24x7. University has a Microsoft Cloud Campus Agreement License Kit with unlimited licensed software, Oracle certification. The following facilities are available in different sections of the computer centre.

SERVER ROOM

High Configuration Servers are provided in the Server room (AIX IBM p505 series server, IBM x3250M4 and IBM x3200M3 Servers) supporting university website Hosting server, Library Automation Server, Internet Bandwidth Management Server, IMS Server, Biometric Management Server and email server.

FACULTY LAB

Faculty Lab is well equipped with appropriate internet connectivity. It provides the internet facility to the faculty and staff which helps in the continuous improvement of knowledge, teaching methodologies, project work and research.

STUDENT SERVICE CENTRE

The Student Service Centre is well equipped with latest configuration personal computers, equipped with laser 3 in 1 printer, scanner and DVD writer. It provides the facility to the students for taking printouts and scanning of documents and writing of CD's and DVD's for the assignments, lectures.

INTERNET LAB

Internet laboratory provides facilities for academic and technical development which helps the students to prepare for the global market. The campus is provided with efficient network with 24 hours Wi-Fi Connectivity. Database lab is used for teaching concepts of Database Management System and is equipped with Oracle Server & SQL Server. Remote experiments are carried out in collaboration with IIT Delhi. Students also get benefit of working and obtaining credits through MOOC Course.

MEDIA STUDIO

The university has a high-tech media studio provided to the faculty and staff to conduct and manage events online.

National Cadet Corps (NCC)

Senior division of National Cadet Corps (NCC) is available to all suitable candidates in the campus of the University. NCC unit is attached with the 8 Punjab Battalion NCC, Phagwara.

Motto of NCC : Unity and Discipline

Rabindranath Tagore said that every time a child is born, it shows that God has not lost faith in mankind. The National Cadet Corps (NCC) is the world's largest uniformed youth organization. NCC provides the right environment to motivate the youth to join the armed forces. Therefore, this University with the help of 8 Pb Bn NCC try to highlight the motivational techniques adopted for NCC cadets as Defence Services have unique conditions like risky nature of job, difficult and hazardous working condition, frequent job rotation & periodic transfers. Motivation is a key factor in enabling conventional armies to win conflicts in daily life and in job also.

CENTRAL LIBRARY

Sant Baba Bhag Singh University has a Central Library and branches in the University Institutes; it is the central service unit to facilitate help in creation of new knowledge and information through the Current Awareness Services (CAS), Selective Dissemination of Information (SDI), E-resources, print and non-print resources. The Sant Baba Bhag Singh University Central Library serves as a model of an evolving and dynamic facility in technical learning. The library, as an established knowledge hub that is conveniently accessible by those associated with the University, has a major contribution and making top ranked Academic & Research driven university. The Library's collection comprises hybrid resources (Print & Electronic) in the field of science and technology, engineering, management, law and hotel management. The Library also has a separate Internet section consisting of a number of networked terminals for providing recent and most comprehensive access to online journals, online databases and other online reference resources to the faculty, students and staff under Intranet and Internet environment. The Central library has automated all its routine activities through library software E-Granthalya, D-Space Institutional repository and also extended the scope of various services like CD-ROM database search, OPAC and Web based OPAC. New Arrivals have Databases of books in English, Punjabi and Hindi languages. As soon as new books are purchased and processed, their bibliographic description is added in the OPAC. Computer terminals have been dedicated for the readers to use OPAC for their search of books. In addition to OPAC this facility is also available on INTRANET within University Campus to benefit the students/faculty members by giving access to catalogue at their respective departments. The entire library collections including book, e-books, journals, databases can be searched and browsed through the Web enabled Online Public Access Catalogue (OPAC). Users can access the OPAC to find out the real time availability of books, CDs, Thesis, dissertations etc, from the computer terminals, webpage of the library, faculty and students can hold the library resources which is on Loan. The Library offers computerized Catalogue Search Services through the Web OPAC (Online Public Access Catalogue). The bibliographic records consisting of books, pamphlets, reports, Thesis and Dissertations are available in the Central Library of Sant Baba Bhag Singh University can be searched through this interface. To access Web OPAC sufficient numbers of PCs are placed in the user's area. Timing of Library is from 8 AM to 11 PM.

Mission

The mission of our Central Library is to provide comprehensive information to fulfill the needs of the Sant Baba Bhag Singh University Central Library community and to support the Institute's mission to contribute to society through the pursuit of education, teaching, learning and research at premier levels of excellence.

Vision

In this preferred future, Library makes certain that its collections remain forward-looking, diverse in print, non-print, e-resources and form. Through promotion, the Library makes its users aware of the resources available to them, and through innovation, it makes access to these resources easier. To serve potential users, the Library conserves information across all formats and ensures effectual storage and deliverance scheme. The Library's cooperation with expanding circles of associates yields unified access, broadening knowledge, and enhanced services.

DrillBit Plagiarism Checker Software

Faculty members, Research scholars, and PG students having the Sant Baba Bhag Singh University Central Library domain email id may contact plagchecksbslibrary321@gmail.com for availing the facility of plagiarism checker software DrillBit.

MAJOR HIGHLIGHTS OF SANT BABA BHAG SINGH UNIVERSITY CENTRAL LIBRARY

- Sant Baba Bhag Singh University Central Library academic community is well catered by all departmental libraries. There are more than 10000 e-journals and number of e-books on all subject fields. The Central Library is having sufficient print resources such as books, journals, magazines, maps, drawings and non-print resources.
- The Central Library system and Institutional libraries subscribes number of journals, magazines and newspapers.
- Library system also provides ICT based resources to its users, such as e-books, e-journals, databases. The E-resources subscribed by University Library are J-Gate, **DELNET**, **EBSCO**, **Shodhganga**, **Shodhgangotri**, **Shodhsindhu**, **INFLIBNET**, **NDL** etc.
- Central Library of the university also manages finest Institutional Repository for thesis and dissertations. A high-quality number of thesis/dissertations and research reports are available in libraries.
- In addition to books, library system also possesses rare book collection, special reports, reference sources, audio-visual material etc.
- Library system uses E-Granthalya for handling day-to-day routine responsibilities of all the libraries. It makes use of Barcode system for inventory and security of library materials.
- Academic community is well catered by the Central and as well as all departmental libraries.
- Central Library of the University also manages an Institutional Repository for thesis and dissertations.
- A good number of thesis/dissertations and research reports are available in libraries.

Printed e-journals

Central Library is subscribing Foreign and Indian e-Journals and e-books. The library is a member of DELNET, National Digital Library (NDL), and is subscribing the e-journals and e-books, thesis, audio, video, book series and conference proceedings through J-Gate.

DELNET

Central Library is a member of DELNET (Developing Library Network). This will help the faculty and researchers to procure those e-books, e-journals, rare books, Language Gainer Portal, Knowledge Gainer Portal, thesis, dissertations and documents which are available on DELNET.

Computer Section

The library has its own computer section. All library operations such as housekeeping, bibliographic services, cataloguing of new books, preparation of data base of books with complete bibliographical details of all books and serial control are carried out by computer section. Bar-coding of books is being done at a rapid speed in order to make the circulation work fully computerized. It has prepared a number of databases of books, periodicals, manuscripts etc.

Website of Sant Baba Bhag Singh University Library

Sant Baba Bhag Singh University Library has its own webpage. The address of this webpage is <http://www.sbbsuniversity.ac.in/central-library.php>. This website contains useful information about library services, e-journals and e-books, theses, audio, video, book series and conference proceedings, subscribed e-journals and list of Ph.D. theses. Website is updated regularly in order to cater the needs of the users.

Digital Section

Soft copies of M.Phil. dissertations and Ph.D. theses in the form of CDs are deposited in this section. CDs with books are also available in this section. Students, researchers and faculty members can have access to these CDs in this section.

Project Digitization

Central Library has started the digitalization of the thesis, dissertations, project reports, rare books, manuscripts and important documents are being digitalized and the thesis, dissertations, project reports, rare books, manuscripts and important documents are being preserved.

Reading Hall

Central Library has a reading hall, which remains open from 8:00 AM to 9:00 PM. Library attendants remains present at every time in the reading hall to provide assistance to the students.

Current Awareness Service

Students, research scholars and faculty members are constantly kept aware of the latest books added to the library through display of selected books and book jackets in the new arrival corner. Displays are also organized on various occasions. 'Books of the month: bibliographical detail of the books', is sent to all the departments from time to time in printed form as well as through e-mail. Articles, news clippings are also sent to the research scholars and academic community of the Sant Baba Bhag Singh University.

Orientation Programmes and Awareness programs

Library Orientation Programmes and Awareness programs are arranged for the new students in the beginning of the session to familiarize them with various library services, sections of the library and their working. Free training to use Internet is also provided to the new students. Library Orientation Programs and Awareness programs are also organized for the students of the different schools to make them aware about the facilities being provided in the Central Library.

HOSTEL FACILITIES

While studying at SBBSU you will have the choice of living in SBBSU's hostels. You can also choose to live at home or in the private rented sector.

OUR VIBRANT COMMUNITY

Separate boys & girls hostels are available. The hostel rooms are fully equipped with adequate modern furniture & fixtures.

The facilities for recreation, indoor games, guest rooms, telephone, 24x7 water/electricity supply and medical facilities are available in the hostels. A central totally hygienic kitchen/mess for hostels has been established in each hostel.

100 Mbps centralised Wi-Fi facility and Gym facility are at the disposal of students in the hostels.

TRANSPORT FACILITIES

The University has a fleet of 51 buses plying from various cities/locations e.g. Goraya, Phagwara, Jalandhar, Hoshiarpur, Dasuya, Mukerian, Bhogpur, Garhdiwala, Allawalpur and Mahilpur. Additional buses to any other city/location can be arranged if it is financially viable.

MEDICAL FACILITY

Central dispensary has been established to provide the first aid in case of any medical problem. An ambulance is also available in the campus to take the students to Guru Nanak Sadh Sangat Charitable Hospital, Kalra (being run by SBBSMCS) in case of medical emergency.

SPORTS FACILITIES

Physical fitness is as necessary as education to develop a well-balanced personality. Sports enable us to lead a healthy life paving way for a sound mind and body. It not only keeps our body fit but is also a good tonic for our mind.

Special emphasis is laid on sports and extra co-curricular activities at SBBSU. Significant facilities for such healthy activities within campus are as follows :

- 400 meter track for Athletics
- Table Tennis Hall
- Cricket Ground
- Handball Court
- Kickboxing
- Gymnasium
- Football Grounds
- Badminton Court
- Basketball Court
- Power Lifting & Weight Lifting
- Kabaddi Ground
- Kho Kho Ground
- Volleyball Courts
- Shooting Range
- Hockey Ground
- Wrestling
- Cross Country

Being a student at SBBSU is not only an enriching experience from an academic perspective you'll also become part of a diverse and active student community with countless ways to get involved, meet like-minded people and develop new sports skills for the future.

CENTRAL INSTRUMENTATION FACILITY (CIF)

Central Instrumentation Facility (CIF) is a central facility dedicated for the highly sophisticated and high end instruments which are meant to be used by students/ scholars/ researchers from all fields of Sciences and Technology to promote multi-disciplinary research in SBBSU. The objectives of CIF are as follows :

- To promote excellence in teaching and advanced research in various disciplines of Sciences under one roof to instruments and other facilities.
- To strengthen the scientific and technological infrastructure, SBBSU is developing a state-of-the-art CIF with sophisticated promoted multi-disciplinary research as mentioned in National Education Policy (NEP).
- Besides the students/learners/researchers/teachers of SBBSU, this CIF shall also cater to the needs of all those researchers who are deprived of such facilities including academic research institutes, other Higher Education Institutes, private Companies/ Industries/laboratories etc. at nominal charges.

SANT BABA MALKIT SINGH JI MEMORIAL CENTRE OF PREPARATIONS FOR COMPETITIVE EXAMINATIONS

"Sant Baba Malkit Singh Ji Memorial Centre of Preparations for Competitive Examinations is established at Sant Baba Bhag Singh University to create awareness and encourage the learners of SBBSU/ youth of rural area and/or to help aspirants compete in various state/national/international level examinations (NET/SLET/ GATE/GMAT/ CAT/GRE/ TOEFL/Civil Services/State government examinations). The centre shall focus on cultivating the interest and providing specific training required for such Examinations/ necessary exposure to competitive environment.

SANT BABA MALKIT SINGH JI CHAIR

Sant Baba Malkit Singh Ji Chair is established at SBBSU which provides scholarships to promote and encourage research among the scholars of the university. It was started at the initiative of Dr. Harpreet Singh & Dr. Anita Rani (she is working as a chair fellow). Apart from carrying out various research projects, national/international seminars/conferences, publication of rare books is also being done under this chair. It also offers scholarships for research on the 'Nirmala' Sampradaya, the sect or spiritual lineage to which Baba Ji belonged.

SRI GURU GRANTH SAHIB CHAIR

The Department of Humanities has been committed to research and reflect on Sikh history and Sikh philosophy since its inception. Realizing the relevance of Sikh philosophy in the entire knowledge traditions of the world and the need for contemplation and great effort regarding the universality of Sri Guru Granth Sahib Ji, the Sri Guru Granth Sahib Chair has been established. The entire work of research and contemplation under this chair is dedicated to the Universality of Sri Guru Granth Sahib Ji. It is worth mentioning that under the 'Sant Baba Malkit Singh Memorial Chair' established earlier, the research work related to Nirmala sect and Sikh thought is going on very seriously.

SPORTS ACHIEVEMENTS

The Department of Sports at our university stands as a pillar of excellence, fostering a culture of discipline, teamwork, and relentless determination. With state-of-the-art facilities, expert coaching staff, and a legacy of outstanding achievements, the department empowers students to push beyond their limits on and off the field. It is not just a hub for athletic training but a breeding ground for leadership, resilience, and sportsmanship. Whether competing at the national level or representing the university with pride, our athletes embody the spirit of dedication and the pursuit of greatness. The Department of Sports is more than a training ground it is where passion meets performance, and champions are forged.

A RAGGING FREE CAMPUS

According to UGC guidelines, the definition of ragging states that any conduct whether by words spoken or written or by an act which has the effect of teasing, treating of handling with rudeness any other students, indulging in rowdy or indisciplined activities which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a junior student to do any act or perform something which such student will not in ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect physique or psyche of a fresher or junior student.

Anti-Ragging Affidavit

Every student (fresh & old) has to submit Anti-Ragging Affidavit every year on the below mentioned link as per the guidelines and dates specified by UGC/ MoE, Govt of India by 1st November

https://www.antiragging.in/affidavit_registration_disclaimer.html

As per the directions of the Hon'ble Supreme Court of India, if any incident of ragging comes to the notice of authority, the concerned student shall be given the liberty to explain and if his/her explanation is not found satisfactory, the authority would expel him/her from the University.

Enjoy an energetic student experience brought to life by events, entertainment, sports, clubs, volunteering opportunities and more. Get involved and build lasting friendships along the way.

IMPORTANT INSTRUCTIONS FOR THE STUDENTS

- According to the Hon'ble Supreme Court of India, Ragging in Educational Institutions is banned. Ragging is a Cognizable Offence.
- Senior students are advised not to indulge in Ragging. Ragging entails heavy fines and/or suspension/expulsion.
- Ragging is an undesirable social offence which is totally banned in the University.
- In case, the applicant for the admission in the University is found to have indulged in ragging, admission may be refused or he/she shall be expelled from the University.
- In case of the Ragging, please do not keep quiet, report it to the authorities immediately.
- It is mandatory for the parents to report immediately to the Authorities of the University in case their ward informs them about ragging.

RULES & REGULATIONS

A. GENERAL RULES

- A student shall conform to high standards of discipline and shall conduct himself/herself, within and outside the premises of the University, in a manner befitting the students and the University.
- He/She shall have a seriousness of purpose and shall in every way train himself/herself to lead a life of earnest endeavour and co-operation.
- He/She shall show due courtesy and consideration to the employees of the University and good neighbourliness to his fellow students, respect to the wardens of the hostel and the teachers of the University and pay due attention and courtesy to the visitors & members of society and other officials of the University.
- Ragging in any form is banned. Ragging is a criminal offence as per the Supreme Court ruling and FIR shall be registered against the student(s) found indulging in the crime.
- To safeguard its ideals, character and personal behaviour, University reserves the right to expel the students from the institution for any reason deemed sufficient.
- The Head of Department (HoD) can impose minor punishment such as fine up to ₹500/-. HOD can place a student under suspension from class/hostel in case of gross indiscipline on the part of student.
- Major punishment such as expulsion/rustication from the University, debarring the candidate from appearing in the university examination shall be executed by Dean Academics/Registrar on the result of enquiry conducted by disciplinary committee.
- Students and their parents/representatives are forbidden from addressing members of SBBSMCS Authorities.
- Consumption of non-vegetarian food, alcohol or any other intoxicant and smoking etc, are strictly prohibited in the University Campus.
- The guilty students shall be liable for punishment and disciplinary action which may include suspension, expulsion from the University or hostel or imposition of fine or both.
- Semester tuition fee and fine imposed, if any, is to be deposited in time, failing to do so may lead to suspension from classes/debarring from appearing in examination.
- All kinds of shouting or any act of movement or behaviour that is likely to cause disturbance of the teaching is strictly prohibited.
- Every student is to see that no damage is done to University property. Fitting and repair charges for the damage [intentional or negligence] are to be borne by the student.
- Regarding availing bus facility by the existing students, minimum three (03) months fee will be charged from the student if he/she discontinues availing the facility before mid-session or starts availing the facility after mid-session. Similarly full six months fee will be charged if he discontinues availing the facility after mid-session or starts availing the renewal facility before mid-session.

- The University reserves the right to make amendments in these rules & regulations from time to time.
- Eligible SC, ST, OBC, PWD students etc. should apply for the respective scholarship scheme for as per the guidelines issued by the State/ Centre Govt. from time to time.
- All disputes pertaining to admission under the domain of admission brochure/prospectus are subject to the jurisdiction of the Courts of Jalandhar (Punjab) only.

SHIFTING OF COURSE

After the start of session, shifting will be made on the recommendation of COD/HoD/Dean and approval of the competent authority. For this purpose, fee deposited by him/her will be adjusted after charging ₹2000/- (for each shifting) as shifting charges fee.

MEDICAL FITNESS CERTIFICATE

The students will have to produce the medical fitness certificate from the Registered Medical Practitioner.

REFUND POLICY

The University follows the fee refund policy of UGC. The amount of fee to be refunded to a student, in case he/she chooses to withdraw from the programme of study in which he/she is enrolled, shall be as given below:

Category	Percentage of Refund of fees*	Point of time when notice of withdrawal of admission is received in the HEI
1	100%	15 days or more before the formally notified last date of admission
2	90%	Less than 15 days before the formally notified last date of admission
3	80%	15 days or less after the formally notified last date of admission
4	50%	30 days or less, but more than 15 days after formally notified last date of admission
5	00%	More than 30 days after formally notified last date of admission

Students entitle the refund of their any type of security after the completion of their study within one year.

UNIFORM/ DRESS CODE

In addition to being a valuable asset of the University, every student is also its brand ambassador. The conduct, behavior and the personal appearance of the student reflects on him as well as the University.

Thus, it is important for all students to follow the defined dress code/Uniform as per the notice/ circular issued in this regard. The students can purchase uniform from anywhere outside as per his/her choice.

It is mandatory for all the students to wear prescribed uniform as per dress code from 01 October 2025 onwards and 1st day of all other semesters. Students not wearing uniform will be fined ₹100/- per day.

- A student found guilty of using unfair means during the examination will be given deterrent punishment. He/She may even be expelled from the University or disqualified from appearing in the University examination.

PROHIBITION OF USE OF INTOXICANTS/DRUGS

In recent times, there has been a noticeable rise in the incidence of the use of banned and prohibited substances by students. Besides being harmful, ingestion of these substances reduces inhibitions, increases risky behaviour, and often results in situations that put the health and safety of students, both the user and others, in serious jeopardy. Consequently, the possession, consumption or distribution of alcohol, or any intoxicant substance/ banned drugs that can induce an altered state of mind and behaviour in a person, is prohibited at Sant Baba Bhag Singh University. In addition, possession, distribution and use of cigarettes and tobacco are also banned for the health and well-being of all on the campus.

Any student/visitors found using, distributing or in possession of any Prohibited Substance will, in addition to the provisions of this Policy, also attract prosecution under the relevant laws. Such students may be suspended or expelled from the University.

- Possession, distribution and consumption of alcoholic beverages, prohibited drugs, chewable tobacco and smoking in the hostel complex is not allowed.
- Parties/Gathering in hostel complex are not permitted without the prior and written consent of the chief warden.
- Hostellers must return to the hostel by 6.00 pm in winter and 7.00 pm in summer on off days after vacation or holidays as intimated by authorities.

- The hosteller will be allowed to stay out of hostel on submission of proper application duly authorized by parent and only if the permission is granted in writing by the authorities.
- Hostels should be a place where students can have the best possible conditions for studying and adequate rest. As such due consideration must be accorded to other hostellers at all times. Noise level must be kept low to allow other's opportunity to study and sleep in comfort. Television, Radio etc. provided in the common room must be switched off after 10.00 pm. These rules are intended to ensure a conducive environment for all hostellers. Personal music systems, woofers, etc. are not allowed. Students may listen to music by using earphones.
- Vandalism is very serious offence. Hostellers found guilty of committing such an offence can be evicted from the hostel and penalized.
- In case of any unacceptable behaviour by the room-mate, the other room-mate must report it to the college authorities.
- All kinds of shouting or any other act of movement or behaviour that is likely to cause disturbance or annoyance is strictly prohibited.
- Maltreating or showing disrespect to the hostel employees and canteen staff is strictly prohibited. In case of any complaint against them, the report should be made to the Hostel Warden.
- Dealing in general and specially with fellow students should be very courteous and polite. All disputes with fellow boarders should be avoided. Students must not take law into their own hands, but must report all disputes to the Hostel Warden.
- Teasing, maltreating or indulging in any sort of RAGGING of the newly admitted students is strictly prohibited. Serious disciplinary action will be taken against the defaulting students in accordance with the directions of the Hon'ble Supreme Court of India.
- A boarder found guilty of having committed a breach of rules shall be liable to the punishment by the Warden as under.
 - The Hostel Warden may issue a warning and/or impose fine on a defaulting student and may recommend expulsion from the Hostel/University.
 - Rules listed on the wall at the entrance of the hostel must be read and strictly adhered to.

UPKEEP OF THE HOSTEL

- Hostellers are responsible for keeping their rooms clean and help in keeping common areas in the hostel such as visitor's area, bathrooms, stair case and common room etc. clean and tidy at all times.
- All fans, lights and electrical appliances must be switched off when not in use.
- Cooking, making tea, etc. is not allowed in the hostel rooms.

- Common hostel furniture must not be moved without the permission of the chief warden.
- Any damage to the hostel property must be reported immediately to the Warden/Chief Warden. Defaulting hosteller will be charged for all damages except damages caused by normal wear and tear.
- Pasting of posters, writing, wall chalking, slogans of any kind or defacing the hostel in any form is not allowed.
- The hostel management reserves the right to make spot checks during day & night on the hostel and rooms without having to give prior notice to the students.
- Electrician, contractors or any other service person may enter the room as and when necessary in the course of their duty under the directive of the warden/chief warden. However, every effort will be made to respect the privacy and dignity of the hosteller.
- The hostel management reserves the right to move hostellers to other hostel room/units if there is a necessity.

EMERGENCY

- In case of any emergency please contact the Warden/Chief Warden or call hostel authorities.

MEDICAL

- Hostellers should immediately inform the warden/chief warden in case of any medical problem to get immediate first aid or general medicine from Medical Room.
- Ambulance, if necessary, will also be available to send the student to Guru Nanak Sadh Sangat Hospital, Kalra, on the advice of in-charge, Medical Room.

VISITORS

Visitors including parents are allowed only into the visitors area of the hostel during the visiting hours as follows:

Weekend (Saturday) - 3.00pm to 6.00pm

Weekend (Sunday) and holidays - 9.30am to 4.00pm

- All visitors must register at the guard house/warden office and provide all details and documents as requested by Security before entering the hostel complex. All visitors must leave the hostel complex by the laid down timings.
- Hostellers are not permitted to allow their visitors into rooms at anytime for whatever reason. Any hosteller found violating this rule will be evicted from the hostel and penalized.
- Non-hostel students are prohibited in the hostel without the permission of warden. The students who violate this will be answerable to the warden.

SECURITY

- The hostel management is not responsible for any loss of private property. Hostellers are strongly advised to lock all their valuable e.g. Mobile Phones, Laptops, Watches, Money, etc. at all times.
- Hostellers are not permitted to change rooms or sleep anywhere other than in their own room.

- Any hosteller, who finds his/her room-mate missing after the roll call, or for more than 12 hours in day time, must report to the Warden/Chief Warden immediately. This enables the hostel authorities to take immediate action. Cooperation of the students will be very much appreciated.
 - Possession, distribution and use of Fire Arms, Lethal Weapons including Air Gun, Contraband, Electric Appliances such as TV, VCR, Heater, Iron, electric kettle, Oven etc. in the rooms are prohibited.
- Pets are not allowed in the hostel complex.

REVISION OF RULES AND REGULATIONS

- The hostel management reserves the right to revise the rules and regulation from time to time and will keep the hostellers informed of any changes in the form of notices on the hostel notice boards. Ignorance of rules will not be accepted as an excuse.

COMPLAINTS AND SUGGESTIONS

Any complaints, suggestions or enquiries are always welcome.

ADDITIONAL HOSTEL RULES FOR GIRL STUDENTS

- Each student shall present herself in the warden room to get herself marked present from 6.00 pm to 7.00 pm daily from Monday to Sunday except for the weekends commencing Friday evening to Monday morning, in case they are going home.
- For leaving from hostel, a slip shall be signed by the Warden putting the date and time of departure. This slip shall be signed by one of the parents after noting down the time and date at which the student reached her home.
- The same slip shall be signed by the parents noting the time and date of leaving from home for the University. The slip will be deposited with the Chief Warden/Warden.
- No student shall take a lift from any known or unknown person for going home and returning to the University/hostel. Only public transport or transport provided by SBBSMCS is to be used.
- For emergencies, the parents are requested to take their wards home personally or through a close relative duly authorised in writing and whose photographs are in the hostel record.
- A family photo of a girl student with father, mother, brother, sister, local guardian, etc. duly signed by each member, shall be kept in the records.
- Parent shall sign an affidavit regarding permission in case of they are willing to permit their student daughter to travel under her own arrangements independently from/to hostel. Before the start of session candidate is allowed to shift from one general course/department to another general course/department.
