2024-25

Our Pioneer

HON'BLE SANT BABA MALKIT SINGH JI

Founder Chancellor : Sant Baba Bhag Singh University

Founder President : Sant Baba Bhag Singh Memorial Charitable Society

Founder Chairman : Sant Baba Bhag Singh Educational Complex

The saint and seer who encouraged the society to find the remedies of ills plaguing us, was born with a firm conviction that there is no religion larger than humanity. He worked selflessly for the upliftment of the poor and made sure that there is no discrimination over caste and religion. The missionary zeal of Sant Baba Malkit Singh Ji resulted in the transformation of a great seat of learning where high quality scientific, technical and moral education is imparted. He took upon himself the task of fulfilling the vision of his mentors by encouraging the youth of this backward, rural and flood ravaged area towards the path of progress through authentic and affordable education. The life and deeds of Sant Baba Malkit Singh Ji were marked with selflessness and impartiality, dedicating his life to the service of mankind and by living through honest means.

His total commitment to the service or *sewa* brought his life to a full circle. He realized that a strong moral character, physical well-being, strength, emotional and aesthetic abundance are essentials of a meaningful education. He sturdily advocated that an individual development is of no meaning unless used for the betterment of the society. A natural consequence of a true education, according to Sant Baba Malkit Singh Ji, is service of the society through honest means where resources are shared, inequalities are bridged and discrimination is abolished. Convinced that a combination of knowledge, action and devotion can bring about physical and spiritual transformation of individuals as well as the society, he founded Sant Baba Bhag Singh University in 2015 as a great seat of learning.

He worked selflessly for the upliftment of the poor and made sure that there is no discrimination over caste and religion.

SANT BABA DLAWAR SINGH JI (BRAHM JI)

- Second Chancellor : Sant Baba Bhag Singh University
Second President : Sant Baba Bhag Singh Memorial Charitable Society
Second Chairman : Sant Baba Bhag Singh Educational Complex

The benevolent Sant Baba Dlawar Singh Ji, also remembered as “Brahmji”, will always remain a guiding spirit for all of us. He was a “great saint”, who devoted his whole life for the betterment of mankind. From his early childhood he was inclined towards Sri Guru Granth Sahib Ji. He came into contact with Dera Santpura Jabbar Sahib and decided to surrender his life to this dera. With the passage of time, he realized that he found his niche here under the guidance of Sant Baba Malkit Singh Ji. Charity and spiritual learnings were the hallmarks of his enlightened personality.

He toiled himself in the fields and stayed firm in his faith in education as a true means of transforming lives. He was a true environmentalist. The plantation in Dera Sahib and nearby areas was done by Sant Baba Dlawar Singh Ji. He echoed the gospel of Sri Guru Nanak Dev Ji’s “*Kirat Karo, Naam Japo, Vand Chako*” in his life. He inspired the youth of the area towards human and social welfare activities. Countless people, especially youth, remained connected to him seeking celestial blessings. He constructed a large number of bridges with the association of Sant Baba Malkit Singh Ji to facilitate the transportation of the surrounding villages.

Sant Baba Bhag Singh University is not just an ordinary University but a vision. It is a vision and dream of Sant Baba Malkit Singh Ji that was delicately fulfilled by Sant Baba Dlawar Singh Ji. After Sant Baba Malkit Singh Ji, he took all the pains to translate that dream into reality. Under his able guidance the university flourished fully, catering to the needs of the rural population of Punjab and other states. The works that he has done in his short life span, cannot be completed in many lives. He is a true inspiration for the mankind.

Sant Baba Janak Singh Ji

Mukh Sevadar, Dera Santpura, Jabbar

CHANCELLOR'S MESSAGE

I have a firm conviction that the quality education is a corner-stone for the complete upliftment of a society. Sant Baba Bhag Singh Memorial Charitable Society (SBBSMCS) was constituted to give wings to this idea of providing quality education to the poor. With the efforts of the Society and under the able guidance of Hon'ble Sant Baba Malkit Singh Ji, Sant Baba Bhag Singh University came into existence. It envisages to tap the potential of students and to carve out of them the righteous and competent professionals. I am glad that many eminent educationists and leading industrialists have joined the movement along with the general public and NRIs. I am fully confident that with the blessings of the Almighty, this endeavour would be a success and would continue to serve the society.

Sant Manmohan Singh
Chancellor

VICE-CHANCELLOR'S MESSAGE

Envisioned and initiated by the revered Saint, Sant Baba Bhag Singh Ji and then carried forward by Sant Baba Hardyal Singh Mussafir Ji and Sant Baba Malkit Singh Ji of Dera Santpura Jabbar, the dream project of rendering high-quality education at the very doorsteps of the people was realized with the establishment of Sant Baba Bhag Singh University vide Punjab Government Act 6 of 2015. The journey however began with the dissemination of primary education, then shaping up into secondary education and finally found its culmination into higher education in the form of Colleges, Institutes and finally, the full-fledged University. The Holy Saint and Founder Chancellor of the University, Sant Baba Malkit Singh Ji had a noble and philanthropic vision of providing higher education to the poor rural students of the area who could not afford to go to distant places for higher education in different programs and, therefore, worked tirelessly for the establishment of the University.

The University offers multi-faceted education with a focus on various professional programs and opportunities for growth in the fields of Engineering, Management, Sciences, Humanities, Commerce, Education, Sports, Rural Development and Agriculture. The programs vary from Undergraduate Courses to Doctoral Degrees. The University earnestly endeavours to attract students by providing liberal fee concessions, calm and pollution free environment and maintenance of proper discipline. I feel privileged to be a part of this unique University with firm commitment towards achieving excellence in all fields and becoming recognized through outstanding rankings, teaching, research and community engagement. The university aims at honing and grooming the budding and promising students into all-round personalities of whom the nation would be proud of and who would serve as role-model for the students and society as well. It is rightly said, creativity comes in "cans" and we create "cans" in our students by catering to their cognitive needs.

In a world plagued by drug menace and pollution, finding a drug-free and eco-friendly place suitable for education is scarce. But, we at Sant Baba Bhag Singh University assure of a safe and substance-free environment that keeps you focused and healthy. Moreover, we boast of a highly qualified and dedicated faculty committed to the cause of education. It will accord us immense pleasure to welcome you and see your footsteps at the university.

Dr. Dharmjit Singh Parmar
Vice-Chancellor

ABOUT THE UNIVERSITY

Sant Baba Bhag Singh University came into existence vide Sant Baba Bhag Singh University Act, 2014 (Punjab Government Act No. 6 of 2015) and is recognized by UGC under Section 2(f) of UGC Act, 1956 and accredited with B+ grade by NAAC. This University has been established in the name of Sant Baba Bhag Singh Ji, who carried forward the mission of 'NIRMALA PANTH' initiated by Sri Guru Nanak Dev Ji and Sri Guru Gobind Singh Ji, the Tenth Guru of Sikhs, to spread education for all round development of the society. Sant Baba Bhag Singh visualized that education and self-help are the transforming forces for the upliftment of a common man. To achieve this, Sant Baba Malkit Singh Ji adopted the flood ravaged rural area of Jabbar/Manko (Jalandhar) and marched on to educate people to identify their problems and then solve it by self-help. In this direction, a programme of 'Girl Education' was initiated in 1954 with a view that girl education was a step towards empowerment of the family. Carrying forward the legacy, Sant Baba Malkit Singh Ji established Sant Baba Bhag Singh Memorial Charitable Society (SBBSMCS) in the year 2000, facilitating education from Nursery to Postgraduate programmes, to make Quality Education accessible to rural youth in technical and professional streams in the Doaba region of Punjab. During the period of Chancellorship of Reverend Sant Baba Dlawar Singh Ji (Brahm Ji) all the institutions fully flourished. Now the University is making rapid strides under the illustrious leadership of present Chancellor, Hon'ble Sant Manmohan Singh Ji.

SANT BABA BHAG SINGH UNIVERSITY – INSTITUTES

- ❖ UNIVERSITY INSTITUTE OF ENGINEERING & TECHNOLOGY (UIET)
- ❖ UNIVERSITY INSTITUTE OF SCIENCES (UIS)
- ❖ UNIVERSITY INSTITUTE OF COMMERCE AND MANAGEMENT (UICM)
- ❖ UNIVERSITY INSTITUTE OF COMPUTER APPLICATIONS AND INFORMATION SCIENCES (UICAIS)
- ❖ UNIVERSITY INSTITUTE OF EDUCATION (UIE)
- ❖ UNIVERSITY INSTITUTE OF LAW (UIL)
- ❖ UNIVERSITY INSTITUTE OF HUMANITIES (UIH)
- ❖ UNIVERSITY INSTITUTE OF AGRICULTURE (UIA)

Sant Baba Bhag Singh University is committed to the creation and dissemination of knowledge through higher education with a unique blend of degrees with skill in all Engineering branches, Information Technology, Commerce and Management Studies, Pure Applied Sciences, Physical Sciences, Agricultural Sciences, Para-Medical Courses, Education, Physical Education, Medical, Computer Application, Law etc. The University offers full time as well as part time Ph.D. programmes in all streams of education. Lateral Entry is also available in various programmes.

The courses are so designed that in addition to earning a degree one also receives certification for acquired skills. Equipped with outstanding staff and infrastructure, Sant Baba Bhag Singh University facilitates skill development embedded courses to achieve its mission of imparting knowledge and strengthening students with the skills to contribute in professional as well as personal life. The University is committed to ensure bright future of the learners with outcome based in the contemporary era by putting novel efforts to work in accordance to the lurking needs in the theory ridden present education system.

The University has adopted NEP-2020 as per UGC for the holistic development of the students and germinate entrepreneurship & employability.

WHY SBBSU?

The University offers best resources and facilities to support the learning. The labs are up-to-date with cutting-edge equipments, while the library offers specialised collection of books, journals, periodicals and electronic resources far and beyond the standard texts for your course.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

With the advent of digital technology in the world, Computer Science and Engineering fields are ruling the roost. The department's mission is to empower every student to be innovative, creative and acquire skills in Computer Science & Engineering to enrich society and achieve a happy, successful and meaningful life. The department follows the outcome-based learning approach to achieve programme educational objectives (PEOs). The department focuses not only on the theoretical aspects but emphasize the overall development of the students. There are Special Interest Groups among the faculty who are focused on their research domains like Data Mining and Big Data Analytics, Wireless & Mobile Computing Security & Trust Computing, Wireless Sensor Networks & IOT, Soft Computing, Image Processing, Machine Learning and Data Analytics, Natural Language Processing, Cloud Computing and Social Networking Network Security,

Service Oriented Architecture and Theoretical Computer Sciences. The CSE department's many strengths include its high faculty-to-students ratio, state-of-the-art facilities, renowned faculty, strong focus on undergraduate education balanced with leading-edge research, and emphasis on leadership, service, and ethics. Teaching Learning process is given an utmost priority in pursuit of improving the quality of technical education. Innovative teaching aids and methodologies are used by the department towards this goal. The efficacy of the Teaching-Learning process is reflected in the consistently excellent results being achieved every year.

The students have 24 hours access to high speed broad band internet connection. To augment professional competence, the department supports in outside talents to gain more inputs, organizes hackathons, seminars, expert lectures, industrial visits, workshops and coding competitions, not only to offer a newer dimension to the learning process but also infuse leadership qualities in the budding engineers.

ENGINEERING & TECHNOLOGY

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Tech. CSE	4 years	a. Passed 10+2 examination with Physics/Mathematics/ Chemistry/ Computer Science/ Electronics/ Information Technology/ Biology/Informatics Practices/ Biotechnology/ Technical Vocational subject/ Engineering Graphics/ Business Studies/ Entrepreneurship. b. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.
B.Tech. CSE (Artificial Intelligence and Machine Learning)	4 years	a. Passed 10+2 examination with Physics/Mathematics/Chemistry/Computer Science/Electronics/Information Technology/Biology/Informatics Practices/ Biotechnology/Technical Vocational subject/Engineering Graphics/ Business Studies/ Entrepreneurship. b. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.
B.Tech. CSE (Lateral entry to second year)	3 years	a. Passed minimum 03 years Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in ANY branch of Engineering and Technology. OR b. Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to reserved category) and passed 10+2 examination with Mathematics as a subject.
M.Tech. CSE (Regular)	2 years	a. Passed Bachelor's degree or equivalent in the relevant field. b. Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying Examination.
Ph.D. CSE	As per UGC guidelines	As per UGC guidelines

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

SALIENT FEATURES

- Provides a learning environment strongly focused on collaborative and interdisciplinary research under the guidance of experienced and qualified doctorate faculty.
- The teaching programme, here, is devised keeping in view the significance of Industry-Academia interaction enabling the students to face the global competitiveness with effective communication.
- The Department regularly organizes hackathons, seminars, workshops, industrial visit, expert lectures and coding competitions. This provides a wide range of opportunities for faculty and students to bring out their potential and innovative skills in a variety of fields.
- Repository of software covering a wide spectrum of applications. The department has signed MOU's with industries, so as to build strong Industry Academia collaboration.
- Digital Library with access to journals and video lectures of eminent professors.
- Students placed in Infosys, Microsoft, Google, Wipro leading giants in IT industry.

DEPARTMENT OF CIVIL ENGINEERING

Civil Engineering is the oldest engineering discipline. Civil Engineering addresses to all the aspects of the infrastructure facilities necessary for the modern living in housing such as buildings, transportation system, water supply, urban development etc. The versatile branch of Civil Engineering is often referred to as evergreen branch as new graduates do find job of different kind/types. Civil Engineering is the most versatile and core branch of engineering comprising of structural design and analysis, surveying, geotechnical, irrigation, transportation etc. Increasing competition and complex technological breakthrough has widened the scope of Civil Engineering branch. This is basic to any kind of construction as industrial, commercial, residential in general. Civil Engineering finds wide applications in all fields of technology.

The goal of the B. Tech. graduate program in Civil Engineering is to provide students with a solid understanding of Civil Engineering solutions in a global, societal, and environmental context, in accordance with the principles of sustainable development. The course will prepare students to identify, formulate, and solve Civil Engineering problems that meet specified performance, cost, time, safety, and other quality needs and objectives while adhering to professional and ethical standards.

Our faculty has fundamental competencies to teach in all of their specialized fields along with the support of our dedicated technical staff members. Hands-on projects, field trips and industry-academic interaction together make our students highly sought after graduates by the employers at the end of the course. The department ensures not only that the courses are updated, but also that they reflect the current needs of industry and the society as a whole.

CAREER PROSPECTS

Civil Engineering is considered as one of the oldest branches of engineering. Each Civil Engineering project comes with its own set of challenges which require meticulous planning, creativity, adaptability and problem solving skills to develop infrastructure. Civil engineers will always remain in demand as development of infrastructure i.e. construction of buildings, skyscrapers, roads, highways, dams, bridges, water treatment plants, sewage treatment plants etc. to name a few, rely on their expertise and talent. Civil Engineering can offer some of the most lucrative jobs in the technology sector. Another advantage is that civil engineers can also apply for IT jobs after learning how to operate certain Civil Engineering software.

SALIENT FEATURES

- Well equipped labs based on latest technology to cater the academic need of students.
- Regular field survey and field work to get more practical knowledge and also conduct survey camp every year for 15 days in hilly areas.
- Use of automatic total station in surveying for more accurate measurements.
- Skill development classes on Auto-cad and Stadd-Pro.
- Regular conduction of seminars and visits on present traffic scenario.
- Well experience teaching and non teaching staff is one of the greatest assets of department and care is taken to ensure that students acquire all the essential Engineering skills.
- The Virtual Labs platform at IIT Delhi is being used to provide additional Virtual Lab classes.
- The syllabus is well-balanced, with an effective combination of research and industry-relevant courses.
- Students attend workshops, seminars, and guest lectures on a regular basis to know more about current technology and innovative strategies.
- Mini-projects and on-site training sessions to give students hands-on expertise.
- Students are exposed to a wide range of environments through industrial visits to a wide range of well-known companies.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B. Tech. (Civil Engineering)	4 Years	a. Passes 10+2 examination with Physics/ Mathematics/ Chemistry/ Computer Science/ Information Technology/ Biology/ Informatics Practices/ Biotechnology/ Technical Vocational Subject/ Agriculture/ Engineering Graphics/Business Studies/ Entrepreneurship. b. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.
B. Tech. (Civil Engineering) (Lateral Entry to Second Year)	3 Years	a. Passed minimum 03 years Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in ANY branch of Engineering and Technology. OR b. Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to reserved category) and passed 10+2 examination with mathematics as a subject.
M. Tech. (Civil Engineering)	2 Years	a. Candidates should hold a Bachelor of Engineering or Bachelor of Technology degree from a recognized university. b. Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the above subjects taken together.

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

DEPARTMENT OF MECHANICAL ENGINEERING

Mechanical Engineering is one of the most diverse and versatile engineering fields for the students who are passionate of Automobiles, fascinated by Nanotechnology and space shuttle vehicles, interested to contribute in healthcare or in developing cleaner and more efficient energy, keen to learn the process of Robotics and Automation or have a knack to develop new smart materials and many more. Virtually every product or service in modern life has probably been touched in some way by a mechanical engineer to help humankind.

CAREER PROSPECTS

Jobs for Mechanical Engineers are always in demand worldwide, particularly in the automotive, aerospace, electronics, biotechnology, and energy industries, both in the Government sector and Private sector. The need for this expertise is excellent in so many fields, and as such, there is no real limit for the freshly minted Mechanical Engineer. A Mechanical Engineer student can choose from a variety of career options such as Aerospace, Automation, Automotive, Autonomous Systems, Biotechnology, Composites, Computer-Aided Design (CAD), Designing components and structures, Energy, Ergonomics, Manufacturing, Nanotechnology, Production planning, Robotics and many more. With such a wide range of skills inherited by a Mechanical Engineer, one can easily become a successful entrepreneur.

SALIENT FEATURES

- 1) Highly qualified faculty ensuring top-notch education.
- 2) Regular industrial visits fostering practical understanding.
- 3) Impressive placements in renowned companies.
- 4) Emphasis on projects and research for hands-on learning.
- 5) Diverse extra-curricular activities enhancing overall development.
- 6) Access to a state-of-the-art workshop for practical training.
- 7) AutoCad and 3-D software training.
- 8) Guest Lectures and panel discussions from eminent personalities.

MINOR SPECIALIZATION IN ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING

The Department of Mechanical Engineering now offers a minor in Artificial Intelligence and Machine Learning in response to the growing need for specialists in robotics and automation. Students can get a Bachelor's Degree in Mechanical Engineering in four years along with minor degree in artificial intelligence. A Mechanical Engineering graduate with this dual expertise will be highly sought after by companies in both the traditional Mechanical Engineering sector and those with a need for AI engineers. The students possessing both Mechanical Engineering degree and minor specialisation in Artificial Intelligence and Machine Learning will most likely contribute heavily in the futuristic innovations.

Jobs in Mechanical Engineering with specialization Artificial Intelligence : Mechanical engineer with specialization in artificial intelligence can get high-paid jobs as Robotics Technicians, Robot Design Engineers, Automated Product Design Engineer, Maintenance Engineers, Research Scientist and Technicians of space vehicles in space science.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Tech. Mechanical Engineering with Minor Specialization in Artificial Intelligence and Machine Learning	4 years	a. Passed 10+2 examination with Physics/ Mathematics/ Chemistry/ Computer Science/ Electronics/ Information Technology/ Biology/ Informatics Practices/ Biotechnology/ Technical Vocational subject/ Agriculture/ Engineering Graphics/ Business Studies/ Entrepreneurship. b. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.
B.Tech. with minor specialization in Artificial Intelligence and Machine learning (Lateral Entry)	3 years	Passed min. 03 years Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) subject to vacancies in the First Year, in case the vacancies at lateral entry are exhausted.

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

DEPARTMENT OF ELECTRICAL ENGINEERING

The department offers a vibrant environment for education in Electrical Engineering. Our mission is to provide a high-quality education and prepare students to design and develop products as well as practical solutions to problems in public and private sectors. Currently, the department of Electrical Engineering offers B. Tech. in Electrical Engineering.

Faculty members in the Electrical Engineering department hold B. Tech./ M. Tech./ Ph.D. degrees from prestigious engineering institutions. The key areas of faculty expertise of the department include Instrumentation, Biomedical Signal Processing, Biomedical Image Processing and Biomedical Data Mining, Power Systems, Power Electronics, Control Systems, Antenna Designing and Optimization, FACTS devices. Furthermore, the faculty members have published significant number of research and review articles in reputed International Journals, proceedings of various International and National Seminars, Conferences, Symposia and Workshops as well as contributed chapters to books published by well-known international publishers.

CAREER PROSPECTS

Electrical engineering offers diverse career options in areas such as telecommunications, power sector (generation, transmission, distribution), electronics, biotechnology, manufacturing, automation, transport, defence, mining, information technology and consulting services.

SALIENT FEATURES

- The department's faculty is highly qualified and has extensive teaching experience.
- Excellent teaching methodology with a focus on interactive learning through the use of audio-visual aids.
- Well-equipped and upgraded labs to provide students with hands-on learning opportunities.
- IIT Delhi's Virtual Labs platform is being used to provide additional Virtual Lab classes.
- The curriculum is flexible, choice based and well-balanced with a good mix of research and industry-oriented courses. In addition, the department offers a variety of discipline electives to cover modern technologies.
- Students attend regular workshops, seminars, and guest lectures to learn about the latest technology and industry practices.
- Mini-projects and in-plant trainings to provide students with hands-on experience.
- Industrial visits are organized to expose students to a variety of environments.
- Extension activities are organized for the neighbourhood community.
- A dedicated placement cell provides students with numerous career opportunities after the completion of the course.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Tech. (Electrical Engineering)	4 years	a. Passed 10+2 examination with Physics/ Mathematics/ Chemistry/ Computer Science/ Electronics/ Information Technology/ Biology/ Informatics Practices/ Biotechnology/ Technical Vocational subject/ Agriculture/ Engineering Graphics/ Business Studies/ Entrepreneurship. b. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.
B.Tech. (Electrical Engineering) (Lateral Entry)	3 years	a. Passed minimum 03 years Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in ANY branch of Engineering and Technology. OR b. Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to reserved category) and passed 10+2 examination with Mathematics as a subject.

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

DEPARTMENT OF COMPUTER SCIENCE AND APPLICATIONS

The University Institute of Computer Applications & Information Sciences (UICAIS) strives for excellence in creating, applying and imparting knowledge in Computer Science through comprehensive education programmes, research & dissemination through scholarly publications and service to professional societies, the community, the state and the nation. The Institute imparts quality education ranging from the expertise in traditional software development to the modern computing technologies.

SALIENT FEATURES

- Faculties have experience in areas of Computer Architecture, Artificial Intelligence, Mobile and Computer Networks, Computer Graphics and Image Processing, Distributed Computing, Database Management System, Multimedia and Neural Networks, Cloud Computing, Software Engineering, Data Mining.
- An ample of technical papers published by the faculty in various national and international journals and conferences.
- The IT Infrastructure of the college is maintained by the department.
- The department carries out all in-house software development and maintenance.
- 24 hours High speed Internet facilities with Wi-Fi Connectivity.
- Specialized computer labs with latest H/W and S/W.
- Digital Library with access to journals and video lectures of eminent professors.
- Credit based continuous evaluation system to allow the students to assess their progress more frequently.
- Faculty mentor are assigned to a certain number of students to help students in planning their courses of study and for getting general advice on academic program.
- Elective courses are offered that bridges the gap between industry requirements and academia.
- Communication skills orientation programs incorporated in the scheme of examination to make that course compulsory.
- Projects in final semester for exposure of the students to recent developments in their field of interest under the guidance of competent faculty members.
- Career opportunity seminars and expert talks are organized by the department.

The Department of Computer Science and Applications is widely recognized as a centre of excellence in the study of new technology, security and international employment.

APPLICATIONS & INFORMATION SCIENCES

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
BCA	3/4 (Honours or Honours with Research) years (as per NEP)	Passed 10+2 (any stream)
BCA (LEET)	2/3 (Honours or Honours with Research) Years (as per NEP)	Pass with 50% aggregate marks in Diploma (Engg. in any stream) (3 Years after 10th) or Diploma in Computer Applications/ Information Technology (2 Years/ 1 Year after 10+2) or equivalent.
B.Sc. (IT)	3/4 (Honours or Honours with Research) Years (as per NEP)	Passed 10+2 (any stream)
B.Sc.(IT) LEET	2/3 (Honours or Honours with Research) Years (as per NEP)	Pass with 50% aggregate marks in Diploma (Engg. in any stream) (3 Years after 10th) or Diploma in Computer Applications/ Information Technology (2 Years/ 1 Year after 10+2) or equivalent.
B.Sc. (Animation & Multimedia)	3/4 (Honours or Honours with Research) Years (as per NEP)	Passed 10+2 (any stream)
B. Lib.	1 Year	Graduation in any stream
MCA	2 (Honours or Honours with Research) Years (as per NEP)	BCA, B.Sc. (IT), B.Sc. (Non-Medical)

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

DEPARTMENT OF LIFE SCIENCES AND ALLIED HEALTH SCIENCES

Department of Natural Sciences established in the year 2015, transformed itself into the Department of Life Sciences and Allied Health Science under UIS. Division of Life Sciences is actively involved in teaching and research. It offers various programmes and courses at the undergraduate (UG), post-graduate (PG) and doctorate levels in the fields of Botany, Zoology, Microbiology, Environmental Sciences, Biotechnology and Biochemistry. The essence of Life Sciences is its state-of-the-art infrastructure and highly qualified, well-experienced, dedicated, and enriched faculty members with expertise in diverse fields that provides an excellent environment for the academic and intellectual growth of the learners. Apart from the academic curriculum, students are incessantly encouraged to participate in seminars, conferences, cultural and sports activities. Our students qualify for various competitive examinations, and our alumni are well-placed and also get selected to pursue research or studies at institutes of international repute. This department endeavours not only to produce excellent academic results but also to produce entrepreneurs and skilled professionals.

SALIENT FEATURES

- Highly experienced and qualified (post-doctoral and doctoral) faculty members.
- Innovative teaching and research system.
- Equipped with good technical facilities for basic and advanced research in the disciplines of Plant Physiology, Plant Biochemistry, Plant Microbe Interactions, Stress Physiology, Molecular Biology, Chemical Ecology, Microbial Physiology, Industrial Microbiology, Microbial Biotechnology, Animal Biotechnology, Fisheries, Parasitology, Entomology, Sericulture, Animal toxicology, Endocrinology, Biochemistry and Biodiversity.
- Introduced the latest syllabi as per National Education Policy (NEP) of teaching to provide students a set of compulsory/core subjects/courses along with options to select Elective subjects from within and outside the department (multidisciplinary and interdisciplinary courses) to keep pace with the latest research in the field.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Sc. (as per NEP)	3/4 (Honours or Honours with Research) years	Passed 10+2 with Physics, Chemistry and Biology as their main subjects with a minimum aggregate of 50% Marks.
M.Sc. (Hons.) Zoology (as per NEP)	2 years	Passed B.Sc. Medical/Life Sciences with Zoology as one subject, with at least 50% marks in aggregate
M.Sc. (Hons.) Botany (as per NEP)	2 years	Passed B.Sc. Medical/Life Sciences with Botany as one subject, with at least 50% marks in aggregate
Ph.D. Zoology, Botany, Microbiology	As per UGC Guidelines	As per UGC Guidelines

**Eligibility: 45% marks in case of candidate belonging to Reserved Category*

MEDICAL LABORATORY SCIENCES

Allied Health Sciences: Under this division, the department is offering various UG and PG programs of paramedical and health care courses viz.

- **Medical Laboratory Sciences**
- **Medical Radiology & Imaging Technology**
- **Anaesthesia & Operation Theatre Technology**
- **Physiotherapy**

Medical Laboratory Sciences is envisioned to educate students in the field of healthcare to cater diagnostics, therapeutics and support services to community and nation. Apart from academic excellence, we have state-of-the-art infrastructure including classroom and laboratories. The teaching laboratories provide modern facilities and equipment for all our UG and PG students such as UV-Visible spectrophotometer, Biochemistry Analyzer, Hematology Cell counter (fully automated), Laminar Air Flow, Autoclave, High speed Centrifuge, digital pH Meter, Electrophoresis unit etc. The department has MoUs with various renowned hospitals and industries. In addition, we organize educational visit, cultural and social outreach activities along with regular teaching for the holistic development of the students.

SALIENT FEATURES

1. To create trained medical/clinical laboratory technologist, Medical Microbiologists and Research Scholars to cater need of healthcare industry.
2. Provides a unique opportunity for students with hands-on training on sophisticated lab equipment's to carry out clinical lab investigations, analysis and interpretation of laboratory data.
3. Students complete their clinical training and research projects at various prestigious institutes.
4. Workshops/Seminar are conducted for Faculty and students (UG & PG students) on regular basis to increase their proficiency.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Sc. MLS	3 years	Passed 10+2 with Physics, Chemistry & Biology as compulsory subjects conducted by a recognized Board / University / Council with a minimum aggregate of 50% Marks. Age limit: Candidate must have attained the age of 17 years at the time of admission.
B.Sc. MLS (Lateral Entry)	2 years	Passed Diploma in MLT/MLS (3 yrs) from Recognised Punjab State Board or any other recognized Technical Education Board or Diploma in MLT (2 yrs) after 10+2 (Physics, Chemistry, Biology), with at least 50% marks Age limit: Candidate must have attained the age of 17 years at the time of admission.
M.Sc. Clinical Biochemistry	2 Years	Passed B.Sc. MLT/MLS or B.Sc. (Medical/Applied Medical Science/Biosciences/Medical Science & Allied Medical/Life Sciences) with 50% aggregate marks or equivalent.
M.Sc. Medical Microbiology	2 years	Passed B.Sc. MLT/MLS or B.Sc. (Medical/Applied Medical Science/Biosciences/Medical Science & Allied Medical/Life Sciences) with 50% aggregate marks or equivalent

***Eligibility:** 45% marks in case of candidate belonging to Reserved Category

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

MEDICAL RADIOLOGY & IMAGING TECH. (MRIT) ANAESTHESIA & OPERATION THEATRE TECH.(AOTT)

Radiology is a branch of medicine that uses radiation and imaging technology to diagnose and treat disease. It allows the radiologic technologist to produce images of various internal parts of the body, to aid in the detection of injury or disease by using radiations. Radiology is central to the clinical practice of medicine across a wide range of disciplines. It is the best practical way to diagnose, monitor treatment and detect progression or relapse of many important and common diseases in a minimally invasive and anatomically precise manner. A qualified Medical Imaging Technologist is skilled in both Interventional and Diagnostic Radiology. It is used in alliance with most medical specialities, to diagnose problems in a variety of areas within the human body. The professional experts of the field usually work in areas such as Accident and Emergency, Operation Theatre, etc. They are trained for taking X rays, MRIs, CT scans, etc.

Anaesthesia and Operation Theatre technology is an allied health care professional course that aims to train students with clinical exposure in operation theatre (OT) management, disinfection, sterilization, responsibilities in anesthesia, and maintaining all the instruments used in the operation theatre before and after procedures. Anaesthesia and Operation Theatre technologists oversee delivering direct and indirect patient care, as well as setting up equipment and preparing patients for surgery. The graduates of this course have ample career opportunities in healthcare sector as Anaesthesia Technician, Operation Theatre Technician, Anesthesiologist Assistant, Medical Consultant, to name a few.

SALIENT FEATURES

- We provide quality education with collaborations-
 - Hospitals Diagnostic and Medical Labs
 - Clinical and Medical Research organizations
 - Pharma and Bio-Tech companies
 - Medical equipment and device companies
- Renowned and highly qualified faculty members.
- Sophisticated X-Ray Laboratory with CR system facility in campus
- Operation Theatre facilities.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Sc. Medical Radiology and Imaging Technology	3 Years	Passed 10+2 or equivalent examination by a recognized Board / University / Council with a minimum aggregate of 50% Marks in Physics, Chemistry, Biology. Age limit: Candidate must have attained the age of 17 years at the time of admission
B.Sc. Medical Radiology and Imaging Technology (Lateral Entry)	2 Years	Passed 02 years (full time) Diploma in Radiography after 10+2 (Physics, Chemistry, Biology) from recognised Board/University with 50% Marks Age limit: Candidate must have attained the age of 17 years at the time of admission.
B.Sc. Anaesthesia & Operation Theatre Technology	3 Years	Passed 10+2 or equivalent examination recognized by any Indian university or duly constituted Board with pass 50% marks in Physics, Chemistry, Biology (mandatory) and Mathematics (optional). Age limit: Candidate must have attained the age of 17 years at the time of admission.
M.Sc. Medical Radiology and Imaging Technology	2 Years	Passed Bachelor's degree in Radiology and Medical Imaging Technology with a minimum of 50% marks.

***Eligibility: 45% marks in case of candidate belonging to Reserved Category**

PHYSIOTHERAPY

Physiotherapy is a healthcare profession with an emphasis on the use of physical approaches for the health promotion, prevention and management of diseases. SBBSU, Khiala is successfully running the physiotherapy courses since 2017. It has a well designed and well equipped infrastructure and is also running an out-patient department (OPD) in which patients suffering from various orthopedic, neurological, and sports conditions are being treated with advanced techniques. Goals are achieved through comprehensive assessment with individualized treatment combining education, home exercise programmes and support.

SALIENT FEATURES

1. Highly qualified, well experienced staff.
2. Well equipped and furnished classes.
3. Practical labs.
4. Fully equipped physiotherapy OPD.
5. Exercise therapy units.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
BPT	4.5 Years	Passed 10+2 Medical with at least 50% marks in Physics, Chemistry & Biology
MPT	2 Years	Passed Bachelor of Physiotherapy with at least 50% marks

Note : 6 months compulsory rotatory internship at various multidisciplinary hospitals.

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

DEPARTMENT OF PHYSICAL SCIENCES

- Physical Sciences expands our knowledge of the universe and underlines new technologies, which benefit our society. In keeping with the heritage of imparting quality education, teaching and research are the prime motive of the Department of Physical Sciences.
- Department of Physical Sciences is dynamic and progressive in its development of new course initiatives and to contribute substantially to the goal of SBBSU and becoming a research oriented department. The teaching is by way of interactive sessions between students and teachers. Our courses ensure a coherent degree structure while encouraging interdisciplinary approach.
- The Department has highly qualified, young and dynamic faculty in various fields of Physical Sciences. The thrust area in **Chemistry** include Green Chemistry, Polymer Chemistry, Advanced controlled drug delivery systems, Nanocomposites, Physicochemical studies of biomolecules etc. The thrust area in **Physics** includes Materials Physics, Nuclear Physics, Nanomaterials and their applications. The research area in **Mathematics** includes Numerical Analysis, Wavelet methods, qualitative behaviour of dynamical systems, Mathematical modelling via differential equations.
- Student centric, ICT enabled and interactive teaching is adopted. Outcome based teaching model comprising of theoretical work, regular academic activities such as research projects, seminars, resource learning and hands-on laboratory work have been conducted regularly.
- The Department wishes to focus on providing a comprehensive curriculum at undergraduate and postgraduate levels with teaching-learning adjunct to cater the need of industry, relevant research and career opportunities in academics.
- Our research oriented teaching paves the way for entry into different careers since it equips students with advanced transferable skills in information gathering, analysis and presentation, which are vital tools in the field of science.

SALIENT FEATURES

- The Department is blessed to have specialized faculty in various fields of Physical Sciences viz. Chemistry, Physics and Mathematics.
- The Department keeps its students abreast of latest advancements in technology through computer facilities, e-learning, virtual labs.
- The Department updates curricula on a regular basis to ensure that students keep up with the changing trends of education and research. The syllabi of courses are well designed to equip students to qualify competitive exams such as GATE, UGC- NET/ SLET, TIFR etc.
- The Department has well equipped laboratories with a number of instrumental facilities such as muffle furnace, digital water bath, polarimeter, ultrasonic interferometer, ballistic galvanometer, deflection and vibration magnetometer, ESR, Four Probe Apparatus, Michelson Interferometer apparatus, Hall Effect Apparatus, Planck Constant Apparatus, Turbidimeter, Abbs refractrometer, centrifuge, digital weighing balance/ spring balance, magnetic plate with stirrer, pH meter, conductometer, flame photometer, colorimeter etc.
- Students and teacher's participation in international, national, state and regional conferences, seminars along with industry aligned expert interactions are key features of the department.
- Curricular and co-curricular activities are well balanced in the teaching learning environment to provide holistic education to the students.

PROGRAMMES OFFERED

Course	Duration	Eligibility
B.Sc. (As per NEP 2020)	3/4 (Honours or Honours with Research) Years	10+2 (Non Medical) equivalent with Physics, Chemistry & Mathematics as major subjects with 50% marks (45% marks in case of SC/ST candidates) in aggregate or equivalent grade.
M.Sc. (Hons.) Chemistry (As per NEP 2020)	2 Years	B.Sc. (Pass) with Chemistry as one of the major subjects /B.Sc. (Hons.) Chemistry with 50% marks (45% marks in case of SC/ST candidates) in aggregate or equivalent grade from any university recognized by UGC.
M.Sc. (Hons.) Physics (As per NEP 2020)	2 Years	B.Sc. (Pass) with Physics as one of the major subjects /B.Sc. (Hons.) Physics with 50% marks (45% marks in case of SC/ST candidates) in aggregate or equivalent grade from any university recognized by UGC.
M.Sc. (Hons.) Mathematics (As per NEP 2020)	2 Years	B.Sc. (Pass) with Mathematics as one of the major subjects /B.Sc. (Hons.) Mathematics with 50% marks (45% marks in case of SC/ST candidates) in aggregate or equivalent grade from any university recognized by UGC.
Ph.D. Chemistry/Physics/ Mathematics	As per UGC guidelines	As per UGC guidelines

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

B.Sc. (Hons.) Agriculture is recognized by Punjab State Council for Agricultural Education

DEPARTMENT OF AGRICULTURE

The Department of Agriculture established in 2015 aims at achieving excellence in academics and agriculture research. The Department is recognized by the Punjab State Council for Agricultural Education (PSCAB). Bachelor's and Master's courses in Agriculture are offered by the Department. The Department offers a dynamic environment for education in graduate and post graduate courses of Agriculture. The Department has well qualified and experienced doctoral faculty of diverse fields of Agriculture – Agronomy, Horticulture, Plant Breeding, Soil Science, Plant Pathology, Agroforestry, Agro-Meteorology and Agro -Biotechnology. The Department has designed a dynamic and focussed curricula as per the guidelines of Indian Council of Agricultural research (ICAR) to develop well-trained manpower for academics, agro-based industry and extension-oriented applications. The Graduation curriculum has been designed as per ICAR's 5th Dean Committee and curriculum of Post-Graduation as per ICAR-BSMA recommendations. Each field of specialization is headed by highly qualified faculty and supported by well equipped laboratories with state-of-the-art instrumentation. The thrust areas of the department include multi-disciplinary research in the fields of agriculture and its allied ventures. The Department is well-equipped with spacious classrooms and laboratories to provide quality teaching and research opportunities for the students. The students are also imparted training in the field through conduct of research trials and demonstrations.

The Department has an area of 10 acres for conducting field trials and practical by students. Beside these facilities, the Department has also established the orchards of Litchi, Citrus, Mango, Guava, Phalsa and Peach. The department has established a Poly-house and shade net in area to train the students in the protected cultivation.

SALIENT FEATURES

- Easy availability of agriculture land for conducting research trials
- Experienced and well-qualified (Doctorate and Post- doctorate) faculty from diverse field
- Well-equipped labs
- Syllabus as per ICAR's 5th Dean Committee & ICAR-BSMA recommendations
- Poly house with drip irrigation system
- Shade Net
- Orchards of different fruits.

PROGRAMMES OFFERED

Course	Duration of Course	Eligibility
B.Sc.(Hons.) Agriculture	4 years	Passed 10+2 science examination or equivalent with PCB/FCBM/PCM/PCA having scored not less than 60% marks in aggregate (45% marks in case of candidate belonging to SC/ST)
M.Sc. Ag. (Agronomy)	2 years	Passed B.Sc. (Agriculture/Horticulture with minimum CGPA of 6.0 in 10 point scale or 60% marks if CGPA is not given). For SC/ST candidate, a minimum CGPA of 5.50 in 10 point scale or 55% marks where CGPA is not given)
M.Sc. Ag. Horticulture (Fruit Science)	2 years	Passed B.Sc. (Agriculture/Horticulture with minimum CGPA of 6.0 in 10 point scale or 60% marks if CGPA is not given). For SC/ST candidate, a minimum CGPA of 5.50 in 10 point scale or 55% marks where CGPA is not given)
M.Sc. Ag. Horticulture (Vegetable Science)	2 years	Passed B.Sc. (Agriculture/Horticulture with minimum CGPA of 6.0 in 10 point scale or 60% marks if CGPA is not given). For SC/ST candidate, a minimum CGPA of 5.50 in 10 point scale or 55% marks where CGPA is not given)
M.Sc. Ag. Soil Science and Agriculture Chemistry	2 years	Passed B.Sc. (Agriculture/Horticulture with minimum CGPA of 6.0 in 10 point scale or 60% marks if CGPA is not given). For SC/ST candidate, a minimum CGPA of 5.50 in 10 point scale or 55% marks where CGPA is not given)
Ph.D. Agronomy	as per UGC guidelines	Passed M.Sc. Agronomy with CGPA of 6.0 in 10 point scale or 60% marks. For SC/ST candidates a minimum CGPA of 5.50 in 10 point scale or 55% marks where CGPA is not given
Ph.D. Horticulture (Fruit Science)	as per UGC guidelines	Passed M.Sc. Horticulture (Fruit Science) with CGPA of 6.0 in 10 point scale or 60% marks. For SC/ST candidates a minimum CGPA of 5.50 in 10 point scale or 55% marks where CGPA is not given.

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

*PCB Physics, Chemistry Biology / PCBM Physics, Chemistry, Biology, Math / PCM Physics, Chemistry, Math / PCA Physics, Chemistry, Agriculture

JOBS AFTER B.SC. (HONS.) AGRICULTURE

- Specialist Officer (Agricultural Field Officer)
- Junior Agricultural Associate
- Rural Development Officer
- Field Officer
- Agricultural Officer
- Probationary Officer
- Horticulture Development Officer (HDO)
- Agriculture Development Officers (ADO)
- Landscaping Manager
- Crop Trial Officer
- Seed Manufacturing Companies
- Food Technology Companies
- MNCs (Cargill Inc, Monsanto, Dupont, Bayer, and others)
- Fertilizer Manufacturing Firms
- Food Processing Units

HUMANITIES

University Institute of Humanities is an interdisciplinary center for teaching-learning and conducting research in various fields of Humanities. It offers courses in under-graduate, post-graduate and doctoral research. The primary objective of the institute is to create an intellectual ecosystem wherein both, the teacher and the taught, can broaden their mental horizon and pursue impactful research. A Master Degree means in-depth knowledge, advanced skills, and the confidence to achieve one's ambitions.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.A. (English/ History/ Economics/ Punjabi/ Humanities)	3/4 (Honours or Honours with Research) years (As per NEP)	Passed 10+2 (any stream)
M.A. (Hons.) History	2 Years	Bachelor's degree obtaining at least 45% marks in the subject of concerned subject or 50% marks in the aggregate B.A/B.Sc/B.Sc (Hons.) OR Master's degree examination in any other subject provided the candidate has studied Punjabi compulsory at graduate level.
M.A. (Hons.) Punjabi	2 Years	Bachelor's degree obtaining at least 45% marks in the subject of concerned subject or 50% marks in the aggregate B.A/B.Sc/B.Sc (Hons.) OR Master's degree examination in any other subject provided the candidate has studied Punjabi compulsory at graduate level.
M.A. (Hons.) English	2 Years	Bachelor's degree obtaining at least 45% marks in the subject of concerned subject or 50% marks in the aggregate B.A/B.Sc/B.Sc (Hons.) OR Master's degree examination in any other subject provided the candidate has studied Punjabi compulsory at graduate level.
M.A. (Hons.) Economics	2 Years	Bachelor's degree obtaining at least 45% marks in the subject of concerned subject or 50% marks in the aggregate B.A/B.Sc/B.Sc (Hons.) OR Master's degree examination in any other subject provided the candidate has studied Punjabi compulsory at graduate level.
M.A. (Hons.) Pol. Sci.	2 Years	Bachelor's degree obtaining at least 45% marks in the subject of concerned subject or 50% marks in the aggregate B.A/B.Sc/B.Sc (Hons.) OR Master's degree examination in any other subject provided the candidate has studied Punjabi compulsory at graduate level.
Ph.D. (Hons.) History	As per UGC guidelines	As per UGC guidelines
Ph.D. (Hons.) Punjabi	As per UGC guidelines	As per UGC guidelines
Ph.D. (Hons.) English	As per UGC guidelines	As per UGC guidelines

Note : All admissions will be provisional.
The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

SALIENT FEATURES

- Well qualified, dedicated and energetic faculty
- Need-oriented, innovative and updated curriculum
- Fun element added through extra-curricular activities
- Modern infrastructure and laboratories
- Well-equipped & air-conditioned library
- Innovative teaching strategies
- Healthy mentor-mentee relationship.

OF HUMANITIES

FASHION DESIGNING

Fashion designing aims to educate students to become professional practitioners in the field of fashion and related industries. Students are encouraged to have an awareness of fashion in its social and cultural context and to bring that understanding to their work. The highlighting features of the course in fashion designing are industrial internship, opportunities with renowned designers, brands, export houses and being an entrepreneur.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Sc. (Fashion Designing)	3 years	Passed 10+2 any stream
Post Graduate Diploma in Garment Construction and Fashion Designing	1 year	Passed graduation in any stream
M.Sc. Fashion Designing and Merchandising	2 years	Passed graduation in any Stream with elective subject (Home Science, Fashion Designing)

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

SALIENT FEATURES

- Highly professional and well experienced faculty members.
- Advanced labs with world class facilities.
- Group assignments to inculcate team spirit in budding design professionals and thus making them aware of the working methodology of the design unit.
- Opportunities to interact with renowned professionals.
- Visual aids/ site visits/ field work/ industrial training are important part of the curriculum.

DEPARTMENT OF COMMERCE

The Department of Commerce of Sant Baba Bhag Singh University established in the year 2015 under the University Institute of Commerce and Management has an aim to popularize the commerce education in the region. It desires to provide quality education to enable the graduates to become leaders in their professional careers, to pursue excellence in research, and to serve the profession, community and nation, and also to be competitive in the international scenario.

SALIENT FEATURES

- Highly qualified, well experienced and dedicated staff.
- Students oriented extra-curricular activities for the overall development of students.
- Excellent infrastructure, innovative faculty for spreading entrepreneurship culture.
- Continuous efforts are made by the faculty members to practice innovative methods of teaching like role playing, case studies, debates and management games.
- The Department of Commerce promotes the research culture among the faculty members as well as among students of the department.
- Flexible Choice Based Credit System across all programmes offered in the department.
- Department is having well equipped Business Lab.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Com	3/4 (Honours or Honours with Research) years (As per NEP)	Passed 10+2 at least 50% marks in aggregate in any stream (45% for SC and ST)
M.Com.	2 years (As per NEP)	Passed Bachelor of Commerce (Regular/Hons.)/Bachelor of Business Administration with at least 50% marks in aggregate (45% for SC and ST)
Ph.D.	As per UGC Guidelines	As per UGC norms

COMMERCE AND MANAGEMENT

DEPARTMENT OF MANAGEMENT & HOTEL MANAGEMENT

Being the universal pertinent of the term "Management", the management department is the backbone of every organization which helps the concerns to get best employees, which in turn becomes the assets of the organization. It is only the management which inculcates and integrates whole lot of departments and their wisdom. With efficacious planning and strategic vision, it maintains, handles and controls the activities in such a manner that in turn generates the future of the department.

Vision of the Department

"To attain global prominence through flexible & value-based management education."

SALIENT FEATURES

- Employment and Entrepreneurship based courses.
- Intact focus on Research.
- Need based curriculum.
- Maximum use of participatory and innovative teaching learning methodology.
- Multidisciplinary specializations for UG and PG courses.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
BBA	3/4 (Honours or Honours with Research) years (As per NEP)	Passed 10+2 at least 50% marks in aggregate in any stream (45% for SC and ST)
MBA	2 Years (As per NEP)	Passed graduation in any stream with 50% marks in aggregate in any stream (45% for SC and ST)
Ph.D.	As per UGC Guidelines	As per UGC norms

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

HOTEL MANAGEMENT

First rural University offers Bachelor of Hotel Management and Catering Technology & Diploma in Food Production for students. The curriculum involves theory as well as practical subjects (Food Production, Food & Beverage Service, Front Office and Housekeeping) that are carried out in fully equipped labs. The curriculum also involves two industrial training modules (six months) that enables students to actually visit the star hotels and get hands-on experience in different departments of a hotel.

SALIENT FEATURES

- **Basic Training Kitchen (BTK):** This is where these budding professionals are fine polished to prove their mettle in the industry, and are trained in the planning and preparation of Indian and International Cuisine.
- **Basic Training Restaurant (BTR):** Here the students are trained to understand and perform the fundamentals of food and beverage, to pay attention to the needs of guests and learn to deal with various situations through face-to-face encounters during service practices.
- **Front Office/Housekeeping:** Front office also known as heart of the hotel and is the first as well as last point of contact with guests. Housekeeping is the backbone of the hotel. In housekeeping the students are able to learn various aspects of cleaning and maintenance.
- **Bakery:** A bakery is an establishment that produces flour-based food products baked in an oven. Various products are prepared and baked in labs such as bread, cakes, pastries and pies.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
BHMCT	4 years	Passed 10+2 (in any stream) with minimum 50% of Total Weightage

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate and 10 admissions to postgraduate courses.

AIRLINE TOURISM AND HOSPITALITY MANAGEMENT

The Airlines, Tourism, and Hospitality industries are one of the fast-growing industries globally, which offers a bright future to the upcoming candidates. Looking at the promising future of students, SBBS University offers the coming generation (after 12th) mainly from rural areas, an opportunity to excel in this field. The three years course in B.Sc. ATHM (Airlines, Tourism, and Hospitality Management) at the University provides students with immense knowledge in the subjects like Airport Management, Front Office, Ground Handling, Aircraft Familiarization, Airlines Management, Interview Skills, Hospitality Management, Travel and Tourism Management, Tourism Product and Service, so on. This curriculum also involves industrial training module that enable students to have practical training in real customer-based scenarios.

- Cabin Crew
- Airport Customer Service Representative
- Airport Operations
- Front Office Representative
- Airline Ticketing and Reservations
- Customs and Immigration Management
- Tour Guide
- Travel Agents and Tour Operators
- Airlines Baggage and Cargo Handler
- Guest Service Relations
- Lounge Service and Operations

SALIENT FEATURES

- To secure knowledge & understand the procedures of Worldwide Airport Management and tour packaging with document management skills.
- To gain proficiency and expertise in the emerging trends in the tourism and aviation sector to cater to the customer in the service industry.
- To empower graduates with effective communication and interpersonal skills to sustain in a competitive world and acquire operational and managerial positions in Tourism and Hospitality sectors.
- To plan and customize tourism products such as holiday packages, conferences, events, etc. as per customer demand.
- Developing and demonstrating skills in airlines, tourism and hospitality software, and problem identification skills for conducting smooth operations in the airlines, tourism and hospitality industry.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Sc. ATHM	3 years	Passed 10+2 (in any stream) with minimum 50% of Total Weightage

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

DEPARTMENT OF EDUCATION

University Institute of Education is a co-educational institute, established in 2005, recognized by NCTE and now it is a constituent unit of Sant Baba Bhag Singh University. The Institute is committed to produce dedicated and professionally groomed teachers as per the contemporary requirement of the Global society. The vision of the department is "To encourage each and every child to get educated, acquire knowledge and wisdom so as to learn the art of leading a happy, successful and meaningful life."

SALIENT FEATURES

- Latest technology equipped classrooms and well qualified & experienced faculty.
- Well equipped Resource Centers as recommended by NCTE (Language, Computer & e-learning, Educational Psychology, Educational Technology, Science, Social Science, Mathematics, Music, Art & Craft and Cooking Resource Centres)
- Innovative and student centered teaching strategies are being used by the faculty which includes multi sensory teaching, remedial teaching and participatory teaching-learning.
- Giving special emphasis on development and communication skills and preparation of Competitive exams like CTET, PTET and NET.

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Ed.	2 Years	<p>a) Candidate with at least 50% marks either in Bachelor's Degree and/or in the Master's Degree in Science/ Social Science/ Humanities, Bachelor's in Engineering and Technology with 55% marks or any other qualification equivalent thereto, are eligible for admission to the programme.</p> <p>b) The reservation and relaxation for SC/ST/OBC/PWD and other categories shall be as per the rules of the Central Government/ State Government, whichever is applicable.</p>
M.Ed.	2 Years	<p>a) Candidates seeking admission to the M.Ed. programme should have obtained at least 50% marks or an equivalent grade in any one of the following programmes:</p> <ol style="list-style-type: none"> B.Ed. B.A.B.Ed., B.Sc.B.Ed. B.El.Ed. D.El.Ed. with an undergraduate degree (50% marks in each) <p>b) The reservation and relaxation for SC/ST/OBC/PWD and other categories shall be as per the rules of the Central Government/ State Government, whichever is applicable.</p>
Ph.D.	As per UGC Guidelines	As per UGC Guidelines

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

DEPARTMENT OF PHYSICAL EDUCATION

The **Department of Physical Education and Sports** is focused on the physical, mental and intellectual development of the students. The department is committed to prepare for the 21st century by providing highly trained and qualified physical education teachers, coaches, sports-persons in accordance with national/international standards set forth by the NCTE and UGC. The programs offered are a rigorous blend of activity skills, foundational sciences, and methodologies applied to the teaching of physical education so as to provide students with prospective knowledge, skills and professional dispositions. The department also provides vocational guidance and placement services to the students. It also provides training in the field of yoga and Sikh martial arts (Gatka). To encourage and abreast the students with latest trends in physical education the department offers research in post graduate programs. Teachers are mentors to the students and provide frequent and specific feedback on their performance and keep track of their academic performance.

In addition to learning new skills and exploring various opportunities, our department always remains at the front foot to provide opportunity to students in terms of assignments, practical's, exams, internships, workshops, lectures, and much more, essential to ensure optimum academic development. By above regard, our department performs a big role in providing many number of skills to students necessary to use in whole life situations, such as Interpersonal skills, Physical and mental skills, Motor skill learning, Potential career options, Challenge critical thinking skills, decision making and moral reasoning. Skills like leadership, teamwork, patience and self-confidence.

SALIENT FEATURES

The highly professional teacher education & learning programme :

- Prepares specialists in games & sports of the choice of the students and compulsory specialization in athletics & gymnastics /swimming.
- Prepares sound background for joining higher teaching, training and coaching institutions.
- Provides sound technical knowledge to become qualified umpires / referees/ managers/ techni delegates.
- Generate employment and self-employment opportunities in the field of health, fitness and general management.
- To impart psychomotor learning by using a play and movement exploration setting to promote heal and physical fitness.
- Prepares managers & administrators in physical education & sports.
- Provides expertise in sports marketing

PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
MPES	2 Years	Passed B.PEd, B.PE. (4 years) and BPES (03 Years) Degree from a recognized Indian or Foreign University / Institution with at least 50% marks (45% for SC/ST) in aggregate. Every candidate shall be required to appear in Physical Fitness Test, as per events mentioned*. Candidates failing in Physical Fitness Test shall not be considered for admission.
B.PEd	2 Years	A candidate who has passed any one of the following examinations shall be eligible to join the Bachelor's degree in any discipline with 50% marks and having at least participation in the Inter-College/ Inter-Zonal/ District School Competition in Sports and games as recognized by AIU/IOA/SGFI/Govt. of INDIA. Bachelor's Degree in Physical Education with 45% marks. Bachelor's Degree in any discipline with 45% marks and studied physical education as compulsory/elective subject. Bachelor's degree with 45% marks and having participated in National / Inter University / State Competitions or Secured 1st, 2nd or 3rd Position in Inter College/Inter Zonal/ District/ School Competition in Sports and games as recognized by AIU/IOA/SGFI/Govt. of INDIA. Bachelor's Degree with participation in international competitions or secured 1st, 2nd or 3rd position in National/Inter University competition in sports and games recognized by respective federations/ AIU / IOA/SGFI/Govt. of INDIA. Every candidate shall be required to appear in Physical Fitness Test, as per events mentioned* Candidate failing in Physical Fitness Test shall not be considered for admission.
BPES	3/4 Years (As per NEP)	Passed 10+2 or equivalent qualification.

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

University Institute of Law (UIL) is approved by Bar Council of India. It is one of the best Institute of Legal studies in the State of Punjab and Northern India. The Institute is committed to impart qualitative legal education. The veracity of the Institute is increasingly being realized & recognized in the field of legal education. Our endeavour is not only class room teaching but also providing students with an environment that can groom & develop them for a professional career.

Vision: To impart holistic knowledge of law and mould students to be competent legal professionals, committed to the cause of community development through sustained academic activities.

Mission: Our endeavour is to provide well grooming and self disciplined inculcating environment along with class room teaching and to develop overall personality of budding lawyers.

- To cherish the students for understanding the fundamental legal system and key role of lawyers in that system.
- To provide students with the best learning environment.
- To conduct legal research.
- To make the students read, understand and use statutes and other enacted rules to solve legal problems or construct legal arguments.
- To make the students read, understand and use cases studies to construct legal arguments.
- To impart legal education on the line to learn techniques of persuasive written advocacy.
- To learn the law and legal principles in a variety of subject areas as well as understand legal procedures and practices.
- To recognize and apply the ethical rules and standards of conduct involved in the practice of law and to be observed by paralegals.
- To expand basic skills in factual investigation and interviewing.

SALIENT FEATURES

- The Institute has airy and well lit lecture halls, actual Court like Moot Court Room, library well stocked with books by eminent national and international authors, all important Reports & Journals/Periodicals of Law.
- Practical Training in Courts, working in Lawyers' Chambers, Court Visits are integral parts of the course curriculum.
- The Institute has also set up a Legal Aid Clinic which also organizes Legal Aid Camps in the nearby villages. Time to time Department also provides opportunity to the students for internship in various Private, Government and Non Governmental Organizations.
- All the courses run by the Institute are in tune with the mandatory international standard par excellence, and the same is revealed in the recognitions provided to us by the BCI (Bar Council of India), University Grants Commission (UGC).
- We have a dedicated Placement Cell here at the Sant Baba Bhag Singh University, that takes complete care of providing the students with ample of career opportunities, post completion of their respective courses.

V	3 courses DSCs of 4 credits each 3x4 = 12 credits to be called Major 9,10,11 or Multi-Disciplinary Study	1 course 4 credit 1x4 = 4 credit. Minor 7			Summer Internship/ Apprenticeship of 4 credits-preferably related to discipline or inter-discipline Viva-voce to be conducted along with regular ETE		As per the requirement, PT-5 may be offered	20	20
VI	3 courses DSCs of 4 credits each 3x4 = 12 credits-- Major 12,13,14 and DSE: 1 course 4 credits 1x4 = 4 credit to be called Major 15 or Multi-Discipline Study	1 course 4 credit 1x4 = 4 credit. Minor 8					As per the requirement, PT-6 may be offered	20	20
Students who want to undertake 3-year UG programme will be awarded Three Year UG Program (Degree) in the relevant Discipline /Subject upon securing 128 credits. For Example : Three Year UG Program B.A./B.Sc./ B.Com/ BPES/any other discipline in with single Major inand minor inor double Major inand								128	120
Undergraduate programmes (Honours)									
VII	3 courses related to Advanced level courses DSCs of 4 credits each 3x4 = 12 credit Major 16, 17, 18 4 credit (1 DSE) 1x4 = 4 (in lieu of Research) Major 19	1 course related to Advanced level courses 4 credit 1x4 = 4 credit. Minor 9						20	20
VIII	3 courses related to Advanced level courses DSCs of 4 credits each 3x4 = 12 credit Major 20, 21, 22 8 credits (2 DSE) 2x4 = 8 (In lieu of research) Major 23, 24	1 course related to Advanced level courses 4 credit 1x4 = 4 credit Minor 10						24	20
Students will be awarded UG Degree (Honours) in the relevant major Discipline /Subject provided they secure 172 credits. Four Year Under Graduate Degree BA/B.Sc./B.Com./ BBA/ BPES/ Any other Discipline (Honours in) Single Major and minor..... or double major in..... and								172	160
or									
Undergraduate programmes (Honours with research)							Eligibility: Students who secure		

BA (Humanities/ Social Sciences) / B.Sc.(Physical Sciences* or DSC) B.Sc. (Life Sciences* or DSC) / BBA / B.Com./ B.Sc. (IT) / BCA / BPES /B.Sc. FD & Undergraduate programme with Honours or Honours with Research									
Sem	Discipline Specific Courses (DSC) – Core (MAJOR)	Minor	Multi disciplinary courses (MDC)	Ability Enhancement courses (language)	Skill Enhancement courses/ Internship/ Dissertation	Value-Added Courses	Physical Training & Cultural activities (Non-credit) 2 contact hours	Credits to be earned	Minimum Credits required
IX	3 courses DSC related to research areas 4 credit each 3x4=12 credit Major 16, 17, 18 4 credits (1 DSE) 1x4=4 Major 19 [DSC will include : Research Methodology I - Four credits; Research Ethics and IPR - Four credits]	1 course related to research areas 4 credit 1x4 = 4 credit. Minor 9					4 credits research project/ dissertation (Commence)	24	20
X	3 courses related to research areas 4 credits each 3x4 = 12 credit Major 20, 21, 22 [DSC will include: Research Methodology II - 4 credits; Seminar and Term Paper - Four credits]	1 course related to research areas 4 credit 1x4 = 4 credit. Minor 10					8 credits research project/ dissertation (Complete)	24	20
Students will be awarded Four Year Under Graduate Program Degree BA/ BSc/B Com/BBA/BPES/any other discipline Honours with Research in the relevant Discipline /Subject with Single Major in and Minor inor double major in and provided they secure 176 credits								174	160
In Major and Minor courses additional 1 or 2 credits may allotted for Tutorial (T) or practicum (P) course.									
Credits may vary in regard to different disciplines as per the requirement of the department. Minimum credits will be 50% in Major of the total credits at least and Minor in each semester would be of 4 credits and more than 50% of the total credits of minor be studied to be counted as minor in that subject (studied as single subject or discipline)									
Three year / Four Year Multidisciplinary Program will also have Honour or Honour with Research in single major or double major with minor also.									
Discipline Specific Courses, Minor Stream, Skill based, Value added courses are to be decided by the concerned department.									

Eligibility: MA/MA (Honours) / MSc/ M.Sc. (Honours)

Apart from other rules linked with the Program related eligibility, Students completing a four year Bachelor Program with Honours / Honours with Research, will be admitted to a one year Master's program (MA/M Sc.) (Minimum 20 credits in each semester)

Students completing three years Bachelor Program, are to be admitted to a two year Master Program with second year entirely devoted to research. (Minimum 20 credits in each semester)

For post graduate program, there shall only be one exit point for those who join the two year Master program, that is, at the end of the first year of the Master and students who exit after the first year, shall be awarded the Post Graduate Diploma. (Minimum 20 credits)

There is an integrated 5 year Bachelor's / Master's program with the option to the student to leave after Bachelor. The University is having BCA/MCA and BBA/MBA integrated program.

Flexibility to the students who qualify UG with a double major to opt for any of the two subjects they majored to enter for PG course.

Flexibility to the students who qualify UG with major and minor to opt for either major or minor subject in the Master program

However, irrespective of the Major or Minor chosen by the student in the UG program, a student is eligible for admission in any discipline of Master Program if the student qualifies the National level or University level entrance examination in the discipline of the Master Program.

Students will be allowed to admit or enter or re-enter only in odd semester and can not be admitted in even semester.

The study at the PG level will provide an opportunity for original study or investigation in the major or area of investigation. The Master Degree qualifies students who can apply an advanced body of knowledge in a range of contexts for professional practice, research and scholarship and as a pathway for further learning. Graduates at this level are expected to possess and demonstrate specialized knowledge and skills for research and or professional practice and or for further learning. It is further clarified that Master is related to Advanced knowledge and Skill, critical understanding of the subject, demonstrating mastery and innovation, completion of substantial research and dissertation. As per UGC norm of DCCFPG, course work in the third semester and research in the fourth semester in the 3rd and 4th semester of PG of two years after three year UG Program and one year PG after 4-year UG program. PG Program be named as MA/ M Sc.(Honours). M.Tech. and Allied Health Sciences be run as per their All India Regulatory Bodies.

1. MA 1 / MA 1 (Honours) / MSc.1/ M. Sc. 1 (Honours) : Curriculum of first semester will consist of advanced knowledge of 3 Major, 1 Major Elective (DSE) and 1 Minor of 4 credits of each with Value Added Course of 3 credits. The same will be of second semester but instead of VAC there now will be MDC of 3 credits. First year of two year Master Degree will contain between 500-599 course levels (up to 500-550 in First Year). Student has to study another DSE course of 4 credits each in 1st and 2nd semesters in the case of earning MA (Honours) /M.Sc. (Honours) Degree.
2. In the third semester of MA/ MA (Honours)/ M.Sc./ MSc. (Honours), research based curriculum would be ushered. For two year PG, in the third semester there would be course work and research in the fourth semester. Courses for second year of 2 year Master's and 1-year Master degree program will contain between 500-599 (551-599 in second year) course levels. Research Methodology- 1 of 5 credits , Dissertation-1 of 4 credits (commencement), 2 Major Elective (DSE) related to the broad research content having dissertation outlook as well of 4 credit, 2 credit seminar, 2 credit Research and Publication Ethics and Application of ICT tools in Research or Related to Research other techniques of 2 credits would operate with total credits 23. In the 4th semester, Research Methodology II of 5 credits, Dissertation-II of 8th semester of 8 credits (completion), 2 Major Elective (DSE) related to the broad research content having dissertation outlook as well of 4 credits and Technical writing in Research of 2 credits with a total of 23 credits. Research Projects (Dissertations-I & II) must be completed by 30th November, 30th of May respectively and project outcome be published in peer reviewed journals or may be presented in conferences/seminars or may be patented. Student has to study again another DSE course of 4 credits each in 3rd and 4th semesters in the case of earning MA (Honours)/ MSc. (Honours) Degree.

Dissertation/Academic Project/Entrepreneurship shall commence in 3rd semester and conclude in 4th semester. To amplify, 4 credits dissertation (Dissertation-I) will commence in 3rd semester and will be completed in 4th semester with of 8 credits dissertation (Dissertation-II). In 3rd semester, Dissertation-I will be evaluated (through DRC committee) on successful submission and finalization of Synopsis {i.e., approved Title and Objectives} and Review of Literature. In 4th semester, Dissertation-II will be evaluated on successful submission, evaluation and viva-voce examination of Dissertation/Project Report. Failure to submit the dissertation within stipulated time will lead to the reappear in the semester and degree will be completed two years. Maximum duration of the completion of the degree is of four years.

DEPARTMENT OF TRAINING AND PLACEMENT

OVERVIEW

The Training & Placement Department at SBBSU is comprised of a dedicated team of professionals committed to helping students secure employment through campus recruitment. We aim to foster placement opportunities for deserving students by engaging top-tier corporations for campus placements. We conduct various initiatives such as pre-placement training and industry-institute interface and organize conferences and seminars.

Our seasoned team communicates closely with leading corporate entities, continuously assessing industry expectations. Through a robust industry-institute interface, we tailor special programs to equip students with the skills to meet industry demands. This proactive approach has led to the successful placement visits of several renowned corporations at Sant Baba Bhag Singh University.

ENTREPRENEURSHIP

Embarking on the journey of starting a business can initially appear intimidating. Yet, there's encouraging news for university students: SBBS University offers the essential resources to foster successful entrepreneurship. The Department of Training & Placement has partnered with GNDEC-STEP to facilitate this endeavor through the SBBS University Centre for Entrepreneurship Development (SUCCEED).

INDUSTRIAL VISITS

Organising industrial visits primarily aims to familiarize students with real-world working environments. Additionally, the department offers a chance for students to learn about industrial practices and emerging technologies.

PLACEMENT PORTAL

The department launched a placement portal to easily access job opportunities at the SBBS University website under the placement section (<http://sbbsuniversity.ac.in/placement/training-placement-portal.php>)

GLIMPSES OF PLACEMENT ACTIVITIES AND ANNUAL JOB FEST:

CENTRAL FACILITIES

COMPUTER CENTRE

The University has centralized computer centre to cater to the needs of faculty, staff and students in addition to facilities available in various departments of the University. The computer centre is well equipped with 600+ personal computers of latest configuration, Dual Core, Core 2 Duo, i3, 15 (8th/10th/11th Generation). It facilitates the students and the faculty in developing a number of research applications. The university is well connected with 01 Gbps Internet leased line connectivity. The university has also a backup line of 50 Mbps leased line.

The University campus has Wi-Fi compliance available 24x7. University has a Microsoft Cloud Campus Agreement License Kit with unlimited licensed software, Oracle certification. The following facilities are available in different sections of the computer centre.

SERVER ROOM

8 High Configuration Servers are provided in the Server Room (AIX IBM p505 series server, IBMx3250M4 and IBMx3200M3 Servers) supporting university website server and email server.

FACULTY LAB

Faculty Lab is well equipped with appropriate internet connectivity. It provides the internet facility to the faculty and staff which helps in the continuous improvement of knowledge, teaching methodologies, project work and research.

STUDENT SERVICE CENTRE

The Student Service Centre is well equipped with latest configuration personal computers, equipped with laser 3 in 1 printer, scanner and DVD writer. It provides the facility to the students for taking printouts and scanning of documents and writing of CD's and DVD's for the assignments, lectures.

INTERNET LAB

Internet laboratory provides facilities for academic and technical development which helps the students to prepare for the global market. The campus is provided with efficient network with 24 hours Wi-Fi Connectivity. Database lab is used for teaching concepts of Database Management System and is equipped with Oracle Server. Remote experiments are carried out in collaboration with IIT Delhi. Students also get benefit of working and obtaining credits through MOOC Course.

MEDIA STUDIO

The university has a high-tech media studio provided to the faculty and staff to conduct and manage events online.

NATIONAL CADET CORPS (NCC)

Senior division of National Cadet Corps (NCC) is available to all suitable candidates in the campus of the University. NCC unit is attached with the 8 Punjab Battalion NCC, Phagwara.

MOTTO OF NCC : UNITY AND DISCIPLINE

Rabindranath Tagore said that every time a child is born, it shows that God has not lost faith in mankind. The National Cadet Corps (NCC) is the world's largest uniformed youth organization. NCC provides the right environment to motivate the youth to join the armed forces. Therefore, this University with the help of 8 Pb Bn NCC try to highlight the motivational techniques adopted for NCC cadets as Defence Services have unique conditions like risky nature of job, difficult and hazardous working condition, frequent job rotation & periodic transfers. Motivation is a key factor in enabling conventional armies to win conflicts in daily life and in job also.

Dr. Harpreet Singh
CTO NCC

CENTRAL LIBRARY

Sant Baba Bhag Singh University has a Central Library and branches in the University Institutes; it is the central service unit to facilitate help in creation of new knowledge and information through the Current Awareness Services (CAS), Selective Dissemination of Information (SDI), E-resources, print and non-print resources. The Sant Baba Bhag Singh University Central Library serves as a model of an evolving and dynamic facility in technical learning. The library, as an established knowledge hub that is conveniently accessible by those associated with the University, has a major contribution and making top ranked Academic & Research driven university. The Library's collection comprises hybrid resources (Print & Electronic) in the field of science and technology, engineering, management, law and hotel management. The Library also has a separate Internet section consisting of a number of networked terminals for providing recent and most comprehensive access to online journals, online databases and other online reference resources to the faculty, students and staff under Intranet and Internet environment. The Central library has automated all its routine activities through library software E-Granthalya, D-Space Institutional repository and also extended the scope of various services like CD-ROM database search, OPAC and Web based OPAC. New Arrivals have Databases of books in English, Hindi and Punjabi Languages. As soon as new books are purchased and processed, their bibliographic description is added in the OPAC. Computer terminals have been dedicated for the readers to use OPAC for their search of books. In addition to OPAC this facility is also available on INTRANET within University Campus to benefit the students/faculty members by giving access to catalogue at their respective departments. The entire library collections including book, e-books, journals, databases can searched and browsed through the Web enabled Online Public Access Catalogue (OPAC). Users can access the OPAC to find out the real time availability of books, CDs, Thesis, dissertations etc, from the computer terminals, webpage of the library, faculty and students can hold the library resources which is on Loan. Central Library has a reading hall, which remains open from 8:00 AM to 9:00 PM. Library attendants remains present at every time in the reading hall to provide assistance to the students.

Current Awareness Service

Students, research scholars and faculty members are constantly kept aware of the latest books added to the library through display of selected books and book jackets in the new arrival corner. Displays are also organized on various occasions. 'Books of the month: bibliographical detail of the books', is sent to all the departments from time to time in printed form as well as through e-mail. Articles, news clippings are also sent to the research scholars and academic community of the Sant Baba Bhag Singh University.

Orientation Programmes and Awareness programs

Library Orientation Programmes and Awareness programs are arranged for the new students in the beginning of the session to familiarize them with various library services, sections of the library and their working. Free training to use Internet is also provided to the new students. Library Orientation Programs and Awareness programs are also organized for the students of the different schools to make them aware about the facilities being provided in the Central Library.

HOSTEL FACILITIES

While studying at SBBSU you will have the choice of living in SBBSU's hostels. You can also choose to live at home or in the private rented sector.

OUR VIBRANT COMMUNITY

Separate boys & girls hostels are available. The hostel rooms are fully equipped with adequate modern furniture & fixtures.

The facilities for recreation, indoor games, guest rooms, telephone, 24x7 water/electricity supply and medical facilities are available in the hostels. A central totally hygienic kitchen/mess for hostels has been established in each hostel.

100 Mbps centralised Wi-Fi facility and Gym facility are at the disposal of students in the hostels.

TRANSPORT FACILITIES

The University has a fleet of 51 buses plying from various cities/locations e.g. Goraya, Phagwara, Jalandhar, Hoshiarpur, Dasuya, Mukerian, Bhogpur, Garhdiwala, Allawalpur and Mahilpur. Additional buses to any other city/location can be arranged if it is financially viable.

MEDICAL FACILITY

Central dispensary has been established to provide the first aid in case of any medical problem. An ambulance is also available in the campus to take the students to Guru Nanak Sadh Sangat Charitable Hospital, Kalra (being run by SBBSMCS) in case of medical emergency.

SPORTS FACILITIES

Physical fitness is as necessary as education to develop a well-balanced personality. Sports enable us to lead a healthy life paving way for a sound mind and body. It not only keeps our body fit but is also a good tonic for our mind.

Special emphasis is laid on sports and extra co-curricular activities at SBBSU. Significant facilities for such healthy activities within campus are as follows :

- 400 meter track for Athletics
- Table Tennis Hall
- Cricket Ground
- Handball Court
- Kickboxing
- Gymnasium
- Football Grounds
- Badminton Court
- Basketball Court
- Power Lifting & Weight Lifting
- Kabaddi Ground
- Kho Kho Ground
- Volleyball Courts
- Shooting Range
- Hockey Ground
- Wrestling
- Cross Country

Being a student at SBBSU is not only an enriching experience from an academic perspective you'll also become part of a diverse and active student community with countless ways to get involved, meet like-minded people and develop new sports skills for the future.

CENTRAL INSTRUMENTATION FACILITY (CIF)

Central Instrumentation Facility (CIF) is a central facility dedicated for the highly sophisticated and high end instruments which are meant to be used by students/ scholars/ researchers from all fields of Sciences and Technology to promote multi-disciplinary research in SBBSU. The objectives of CIF are as follows :

- To promote excellence in teaching and advanced research in various disciplines of Sciences under one roof to instruments and other facilities.
- To strengthen the scientific and technological infrastructure, SBBSU is developing a state-of-the-art CIF with sophisticated promoted multi-disciplinary research as mentioned in National Education Policy (NEP).
- Besides the students/learners/researchers/teachers of SBBSU, this CIF shall also cater to the needs of all those researchers who are deprived of such facilities including academic research institutes, other Higher Education Institutes, private Companies/Industries/laboratories etc. at nominal charges.

SANT BABA MALKIT SINGH JI MEMORIAL CENTRE OF PREPARATIONS FOR COMPETITIVE EXAMINATIONS

"Sant Baba Malkit Singh Ji Memorial Centre of Preparations for Competitive Examinations is established at Sant Baba Bhag Singh University to create awareness and encourage the learners of SBBSU/ youth of rural area and/or to help aspirants compete in various state/national/international level examinations (NET/SLET/ GATE/GMAT/ CAT/GRE/ TOEFL/Civil Services/State government examinations). The centre shall focus on cultivating the interest and providing specific training required for such Examinations/ necessary exposure to competitive environment.

SANT BABA MALKIT SINGH JI CHAIR

Sant Baba Malkit Singh Ji Chair is established at SBBSU which provides scholarships to promote and encourage research among the scholars of the university. It was started at the initiative of Dr. Amarjit Singh, and Ms. Kirandeep Kaur is working as a chair fellow. Apart from carrying out various research projects, national/international seminars/conferences, publication of rare books is also being done under this chair. It also offers scholarships for research on the 'Nirmala' Sampradaya, the sect or spiritual lineage to which Baba Ji belonged.

SRI GURU GRANTH SAHIB CHAIR

The Department of Humanities has been committed to research and reflect on Sikh history and Sikh philosophy since its inception. Realizing the relevance of Sikh philosophy in the entire knowledge traditions of the world and the need for contemplation and great effort regarding the universality of Sri Guru Granth Sahib Ji, the Sri Guru Granth Sahib Chair has been established. The entire work of research and contemplation under this chair is dedicated to the Universality of Sri Guru Granth Sahib Ji. It is worth mentioning that under the 'Sant Baba Malkit Singh Memorial Chair' established earlier, the research work related to Nirmala sect and Sikh thought is going on very seriously.

A RAGGING FREE CAMPUS

According to UGC guidelines, the definition of ragging states that any conduct whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness any other students, indulging in rowdy or indisciplined activities which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a junior student to do any act or perform something which such student will not in ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect physique or psyche of a fresher or junior student.

Anti-Ragging Affidavit

Every student (fresh & old) has to submit Anti-Ragging Affidavit every year on the below mentioned link as per the guidelines and dates specified by UGC/ MoE, Govt of India by 1st November
https://www.antiragging.in/affidavit_registration_disclaimer.html

As per the directions of the Hon'ble Supreme Court of India, if any incident of ragging comes to the notice of authority, the concerned student shall be given the liberty to explain and if his/her explanation is not found satisfactory, the authority would expel him/her from the University.

Enjoy an energetic student experience brought to life by events, entertainment, sports, clubs, volunteering opportunities and more. Get involved and build lasting friendships along the way.

IMPORTANT INSTRUCTIONS FOR THE STUDENTS

- According to the Hon'ble Supreme Court of India, Ragging in Educational Institutions is banned. Ragging is a Cognizable Offence.
- Senior students are advised not to indulge in Ragging. Ragging entails heavy fines and/or suspension/expulsion.
- Ragging is an undesirable social offence which is totally banned in the University.
- In case, the applicant for the admission in the University is found to have indulged in ragging, admission may be refused or he/she shall be expelled from the University.
- In case of the Ragging, please do not keep quiet, report it to the authorities immediately.
- It is mandatory for the parents to report immediately to the Authorities of the University in case their ward informs them about ragging.

RULES & REGULATIONS

A. GENERAL RULES

- A student shall conform to high standards of discipline and shall conduct himself/herself, within and outside the premises of the University, in a manner befitting the students and the University.
- He/She shall have a seriousness of purpose and shall in every way train himself/herself to lead a life of earnest endeavour and co-operation.
- He/She shall show due courtesy and consideration to the employees of the University and good neighbourliness to his fellow students, respect to the wardens of the hostel and the teachers of the University and pay due attention and courtesy to the visitors & members of society and other officials of the University.
- Ragging in any form is banned. Ragging is a criminal offence as per the Supreme Court ruling and FIR shall be registered against the student(s) found indulging in the crime.
- To safeguard its ideals, character and personal behavior, University reserves the right to expel the students from the institution for any reason deemed sufficient.
- The Head of Department (HoD) can impose minor punishment such as fine up to ₹500/-. HOD can place a student under suspension from class/hostel in case of gross indiscipline on the part of student.
- Major punishment such as expulsion/rustication from the University, debarring the candidate from appearing in the university examination shall be executed by Principal on the result of enquiry conducted by disciplinary committee.
- Students and their parents/representatives are forbidden from addressing members of SBBSMCS Authorities.
- Consumption of non-vegetarian food, alcohol or any other intoxicant and smoking etc, are strictly prohibited in the University Campus.
- The guilty students shall be liable for punishment and disciplinary action which may include suspension, expulsion from the University or hostel or imposition of fine or both.
- Semester tuition fee and fine imposed, if any, is to be deposited in time, failing to do so may lead to suspension from classes/debarring from appearing in examination.
- All kinds of shouting or any act of movement or behaviour that is likely to cause disturbance of the teaching is strictly prohibited.
- Every student is to see that no damage is done to University property. Fitting and repair charges for the damage [intentional or negligence] are to be borne by the student.
- Regarding availing bus facility by the existing students, minimum three (03) months fee will be charged from the student if he/she discontinues availing the facility before mid-session or starts availing the facility after mid-session. Similarly full six months fee will be charged if he discontinues availing the facility after mid-session or starts availing the renewal facility before mid-session.
- The University reserves the right to make amendments in these rules & regulations from time to time.
- Eligible SC, ST, OBC, PWD students etc. should apply for the respective scholarship scheme for as per the guidelines issued by the State/ Centre Govt. from time to time.
- All disputes pertaining to admission under the domain of admission brochure/prospectus are subject to the jurisdiction of the Courts of Jalandhar (Punjab) only.

SHIFTING OF COURSE

After the start of session, shifting will be made on the recommendation of COD/HoD/Dean and approval of the competent authority. For this purpose, fee deposited by him/her will be adjusted after charging ₹2000/- (for each shifting) as shifting charges fee.

MEDICAL FITNESS CERTIFICATE

The students will have to produce the medical fitness certificate from the Registered Medical Practitioner.

REFUND POLICY

The amount of fee to be refunded to a student, in case he/she chooses to withdraw from the programme of study in which he/she is enrolled, shall be as given below:

- 90% fee is refundable if the student applies before the last date of admission.

- 80% fee is refundable if the student applies within 15 days, after the last date of admission.
- 50% fee is refundable if the student applies after more than 15 days and less than 30 days, after the last date of admission.
- In case of students availing Hostel/Transport facility, the Hostel/Transport fee will not be refunded. No refund of fee will be made if the student applies for refund, more than 30 days after the last date of admission.
- If any student is not interested to continue studies in the first semester, he/she can apply for the refund before the start of 1st semester examination, thereafter no application of refund will be entertained.

UNIFORM/ DRESS CODE

In addition to being a valuable asset of the University, every student is also its brand ambassador. The conduct, behavior and the personal appearance of the student reflects on him as well as the University.

Thus, it is important for all students to follow the defined dress code/Uniform as per the notice/ circular issued in this regard.

It is mandatory for all the students to wear prescribed uniform as per dress code from 01 October 2024 onwards and 1st day of all other semesters. Students not wearing uniform will be fined ₹100/- per day.

CENTRAL LIBRARY

WORKING HOURS

All Working Days	: 08.00 am to 08.00 pm

- Keep all belongings like personal books & other printed material, umbrella, bags files etc. at the Property Rack.
- The "No Dues Certificate" can be secured from the library after surrendering library card and clearing all library dues.
- No library reading material would be considered returned until it has been returned properly at the circulation counter of library.
- Taking books out of the library without authorization, marking or underlining or in any way disfiguring and mutilating books or library property is a misdemeanor which may lead to withdrawal of library privileges or in serious cases to heavy fine and disciplinary action.
- Library is yours, love it and do not mutilate books. Books are for the generations to come.
- At the time of issue, the borrower should check condition of the book to be issued. In case it is damaged or not in good condition, it should be pointed out to the library officials at the Circulation Counter otherwise last borrower shall be responsible for any damage to the book/periodical etc.

- Get yourself checked at exit of library while you go outside.
- Eating/Drinking in the library premises is strictly prohibited to keep away ants, flies, and other insects etc.
- Maintain PIN DROP SILENCE in and around the Library premises.

IDENTITY CARD RULES

- It is compulsory to Display/Possession of identity cards by all students of the campus for identification and security reasons.
- Every student must wear identity Card while in University premises.
- Failure to produce the identity card on demand by the competent authority will lead to disciplinary action/imposition of fine.
- Loss of identity card must be reported to Head of Department or Dean immediately and a new card be obtained immediately. The fee for the replacement will be ₹100/-.
- University has the right to expel the student from university if the student is found not wearing the Identity Card 13 times.

ATTENDANCE RULES

- A student must be regular and punctual in attendance.
- If a student remains absent from the University continuously for ten days, his/her name will be struck off from University rolls.
- He/She may be re-admitted on the payment of readmission fee and penalty. He/She will not be allowed to attend the class till he/she is readmitted.
- A student must fulfill the requirement of attendance as laid down by the university, minimum 75% attendance is mandatory, failing which, he/she will be detained from appearing in the university examinations.

LEAVE RULES

- Normally a student is expected to attend all classes. Absence from classes without valid reason is an act of indiscipline. It is mandatory for a student to have 75% attendance of scheduled classes for appearing in University examination.

- Students absenting themselves without any valid reason shall be liable to disciplinary action including fine.
- The medical officer must recommend leave application on medical ground. Father/Guardian of student must countersign such application before it is sent to the University. Medical officer will clearly specify the disease and the period of rest recommended.
- Medical Certificate from the competent authority must be submitted on rejoining the University.
- The Dean will sanction medical leave.
- Absence from examination for whatever reason will not make the student eligible for any benefit.
- Students intending to go outside the campus gate during working hours can do so with the permission of HOD.
- No leave shall be counted towards making up of 75% attendance.

EXAMINATION RULES

- There shall be two examination during the semester, followed by end of semester examination.
- It is compulsory for the students to appear in all the examinations.
- In case student falls ill/sick during the Exam-I or Exam-II, his/her leave application on the prescribed form supported by Medical Certificate should be submitted to concerned CoD/HoD/Dean to appear in Exam-III.
- Theory and practical in each subject are considered two separate units.
- A student found guilty of using unfair means during the examination will be given deterrent punishment. He/She may even be expelled from the University or disqualified from appearing in the University examination.

B. HOSTEL RULES

HOSTEL ACCOMMODATION

- Separate boys & girls hostels are available. The hostel rooms are fully equipped with adequate modern furniture & fixtures.
- The facilities for recreation, indoor games, guest rooms, telephone, 24x7 water/electricity supply and medical facilities are available in the hostels. A central totally hygienic kitchen/mess for hostels has been established in each hostel.
- 100 Mbps Wi-Fi facility is available in hostel.
- Gym facility is available in hostel.

HOSTEL ROOM ALLOTMENT

- The student must be personally present at the time of allotment of rooms. Rooms to be allotted will be specified immediately before an allotment is made.
- The student can choose their roommates initially and make request for allotment accordingly.
- The boarder shall not be entitled to retain accommodation in the hostel beyond his/her normal period of study.
- No boarder is allowed to change his/her room without the permission of the warden.
- The boarder shall have to vacate accommodation as and when asked for.

FURNITURE AND EQUIPMENT (HOSTEL)

- Every boarder is provided with a chair, a table, a cot, a Book rack, a Cupboard and bedding. He/She will be responsible for these items and other electrical fittings, etc. Furniture and electrical fittings are not to be removed from one room to another. Every boarder is to see that no damage is done to the hostel property.
- Fitting & repair charges for any damage (intentional or negligence) are to be borne by the boarder concerned.
- Use of all electric appliances, except laptop, mobile charger and an extra table lamp, is prohibited.

The following is the room rent of hostel:

NORMAL ROOMS

03 seater room = ₹7000/- per semester per candidate.
02 seater room = ₹10500/- per semester per candidate.
Cooler Charges Extra.

AIR CONDITIONED ROOMS

02 seater room = ₹30,000/- per annum per candidate.
Hostel fee will be payable in lump sum and will not be accepted in installments. Room rent may change annually.

Note:

- Food charges will be extra and may vary from time to time.
- Students must make monthly payment of meals by 10th day of each month otherwise ₹10/- per day will be charged as fine.
- If a student is a hosteller and he is not staying in the hostel then the student has to pay ₹500/- per month to the mess contractor.

BOYS HOSTEL

- During winters, no student is allowed to go out of the complex after 6.00 pm. All students must return to the complex by 7.00 pm.
- During summers, no student is allowed to go out of the complex after 7.00 pm. All students must return to the complex by 8.00 pm.
- Night roll call will be taken between 7.00 pm to 9.00 pm.

GIRLS HOSTEL

- No girl student staying in hostel will remain outside the hostel after 8.00 pm both in summer and in winter.
- Night roll call will be taken between 6.00 pm to 7.00 pm.
- All girls must report to the warden during this time for marking the attendance.

GUESTS

- Guests are not, ordinarily, permitted to stay in the hostel except in the case of father/ brother & mother/sister (in case of girl students) provided he/she comes from a far off place at odd hours. The student must get permission for keeping his/her guest in the hostel from the Chief Warden. The guests so allowed will be kept in the hostel guestroom. Their names will be entered in the guest register kept in the hostel.
- Female guests are not permitted to stay in Boys hostel.
- Likewise male guests are not allowed to stay in the girl's hostel. A boarder keeping a guest without permission is liable for punishment.

ELECTRICITY

- Light, fans & coolers must be switched off when not in use. The use of electric heater, electric rod, electric tea kettle, etc. and other similar appliances is prohibited.

- Boarders are warned against tampering with electrical installation.
- For all electrical repairs the electrician should be called in.

BEHAVIOUR AND DISCIPLINE

- Hostellers are expected to display acceptable form of behaviour, maintain discipline and decorum in the hostel complex.
- Possession, distribution and consumption of alcoholic beverages, prohibited drugs, chewable tobacco and smoking in the hostel complex is not allowed.
- Parties/Gathering in hostel complex are not permitted without the prior and written consent of the chief warden.
- Hostellers must return to the hostel by 6.00 pm in winter and 7.00 pm in summer on off days after vacation or holidays as intimated by authorities.
- The hosteller will be allowed to stay out of hostel on submission of proper application duly authorized by parent and only if the permission is granted in writing by the authorities.
- Hostels should be a place where students can have the best possible conditions for studying and adequate rest. As such due consideration must be accorded to other hostellers at all times. Noise level must be kept low to allow other's opportunity to study and sleep in comfort. Television, Radio etc. provided in the common room must be switched off after 10.00 pm. These rules are intended to ensure a conducive environment for all hostellers. Personal music systems, woofers, etc. are not allowed. Students may listen to music by using earphones.
- Vandalism is very serious offence. Hostellers found guilty of committing such an offence can be evicted from the hostel and penalized.
- In case of any unacceptable behaviour by the room-mate, the other room-mate must report it to the college authorities.
- All kinds of shouting or any other act of movement or behaviour that is likely to cause disturbance or annoyance is strictly prohibited.
- Maltreating or showing disrespect to the hostel employees and canteen staff is strictly prohibited. In case of any complaint against them, the report should be made to the Hostel Warden.

- Dealing in general and specially with fellow students should be very courteous and polite. All disputes with fellow boarders should be avoided. Students must not take law into their own hands, but must report all disputes to the Hostel Warden.
- Teasing, maltreating or indulging in any sort of RAGGING of the newly admitted students is strictly prohibited. Serious disciplinary action will be taken against the defaulting students in accordance with the directions of the Hon'ble Supreme Court of India.
- A boarder found guilty of having committed a breach of rules shall be liable to the punishment by the Warden as under.
 - The Hostel Warden may issue a warning and/or impose fine on a defaulting student and may recommend expulsion from the Hostel/University.
 - Rules listed on the wall at the entrance of the hostel must be read and strictly adhered to.

UPKEEP OF THE HOSTEL

- Hostellers are responsible for keeping their rooms clean and help in keeping common areas in the hostel such as visitor's area, bathrooms, stair case and common room etc. clean and tidy at all times.
- All fans, lights and electrical appliances must be switched off when not in use.
- Cooking, making tea, etc. is not allowed in the hostel rooms.
- Common hostel furniture must not be moved without the permission of the chief warden.
- Any damage to the hostel property must be reported immediately to the Warden/Chief Warden. Defaulting hosteller will be charged for all damages except damages caused by normal wear and tear.
- Pasting of posters, writing, wall chalking, slogans of any kind or defacing the hostel in any form is not allowed.
- The hostel management reserves the right to make spot checks during day & night on the hostel and rooms without having to give prior notice to the students.
- Electrician, contractors or any other service person may enter the room as and when necessary in the course of their duty under the directive of the warden/chief warden. However, every effort will be made to respect the privacy and dignity of the hosteller.
- The hostel management reserves the right to move hostellers to other hostel room/units if there is a necessity.

EMERGENCY

- In case of any emergency please contact the Warden/Chief Warden or call hostel authorities.

MEDICAL

- Hostellers should immediately inform the warden/chief warden in
- case of any medical problem to get immediate first aid or general medicine from Medical Room.
- Ambulance, if necessary, will also be available to send the student to Guru Nanak Sadh Sangat Hospital, Kalra, on the advice of in-charge, Medical Room.

VISITORS

Visitors including parents are allowed only into the visitors area of the hostel during the visiting hours as follows:

Weekend (Saturday)	- 3.00pm to 6.00pm
Weekend (Sunday) and holidays	- 9.30am to 4.00pm

- All visitors must register at the guard house/warden office and provide all details and documents as requested by Security before entering the hostel complex. All visitors must leave the hostel complex by the laid down timings.
- Hostellers are not permitted to allow their visitors into rooms at anytime for whatever reason. Any hosteller found violating this rule will be evicted from the hostel and penalized.
- Non-hostel students are prohibited in the hostel without the permission of warden. The students who violate this will be answerable to the warden.

SECURITY

- The hostel management is not responsible for any loss of private property. Hostellers are strongly advised to lock all their valuable e.g. Mobile Phones, Laptops, Watches, Money, etc. at all times.
- Hostellers are not permitted to change rooms or sleep anywhere other than in their own room.
- Any hosteller, who finds his/her room-mate missing after the roll call, or for more than 12 hours in day time, must report to the Warden/Chief Warden immediately. This enables the hostel authorities to take immediate action. Cooperation of the students will be very much appreciated.
- Possession, distribution and use of Fire Arms, Lethal Weapons including Air Gun, Contraband, Electric Appliances such as TV, VCR, Heater, Iron, electric kettle, Oven etc. in the rooms are prohibited.
- Pets are not allowed in the hostel complex.

REVISION OF RULES AND REGULATIONS

- The hostel management reserves the right to revise the rules and regulation from time to time and will keep the hostellers informed of any changes in the form of notices on the hostel notice boards. Ignorance of rules will not be accepted as an excuse.

COMPLAINTS AND SUGGESTIONS

Any complaints, suggestions or enquiries are always welcome.

ADDITIONAL HOSTEL RULES FOR GIRL STUDENTS

- Each student shall present herself in the warden room to get herself marked present from 6.00 pm to 7.00 pm daily from Monday to Sunday except for the weekends commencing Friday evening to Monday morning, in case they are going home.
- For leaving from hostel, a slip shall be signed by the Warden putting the date and time of departure. This slip shall be signed by one of the parents after noting down the time and date at which the student reached her home.
- The same slip shall be signed by the parents noting the time and date of leaving from home for the University. The slip will be deposited with the Chief Warden/Warden.
- No student shall take a lift from any known or unknown person for going home and returning to the University/hostel. Only public transport or transport provided by SBBSMCS is to be used.
- For emergencies, the parents are requested to take their wards home personally or through a close relative duly authorised in writing and whose photographs are in the hostel record.
- A family photo of a girl student with father, mother, brother, sister, local guardian, etc. duly signed by each member, shall be kept in the records.
- Parent shall sign an affidavit regarding permission in case of they are willing to permit their student daughter to travel under her own arrangements independently from/to hostel. Before the start of session candidate is allowed to shift from one general course/department to another general course/department.

This brochure has been drafted in advance of the academic year to which it applies. Every effort has been made to ensure that the information contained in this brochure is accurate at the time of publishing. But changes (for example to course content) are likely to occur given the interval between publication and commencement of the course. It is therefore very important to check our website for any updates before you apply for the course by following www.sbbuniversity.ac.in. Where there is a difference between the contents of this brochure and our website, the contents of the website take precedence.
