## PROSPECTUS 2022-23

# Our Pioneer

## HON'BLE SANT BABA MALKIT SINGH JI

**Founder Chancellor : Sant Baba Bhag Singh University**

**Founder President : Sant Baba Bhag Singh Memorial Charitable Society**

**Founder Chairman : Sant Baba Bhag Singh Educational Complex**

The saint and seer who encouraged the society to find within the remedies of ills plaguing us, was born with a firm conviction that there is no religion bigger than humanity. He worked selflessly for the upliftment of the poor and made sure that there is no discrimination over caste and religion. The missionary zeal of Sant Baba Malkit Singh Ji resulted in the development of the place into a centre of true education where high quality scientific, technical and moral education is imparted. He took upon himself the task of fulfilling the vision of his mentors by encouraging the youth of this backward, rural and flood ravaged area onto the path of progress through authentic and affordable education. The life and deeds of Sant Baba Malkit Singh Ji were marked with rising above the self and implied restrictions of prejudices, dedicating his life in the service of mankind and by living through honest means.

His total commitment to the service or *sewa* brings completion and spiritual fulfilment to his extra ordinary persona, realization that strong moral character, physical well-being, strength, emotional and aesthetic abundance are outcomes of a meaningful education. He sturdily advocated that only individual development is of no meaning if it is not put to good use for the society. A natural consequence of a true education, according to Sant Baba Malkit Singh Ji, is service of the society through honest means where resources are shared, inequalities are bridged and discrimination is abolished. Convinced that a combination of knowledge, action and devotion can bring about physical and spiritual transformation of individuals as well as the society, he founded Sant Baba Bhag Singh University in 2015 as a great seat for learning.

---

He worked selflessly for the upliftment of the poor and made sure that there is no discrimination over caste and religion.

## SANT BABA DLAWAR SINGH JI (BRAHM JI)

- Second Chancellor : Sant Baba Bhag Singh University  
Second President : Sant Baba Bhag Singh Memorial Charitable Society  
Second Chairman : Sant Baba Bhag Singh Educational Complex

The benevolent Sant Baba Dlawar Singh Ji, also remembered as “Brahm Ji”, will always remain a guiding spirit for all of us. He was a “great saint”, who devoted his whole life for the betterment of human beings. From his early childhood he was inclined towards Sri Guru Granth Sahib Ji. He came into contact with Dera Santpura Jabbar Sahib and he decided to surrender his life to this dera. With the passage of time, he realized that he found his niche here under the guidance of Sant Baba Malkit Singh Ji. Charity and spiritual learnings were the hallmarks of his enlightened personality.

He toiled himself in the fields and kept himself grounded. He was a true environmentalist. The plantation in Dera Sahib and nearby areas is done by Sant Baba Dlawar Singh Ji. He echoed the gospel of Sri Guru Nanak Dev Ji's “*Kirat Karo, Naam Japo, Vand Chako*” in his life. He inspired youth of the area for human and social welfare activities. Countless people especially youth has remained connected with him seeking celestial blessings. He got erected a large number of bridges with the association of Sant Baba Malkit Singh Ji to make the lives of the surrounding villages comfortable.

Sant Baba Bhag Singh University is not just an ordinary University but a vision. It is a vision and dream of Sant Baba Malkit Singh Ji that was dedicatedly fulfilled by Sant Baba Dlawar Singh Ji. After Sant Baba Malkit Singh Ji, he took all the pains to bring that dream into reality. Under his able guidance, the university has been fully blossomed catering the need of the rural population of Punjab and other states. The works that he has done in his short life span, cannot be completed in many lives. He is a true inspiration for the mankind.

# CHANCELLOR'S MESSAGE

I have a firm conviction that quality education is a corner-stone for the complete upliftment of society. Sant Baba Bhag Singh Memorial Charitable Society (SBBSMCS) was constituted to give practical shape to the innovative idea of quality education. With the efforts of the Society and under the able guidance of Hon'ble Sant Baba Malkit Singh Ji, Sant Baba Bhag Singh University came into existence. It envisages to tap the potential of the students to produce competent professionals. I am glad that many eminent educationists and leading industrialists have joined the movement along with the general public and NRIs. I am fully confident that with the blessings of the Almighty, this endeavour would be a success and would continue to serve the society.

**Sant Baba Sarwan Singh**  
Chancellor

## VICE-CHANCELLOR'S MESSAGE

Envisioned and initiated by the revered Saint Sant Baba Bhag Singh Ji and then continued by Sant Baba Hardyal Singh Mussafir Ji and Sant Baba Malkit Singh Ji of Dera Santpura Jabbar, the dream project of rendering high-quality education at the very door steps of the people saw its realization by the establishment of Sant Baba Bhag Singh University vide Punjab Government Act 6 of 2015. The Journey however began with the dissemination of primary education, then shaping up into secondary education and finally found its culmination into higher education in the form of Colleges, Institutes and finally, the full-fledged University. The Holy Saint and Founder Chancellor of the University, Sant Baba Malkit Singh Ji had a noble and philanthropic vision of providing higher education to the poor rural students of the area who could not afford to go to distant places for higher education in different programs and, therefore, worked tirelessly for the establishment of the University.

The University offers multi-faceted education aiming at diversified options for professional programs and growth in the fields of Engineering, Management, Sciences, Humanities, Commerce, Education, Sports, Rural Development and Agriculture. The programs vary from Short Term Courses to Doctorate Level Courses. The University earnestly endeavors to attract students by providing liberal fee concessions, calm and pollution free environment and maintenance of proper discipline. I feel privileged to be a part of this unique University with firm commitment towards achieving excellence in all fields and to make it a globally acclaimed University with noted ranking along with excellence in teaching, research and outreach. The university aims at honing and grooming the budding and promising students into all-round personalities of whom the nation would be proud of and who would serve as role-model for the students and society as well. It is rightly said, creativity comes in "cans" and we create "cans" in our students by catering to their cognitive needs.

Aspiring for quality education and drug free environment is a much sought after dream which is now easily materialized here as the Sant Baba Bhag Singh University is the right place to be in and an educated choice for you, we boast of a highly dedicated and highly qualified faculty always committed to the cause of education. It will accord us immense pleasure to welcome you and see your foot falls at the University.

**Dr. Dharmjit Singh Parmar**  
Vice-Chancellor

# ABOUT THE UNIVERSITY

Sant Baba Bhag Singh University came into existence vide Sant Baba Bhag Singh University Act, 2014 (Punjab Government Act No. 6 of 2015) and is recognized by UGC under Section 2(f) of UGC Act, 1956. This University has been established in the name of Sant Baba Bhag Singh Ji, who carried forward the mission of 'NIRMALA PANTH' initiated by Sri Guru Nanak Dev Ji and Sri Guru Gobind Singh Ji, the Tenth Guru of Sikhs, to spread education for all round development of the society. Sant Baba Bhag Singh visualized that education and self-help are the transforming forces for upliftment of the common man. To achieve this, Sant Baba Malkit Singh Ji adopted flash rivulet devastated rural area of Jabbar/Manko (Jalandhar) and marched on to educate people to identify their problems and then solve it by self-help. In this direction, a programme of 'Girl Education' was initiated in 1954 with a view that girl education was a step towards empowerment of the family. Carrying forward the legacy, Sant Baba Malkit Singh Ji established Sant Baba Bhag Singh Memorial Charitable Society (SBBSMCS) in the year 2000, facilitating education from Nursery to Postgraduate Degree level, to make Quality Education accessible to rural youth in technical and professional streams in the Doaba region of Punjab. During period of Chancellorship of Reverend Sant Baba Dlawar Singh Ji (Brahm Ji) all the institutions fully blossomed. Now the University is making rapid strides under the illustrious leadership of present Chancellor, Hon'ble Sant Baba Sarwan Singh Ji.

# SANT BABA BHAG SINGH UNIVERSITY – INSTITUTES

- ❖ UNIVERSITY INSTITUTE OF ENGINEERING & TECHNOLOGY (UIET)
- ❖ UNIVERSITY INSTITUTE OF SCIENCES (UIS)
- ❖ UNIVERSITY INSTITUTE OF COMMERCE AND MANAGEMENT (UICM)
- ❖ UNIVERSITY INSTITUTE OF COMPUTER APPLICATIONS AND INFORMATION SCIENCES (UICAIS)
- ❖ UNIVERSITY INSTITUTE OF EDUCATION (UIE)
- ❖ UNIVERSITY INSTITUTE OF LAW (UIL)
- ❖ UNIVERSITY INSTITUTE OF HUMANITIES (UIH)

Sant Baba Bhag Singh University is committed to the creation, achievement and dissemination of knowledge after 10+2 and graduation levels with unique model of degree with skill in all Engineering branches, Information Technology, Commerce and Management Studies, Pure Applied Sciences, Agricultural Sciences, Para-Medical Courses, Education, Physical Education, Medical, Computer Application, Law etc. The University offers full time as well as part time M.Tech./Ph.D. courses in all streams of education. Lateral Entry is also available in various programmes.

The courses are so designed that one gets not only degree but skill certification too. Equipped with outstanding staff and infrastructure, Sant Baba Bhag Singh University facilitate skill development embedded courses to achieve its mission of imparting knowledge and strengthening students with the skills to contribute in professional as well as personal life and make them go 'Beyond Mundane Learning'. The University is committed to ensure bright future of the learners in the contemporary era by putting novel efforts to work in accordance to the lurking needs in the theory ridden present education system.

## DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

With a massive growth in demand for computers in every part of the world, Computer Science & Engineering field is in boom. The department's mission is to empower every student to be innovative, creative and acquire skills in Computer Science & Engineering to enrich the society and achieve a happy, successful and meaningful life. The department follows the outcome-based learning approach to achieve programme educational objectives (PEOs). The department focuses not only on the theoretical aspects but emphasize the overall development of the students. There are Special Interest Groups among the faculty who are focused in their research domains like Data Mining and Big Data Analytics, Wireless & Mobile Computing Security & Trust Computing, Wireless Sensor Networks & IOT, Soft Computing, Image Processing, Machine Learning and Data Analytics, Natural Language Processing, Cloud Computing and Social Networking Network Security, Service Oriented Architecture and Theoretical Computer Sciences. The CSE department's many strengths include its high faculty-to-students ratio, state-of-the-art facilities, renowned faculty, strong focus on undergraduate education balanced with leading-edge research, and emphasis on leadership, service, and ethics. Teaching Learning process is given at most priority in pursuit of improving the quality of technical education. Innovative teaching aids and methodologies are used by the department towards this goal. The efficacy of the Teaching-Learning process is reflected in the consistently excellent results being achieved every year. The students have 24 hours access to high speed broadband internet connection. To augment professional competence, the department supports in outside talents to gain more inputs, organizes hackathons, seminars, periodical symposia and workshops not only to offer a newer dimension to the learning process but also infuse leadership qualities in the budding engineers.

# ENGINEERING & TECHNOLOGY

## PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Tech.	4 years	<p>a. Passed 10+2 examination with Physics/Mathematics/Chemistry/Computer Science/Electronics/Information Technology/Biology/Informatics Practices/Biotechnology/Technical Vocational subject/Agriculture/Engineering Graphics/Business Studies/Entrepreneurship.</p> <p>b. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.</p> <p>OR</p> <p>Passed min. 3 years Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) subject to vacancies in the First Year, in case the vacancies at lateral entry are exhausted.</p>
B.Tech. (lateral entry to second year)	3 Years	<p>a. Passed minimum THREE years (Lateral Entry) Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in ANY branch of Engineering and Technology.</p> <p>OR</p> <p>b. Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to reserved category) and passed 10+2 examination with Mathematics as a subject.</p> <p>OR</p> <p>c. Passed D.Voc. Stream in the same or allied sector</p>
M.Tech. (Regular)	2 Years	<p>a. Passed Bachelor's degree or equivalent in the relevant field</p> <p>b. Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying Examination.</p>
Ph.D.	As per UGC guidelines	As per UGC guidelines

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

## SALIENT FEATURES

- Provides a learning environment strongly focused on collaborative and interdisciplinary research under the guidance of experienced and qualified faculty members most of them are doctorates.
- The teaching programme, here, is devised keeping in view the significance of Industry-Academia interaction enabling the students to face the global competitiveness with effective communication.
- The Department regularly organizes conferences, hackathons, seminars, student symposia short-term training program and value added courses. This provides a wide range of opportunities for faculty and students to bring out their potential and innovative skills in a variety of fields.
- Repository of software covering a wide spectrum of applications. The department in collaboration with IIT has setup virtual labs for remote experiments.
- Digital Library with access to journals and video lectures of eminent professors.

# DEPARTMENT OF CIVIL ENGINEERING

Civil Engineering is the oldest engineering discipline. Civil engineering addresses to all the aspects of the infrastructure facilities necessary for the modern living in housing such as buildings, transportation system, water supply, urban development etc. The versatile branch of civil engineering is often referred to as evergreen branch as new graduates do find jobs of different kind/types. Civil Engineering is the most versatile and core branch of engineering comprising of structural design and analysis, surveying, geotechnical, irrigation, transportation etc. Increasing competition and complex technological breakthrough has widened the scope of Civil Engineering branch. This is basic to any kind of construction as industrial, commercial, residential in general. Civil Engineering finds wide applications in all fields of technology.

The goal of the B.Tech. graduate program in Civil Engineering is to provide students with a solid understanding of Civil Engineering solutions in a global, societal, and environmental context, in accordance with the principles of sustainable development. The course will prepare students to identify, formulate, and solve civil engineering problems that meet specified performance, cost, time, safety, and other quality needs and objectives while adhering to professional and ethical standards.

Our faculty has fundamental competencies to teach in all of their specialized fields along with the support of our dedicated technical staff members. Hand-on projects, field trips and industry-academic interaction together make our students highly sought after graduates by the employers at the end of the course. The department ensures not only that the courses are updated, but also that they reflect the current needs of industry and the society as a whole.

## CAREER PROSPECTS

Civil Engineering is considered as one of the oldest branches of engineering. Each civil engineering project comes with its own set of challenges which require meticulous planning, creativity, adaptability and problem solving skills to develop infrastructure. Civil engineers will always remain in demand as development of infrastructure i.e. construction of buildings, skyscrapers, roads, highways, dams, bridges, water treatment plants, sewage treatment plants etc. to name a few, rely on their expertise and talent. Civil engineering can offer some of the most lucrative jobs in the technology sector. Another advantage is that civil engineers can also apply for IT jobs after learning how to operate certain civil engineering software.

## SALIENT FEATURES

- Well equipped labs based on latest technology to cater the academic need of students.
- Regular field survey and field work to get more practical knowledge and also conduct survey camps every year for 15 days in hilly areas.
- Use of automatic total station in surveying for more accurate measurements.
- Skill development classes on Autocad and Stadd-Pro.
- Regular conduction of seminars and visits on present traffic scenario.
- Well experience teaching and non teaching staff is one of the greatest assets of department and care is taken to ensure that students acquire all the essential engineering skills.
- The Virtual Labs platform at IIT Delhi is being used to provide additional Virtual Lab classes.
- The syllabus is well-balanced, with an effective combination of research and industry-relevant courses.
- Students attend workshops, seminars, and guest lectures on a regular basis to know more about current technology and innovative strategies.
- Mini-projects and on-site training sessions to give students hands-on expertise.
- Students are exposed to a wide range of environments through industrial visits to a wide range of well-known companies.

## PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Tech. (Civil Engineering)	4 Years	<p>a. Passes 10+2 examination with Physics/Mathematics/Chemistry/Computer Science/Information Technology/Biology/Informatics Practices/Biotechnology/Technical Vocational Subject/Agriculture/Engineering Graphics/Business Studies/ Entrepreneurship.</p> <p>b. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.</p> <p>OR</p> <p>Passed min. 3 years Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) subject to vacancies in lateral entry are exhausted.</p>
B.Tech. (Civil Engineering) (Lateral Entry to Second Year)	3 Years	<p>a. Passed minimum THREE years (Lateral Entry) Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in ANY branch of Engineering and Technology.</p> <p>OR</p> <p>b. Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to reserved category) and passed 10+2 examination with mathematics as a subject.</p> <p>OR</p> <p>c. Passed D.Voc. stream in the same or allied sector.</p>

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

# DEPARTMENT OF MECHANICAL ENGINEERING

Mechanical Engineering is one of the most diverse and versatile engineering fields for the students who are passionate of Automobiles, fascinated by Nanotechnology and space shuttle vehicles, interested to contribute in healthcare or in developing cleaner and more efficient energy, keen to learn the process of Robotics and Automation or have a knack to develop new smart materials and many more. Virtually every product or service in modern life has probably been touched in some way by a mechanical engineer to help humankind.

## CAREER PROSPECTS

Jobs for Mechanical Engineers are always in demand worldwide, particularly in the automotive, aerospace, electronics, biotechnology, and energy industries, both in the Government sector and Private sector. The need for this expertise is excellent in so many fields, and as such, there is no real limit for the freshly minted Mechanical Engineer. A Mechanical Engineer student can choose from a variety of career options such as Aerospace, Automation, Automotive, Autonomous Systems, Biotechnology, Composites, Computer-Aided Design (CAD), Designing components and structures, Energy, Ergonomics, Manufacturing, Nanotechnology, Production planning, Robotics and many more. With such a wide range of skills inherited by a Mechanical Engineer, one can easily become a successful entrepreneur.

## THE FUTURE OF MECHANICAL ENGINEERING

The American Society of Mechanical Engineers (ASME) highlighted the many challenges requiring specific attention from Mechanical Engineers, such as developing Electric hybrid vehicles. As car manufacturing becomes more automated, mechanical engineers will also be front and centre in creating the robots and other machines that drive automotive assembly lines and cars. Mechanical engineers will be responsible for future space tourism and making high-velocity space shuttles, stronger and more effective military equipment for a country, Superior energy storage infrastructures, and useful Biomedical devices.

## SALIENT FEATURES

- The department comprises intellectual, inspiring and student-focused faculty, modern and sophisticated types of equipment, safe and supportive environment for the Mechanical Engineering undergraduates.
- The department is more focused on the practical approach, evident by the more credits given to the undergraduate project work. Labs are well equipped, and the students are supported by the department to showcase their creativity and innovate a valuable product for society. Short-term Industrial Training is also provided at the undergraduate level during various academic sessions.
- Guest Lectures and Panel discussions from the imminent personalities of the Industry and expert academicians/ Researchers are arranged for the students.
- Modern Multimedia teaching technologies are used to supplement lectures and enhance the quality of teaching. Computer-aided learning packages on different subjects are available for self-learning.
- Students are encouraged to participate in extra-curricular activities to build self-confidence, nurture team leading skills, and become good human beings.

## PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Tech.	4 years	<p>a. Passed 10+2 examination with Physics/Mathematics/Chemistry/Computer Science/Electronics/Information Technology/ Biology/Informatics Practices/ Biotechnology/ Technical Vocational subject/ Agriculture/ Engineering Graphics/ Business Studies/ Entrepreneurship.</p> <p>b. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.</p> <p>OR</p> <p>Passed min. 3 years Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) subject to vacancies in the First Year, in case the vacancies at lateral entry are exhausted.</p>
B.Tech. (lateral entry to second year)	3 years	<p>a. Passed minimum THREE years (Lateral Entry) Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in ANY branch of Engineering and Technology.</p> <p>OR</p> <p>b. Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to reserved category) and passed 10+2 examination with Mathematics as a subject.</p> <p>OR</p> <p>c. Passed D.Voc. Stream in the same or allied sector.</p>

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

# DEPARTMENT OF ELECTRICAL ENGINEERING

The department offers a vibrant environment for education in Electrical Engineering. Our mission is to provide a high-quality education and prepare students to design and develop products as well as practical solutions to problems in public and private sectors. Currently, the department of Electrical Engineering offers B. Tech. in Electrical Engineering.

Faculty members in the Electrical Engineering department hold B.Tech./M.Tech./Ph.D. degrees from prestigious government institutions. Faculty members have specialization in diverse fields of Electrical Engineering such as Power systems, Electrical Machines, Electrical Drives, High Voltage Engineering, Control systems, Instrumentation, Biomedical Engineering, Signal Processing, and Data Mining.

The faculty members have published significant number of research and review articles in reputed International Journals as well as in the proceedings of various International and National Seminars, Conferences, Symposia and Workshops. Members of the faculty have also contributed chapters to books published by well-known international publishers.

## SALIENT FEATURES

- The department's faculty is highly qualified and has extensive teaching experience.
- Excellent teaching methodology with a focus on interactive learning through the use of audio-visual aids.
- Well-equipped and upgraded labs to provide students with hands-on learning opportunities.
- IIT Delhi's Virtual Labs platform is being used to provide additional Virtual Lab classes.
- The curriculum is well-balanced, with a good mix of research and industry-oriented courses.
- Students attend regular workshops, seminars, and guest lectures to learn about the latest technology and industry practices.
- Mini-projects and in-plant trainings to provide students with hands-on experience.
- Industrial visits to various renowned companies to expose students to a variety of environments.

## PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
B.Tech.	4 years	<p>a. Passed 10+2 examination with Physics/Mathematics/Chemistry/Computer Science/ Electronics / Information Technology/ Biology/Informatics Practices/ Biotechnology/ Technical Vocational subject / Agriculture/ Engineering Graphics/ Business Studies/ Entrepreneurship.</p> <p>b. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.</p> <p style="text-align: center;">OR</p> <p>Passed min. 3 years Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) subject to vacancies in the First Year, in case the vacancies at lateral entry are exhausted.</p>
B.Tech. (lateral entry to second year)	3 Years	<p>a. Passed minimum THREE years (Lateral Entry) Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in ANY branch of Engineering and Technology.</p> <p style="text-align: center;">OR</p> <p>b. Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to reserved category) and passed 10+2 examination with Mathematics as a subject.</p> <p style="text-align: center;">OR</p> <p>c. Passed D.Voc. Stream in the same or allied sector</p>

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

# UNIVERSITY INSTITUTE OF COMPUTER

The University Institute of Computer Applications & Information Sciences (UICAIS) strives for excellence in creating, applying and imparting knowledge in Computer Science through comprehensive education programmes, research & dissemination through scholarly publications and service to professional societies, the community, the state and the nation. The institute imparts quality education ranging from the expertise in traditional software development to the modern computing technologies.

## SALIENT FEATURES

- Faculties have experience in areas of Computer Architecture, Artificial Intelligence, Mobile and Computer Networks, Computer Graphics, Image Processing, Distributed Computing, Database Management System, Multimedia and Neural Networks, Cloud Computing, Software Engineering and Data Mining.
- More than 250 technical research papers published by the faculty in various national and international journals and conferences.
- The IT Infrastructure of the university is maintained by the department.
- The department carries out all in house software development and maintenance.
- 24 hours High speed Internet facilities with Wi-Fi connectivity.
- Specialized computer labs with latest Hardware and Software.
- Digital Library with access to journals and video lectures of eminent professors.
- Credit based continuous evaluation system to allow the students to assess their progress more frequently.
- Faculty mentor are assigned to a certain number of students to help students in planning their courses of study and for getting general advice on academic program.
- Elective courses are offered that bridges the gap between industry requirements and academia.
- Communication skills orientation program incorporated in the scheme of examination to make that course compulsory.
- Projects in final semester for exposure of the students to recent developments in their field of interest under the guidance of competent faculty members.
- Career opportunity seminars and expert talks are organized by the department.

# APPLICATIONS & INFORMATION SCIENCES

## PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility
BCA	3/4 Years	Passed 10+2 (from any stream)
BCA (LEET)	2 Years	Pass with 50% aggregate marks in Diploma (Engg. in any stream) (3 Years after 10th) or Diploma in Computer Applications/ Information Technology (2 Years/1 Year after 10+2) or equivalent.
B.Sc.(IT) LEET	2 Years	Pass with 50% aggregate marks in Diploma (Engg. in any stream) (3 Years after 10th) or Diploma in Computer Applications/ Information Technology (2 Years/1 Year after 10+2) or equivalent.
B.Sc.(IT)	3/4 Years	Passed 10+2 (from any stream)
B.Sc.(Animation & Multimedia)	3/4 Years	Passed 10+2 (from any stream)
BCA-MCA Integrated Degree	5 Years	Passed 10+2 (from any stream)
MCA	2 Years	BCA, B.Sc.(IT), B.Sc.(Non-Medical)

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

## DEPARTMENT OF LIFE SCIENCES, ALLIED HEALTH SCIENCES & AGRICULTURE SCIENCES

**Division of Life Sciences** was established in year 2015 under the University Institute of Sciences (UIS) with an objective to promote integrated approach to teaching and research in the diverse field of modern biology. Under this division, department is offering various programmes and courses at graduate, post-graduate and doctorate level. Major research areas include: Molecular Biology, Endocrinology, Biochemistry, Bio-diversity, Fish & Fisheries, Entomology, Animal Physiology, Plant Physiology, Plant Biochemistry, Plant Microbe Interaction, Stress Physiology, Ecology, Plant Biotechnology, Microbial Physiology, Medical Microbiology, Microbial Biotechnology and Animal Biotechnology. We impart knowledge through Lectures, Laboratory Practical, Workshops, Tutorials, Assignments, Group Discussions, Seminars and Field Visits/Hospitals visits. The teaching laboratories provide modern facilities and equipments for all our UG and PG students such as digital dissection, UV-Visible spectrophotometer, Laminar Air Flow, Autoclave, High speed Centrifuge, digital pH Meter, Electrophoresis unit etc. The Department has a friendly and supportive environment to nurture enthusiastic and independent learners.

### SALIENT FEATURES

- Life Sciences division has talented and well-trained faculty from diverse disciplines of Biology to impart quality training in Life Sciences education and research.
- Laboratories are well equipped with all the latest instrumentation facilities required for various Programme and Research.
- Syllabi of all programmes are revised regularly to incorporate latest contents according to the need and demand of industry and academia. The syllabi of the course are designed to equip the students to qualify the exams such as CSIR NET, GATE and various competitive examinations.
- Department organizes all types of cultural and social activities along with regular teaching for holistic development of the students.
- Department encourage the students to involve in Swayam and virtual labs classes to enhance various skills.
- We always broaden the knowledge and horizon of the students through internship programs and project works.

# OF SCIENCES

**Allied & Health Sciences:** Under this division, the department is offering many UG and PG programs including paramedical and healthcare courses viz.

1. **Medical Lab Sciences:** B.Sc. as well as M.Sc. courses with varied specializations are being offered in this discipline such as Medical Laboratory Sciences (MLS), Clinical Biochemistry and Medical Microbiology.
2. **Medical Radiology & Imaging Technology:** Under this division, we are offering B.Sc. programme in Medical Radiology & Imaging Technology (MRIT) at par with state-of-the-art infrastructure aimed to impart advanced and specialized training in imaging technology such as X-ray, CT and MRI.
3. **Physiotherapy:** Under this discipline healthcare UG programme is being offered with an emphasis on the use of physical approaches for health promotion, prevention & management of diseases. Department has well trained faculty with various specialization such as Orthopaedic, Neurological and Sports. The department has a well equipped infrastructure and is also running **Out Patient Department (OPD)** and fully equipped **Exercise Unit** to treat patient suffering from various neurological, orthopaedics and sports conditions with advanced techniques.

The department is envisioned to educate students in the field of healthcare to cater diagnostics, therapeutics and support services to community and nation. Apart from academic excellence, we have state-of-the-art infrastructure including classroom and laboratories. In addition, department organizes all types of cultural and social activities along with regular teaching for the holistic development of the students.

## SALIENT FEATURES

- Allied Health Sciences division has competent, experienced and well-trained faculty from varied disciplines of paramedical & allied health courses to impart quality training in Allied Health Science education and research.
- Laboratories are well equipped with all latest and ultra-modern instrumentation facilities including X-ray lab, Biochemistry and Microbiology labs required for various programmes and research.
- Under physiotherapy, department is also running **Out Patient Department (OPD)** in the university campus.
- Syllabi of all programmes are revised and updated regularly to incorporate latest components according to the need and demand of healthcare industry and academia. The syllabi of the course are designed to equip the students to qualify various competitive examinations.
- Department encouraged the students to involve in Swayam and virtual labs classes to enhance their various skills.
- We always broaden the knowledge and horizon of the students through various programs including regular visits to hospitals, healthcare offices, agencies and organizations, internship programs and project works.

# PROGRAMMES OFFERED

## Division of Life Sciences

Programme	Duration of Course	Eligibility
B.Sc. Medical (as per NEP 2020)	3/4years	B.Sc. Medical/Life Sciences with Zoology as one subject, with at least 50% marks in aggregate
M.Sc. (Hons.) Zoology	2 years	B.Sc. Medical/Life Sciences with Botany as one subject, with at least 50% marks in aggregate
M.Sc. (Hons.) Botany	2 years	Must have completed 10+2 with Physics, Chemistry and Biology as their main subjects with a minimum aggregate of 50% marks.
Ph.D. Zoology/Botany/ Microbiology	As per UGC Guidelines	As per UGC Guidelines

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

## Division of Allied Health Sciences

Programme	Duration of Course	Eligibility
B.Sc. MLS	3 years	Candidates who have passed 10+2 with Physics & Chemistry as compulsory subjects and either Mathematics or Biology conducted by a recognized Board / University / Council with a minimum aggregate of 50% marks.
B.Sc. MLS (Lateral Entry)	2 Years	Diploma in MLT/MLS (3yrs) from Recognised Punjab State Board or any other recognized Technical Education Board or Diploma in MLT (2yrs) after 10+2 (Physics, Chemistry, Biology) with at least 50% marks
B.Sc. Radiology and Imaging Technology	3 years	Candidates who have passed the (10+2) or equivalent examination recognized by any Indian university or duly constituted Board with pass 50% marks in Physics, Chemistry, Biology
B.Sc. Radiology & Imaging Technology (Lateral Entry)	2 Years	Candidate must have two year (full time) Diploma in Radiography after 10+2 (Physics, Chemistry, Biology) from recognised university with 50% marks
M.Sc. Medical Microbiology	2years	B.Sc. MLT or B.Sc. (Medical/Applied Medical Science/Biosciences/Medical Science & Allied Medical/Life Sciences) with 50% aggregate marks or it is equivalent

**\*Eligibility:** 45% marks in case of candidate belonging to Reserved Category

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

# PHYSIOTHERAPY

Physiotherapy is a healthcare profession with an emphasis on the use of physical approaches for the health promotion, prevention and management of diseases. SBBSU, Khiala is successfully running the physiotherapy courses since 2017. It has a well designed and well equipped infrastructure and is also running an out-patient department (OPD) in which patients suffering from various orthopedic, neurological, and sports conditions are being treated with advanced techniques. Goals are achieved through comprehensive assessment with individualized treatment combining education, home exercise programmes and support.

## SALIENT FEATURES

1. Highly qualified, well experienced staff.
2. Well equipped and furnished classes.
3. Practical labs.
4. Fully equipped physiotherapy OPD.
5. Exercise therapy units.

## PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility	Percentage Required
BPT	4.5 Years	10+2 Medical with atleast 50% marks in Physics, Chemistry & Biology	50%

**Note :** 6 months compulsory rotatory internship at various multidisciplinary hospitals.

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

# DEPARTMENT OF PHYSICAL SCIENCES

- Department of Physical Sciences expands our knowledge of the universe and underlines new technologies, which benefit our society. In keeping with the heritage of imparting quality education, teaching and research are the prime motive of the Department of Physical Sciences.
- Department of Physical Sciences is dynamic and progressive in its development of new course initiatives and to contribute substantially to the goal of SBBSU and becoming a research oriented organization. The teaching is by way of interactive sessions between students and teachers. Our courses ensure a coherent degree structure while encouraging interdisciplinary approach.
- The Department has highly qualified, young and dynamic faculty in various fields of Physical Sciences. The thrust area in Chemistry include Green Chemistry, Polymer Chemistry, Advanced controlled drug delivery systems, Nanocomposites etc. The thrust area in Physics includes Materials Physics, Nuclear Physics, Nanomaterials and their applications. The research area in Mathematics includes Numerical Analysis, Wavelet methods, topology, fixed point theory, qualitative behaviour of dynamical systems, Mathematical modelling via differential equations.
- Student centric, ICT enabled and interactive teaching is adopted. Outcome based teaching model comprising of theoretical work, regular academic activities such as research projects, seminars, resource learning and hands-on laboratory work.
- The Department wishes to focus on providing a comprehensive curriculum at undergraduate and postgraduate levels with teaching- learning adjunct to cater the need of industry, relevant research and career opportunities in academia and proficient industries.
- Our research oriented teaching paves the way for entry into different careers since it equips students with advanced transferable skills in information gathering, analysis and presentation, which are vital tools in the field of science.

## SALIENT FEATURES

- The department is blessed to have specialized faculty in various fields of Physical Sciences viz. Chemistry, Physics, Mathematics.
- The Department keeps its students abreast of latest advancements in technology through computer facilities, e-learning, virtual labs.
- The department updates curricula on a regular basis to ensure that students keep up with the changing trends of education and research. The syllabi of courses are well designed to equip students to qualify competitive exams such as GATE, UGC-NET/SLET, TIFR etc.
- The Department has well equipped laboratories with a number of instruments facilities such as muffle furnace, digital water bath, polarimeter, ultrasonic interferometer, ballistic galvanometer, deflection and vibration magnetometer, electron spin resonance, turbidity meter, Abbs refractrometer, centrifuge, digital weighing balance/spring balance, magnetic plate with stirrer, pH meter, conductometer, flame photometer, colorimeter and a double distillation plant etc.
- Students and teachers participation in international, national, state and regional seminars and conferences, along with Industry aligned academia, expert interaction, is the key features of the department.
- Curricular and the co-curricular activities are well balanced in the teaching learning environment to provide holistic education to the students.

### Vision

- To aspire, achieve and sustain for excellence in academics and research through scientific knowledge so as to provide solutions to global environmental issues and transform graduates into responsible citizens and competent professionals.

### Mission

- Holistic development of learner through academic excellence, employability, acquisition of analytical skills and higher research.
- To explore and advance new frontiers in physical sciences and integration with interdisciplinary sciences through visionary research for the benefit of society
- To develop graduates for lifelong learning and professional growth.
- To impart academic environment to seed skills and to promote creativity and to provide a student-centered and professions-oriented higher education.
- To foster bondage among students, faculty and staff, that will enhance the learning experience and versatile teaching approach, facilitates the students with fertile and supportive learning environment is the mission of the department.

## PROGRAMMES OFFERED

Course	Duration	Eligibility
B.Sc (Non Medical)	3 Year/4year (as per NEP 2020)	10+2 and equivalent with Physics, Chemistry & Mathematics as core subjects with 50% marks (45% marks in case of SC/ST candidates) in aggregate or equivalent grade.
M.Sc. (Hons.) Chemistry	2 Year	B.Sc. (Pass) with Chemistry as one of the Core subjects /B.Sc. (Hons.) Chemistry with 50% marks (45% marks in case of SC/ST candidates) in aggregate or equivalent grade from any university recognized by UGC.
M.Sc. (Hons.) Physics	2 Year	B.Sc. (Pass) with Physics as one of the Core subjects /B.Sc. (Hons.) Physics with 50% marks (45% marks in case of SC/ST candidates) in aggregate or equivalent grade from any university recognized by UGC.
M.Sc. (Hons.) Mathematics	2 Year	B.Sc. (Pass) with Mathematics as one of the Core subjects /B.Sc. (Hons.) Mathematics with 50% marks (45% marks in case of SC/ST candidates) in aggregate or equivalent grade from any university recognized by UGC.
Ph.D. Chemistry/Physics/Mathematics	As per UGC guidelines	As per UGC guidelines

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

# AGRICULTURE

Agriculture courses were introduced in 2015 with an aim to provide quality and practical education in various courses of Agriculture.

The Agriculture field has well qualified and experienced faculty of diverse fields in Agronomy, Horticulture, Vegetable Science, Agroforestry, Microbiology, Soil Science, Agro-meteorology, Plant Pathology, Agri-biotechnology and Plant breeding.

The curriculum has been designed as per ICAR's 5th Dean Committee and offers a versatile learning opportunity to students.

The stream organizes various educational tours, visit to Kisan Mela organized by other university and research institutes of excellence to acquaint the students about various knowledge on regular basis.

The University has well equipped labs for Agriculture, Horticulture, Soil Science, Plant Pathology, Entomology and Plant Breeding. Besides, it has also established an open agro-meteorology unit.

These labs contains various equipment such as Microscopes, UV spectrophotometer, Hot air oven, water bath, Chlorophyll meter, Seed Germinator, BOD incubator, Digital refractometer, Deep Freezer, Nitrogen Analyser, Flame Photometer, Centrifuge, Gel Doc system, PCR etc.

The Agriculture field has an area of 10 acres for conducting field trials and practical by students. Beside these facilities, the Department has also established the orchards of Litchi, Citrus, Mango, Guava and Peaches. The department has established a Poly-house and shade net in area 1000sq.mt. each to train the students in protected cultivation of horticulture crops. It also send their students for training to various nurseries and mushroom cultivation centres to increase the students hand-on expertise.

All these attributes helps students to gain self-sufficiency in different fields in present day environment.

## SALIENT FEATURES

- Easy availability of agriculture land for conducting research trials.
- Experienced and well qualified (Doctorate and Post-doctorate) faculty from diverse field.
- Well-equipped labs.
- Syllabus as per ICAR's 5th Dean Committee.
- Poly house with drip irrigation system.
- Orchards of different fruits.

## PROGRAMMES OFFERED

Course	Programme	Duration of Course	Eligibility
Diploma in Agrochemicals and Pesticide Management	Diploma	1 year	Passed 10+2 examination in any stream
B.Sc. (Hons.) Agriculture	UG	4 years	Passed 10+2 science examination or equivalent with PCB/FCBM/PCM/PCA having scored not less than 50% marks in aggregate (45% marks in case of candidate belonging to SC/ST)
M.Sc. Ag. (Agronomy)	PG	2 years	B.Sc. (Agriculture/Horticulture with minimum CGPA of 6.0 in 10 point scale or 60% marks if CGPA is not given). For SC/ST candidate, a minimum CGPA of 5.50 in 10 point scale or 55% marks where CGPA is not given)
M.Sc. Ag. Horticulture (Fruit Science)	PG	2 years	B.Sc. (Agriculture/Horticulture with minimum CGPA of 6.0 in 10 point scale or 60% marks if CGPA is not given). For SC/ST candidate, a minimum CGPA of 5.50 in 10 point scale or 55% marks where CGPA is not given)
M.Sc. Ag. Horticulture (Vegetable Science)	PG	2 years	B.Sc. (Agriculture/Horticulture with minimum CGPA of 6.0 in 10 point scale or 60% marks if CGPA is not given). For SC/ST candidate, a minimum CGPA of 5.50 in 10 point scale or 55% marks where CGPA is not given)
M.Sc. Ag. Soil Science and Agriculture Chemistry	PG	2 years	B.Sc. (Agriculture/Horticulture with minimum CGPA of 6.0 in 10 point scale or 60% marks if CGPA is not given). For SC/ST candidate, a minimum CGPA of 5.50 in 10 point scale or 55% marks where CGPA is not given)
Ph.D. Ag. Agronomy	PG	As per ICAR Guidelines	M.Sc. (Agronomy) with CGPA of 6.0 in 10 point scale or 60% marks. For SC/ candidates a minimum CGPA of 5.50 in 10 point scale or 55%marks where CGPA is not given
Ph.D. Ag. Horticulture (Fruit Science)	PG	As per ICAR Guidelines	M.Sc. (Fruit Science) with CGPA of 6.0 in 10 point scale or 60% marks. For SC/ candidates a minimum CGPA of 5.50 in 10 point scale or 55%marks where CGPA is not given.

Note : All admissions will be provisional. The course will start with minimum 15 admissions to undergraduate courses and 10 admissions to postgraduate courses.

# UNIVERSITY INSTITUTE

## HUMANITIES

University Institute of Humanities is an inter-disciplinary center for teaching-learning and conducting research in various fields of Humanities. It offers courses in under-graduate, post-graduate and doctoral research. The primary objective of the institute is to create an intellectual ecosystem wherein both, the teacher and the taught, can broaden their mental horizon and pursue impactful research. A master degree from the institute means in-depth knowledge, advanced skills, and the confidence to achieve one's ambitions.

### PROGRAMMES OFFERED

Programme	Duration of Course	Eligibility

# DEPARTMENT OF TRAINING AND PLACEMENT

## OVERVIEW

Department of Training & Placement at SBBSU is a team of professionals and vibrant people working together to assist the students to get the jobs through campus recruitments. The Department is working to create placement opportunities for eligible & deserving students by inviting top notch corporates for campus placement.

Various special initiatives such as Pre-placement Training, Industry-Institute Interface, Conferences and Seminars have been undertaken.

Our experienced team is constantly in touch with the leading corporate groups and works towards critically evaluating the industry expectations. With the help of strong industry-institute interface special programmes are delivered to the students to bridge the gap between industry requirements. As a result, several well renowned corporates have visited Sant Baba Bhag Singh University for placements.

## ENTREPRENEURSHIP

Starting one's own business may seem like a daunting process at first. The good news for University students, however, is that SBBS University may provide them with the resources that are required to become a successful entrepreneur. Department of Training & Placement signed a MOU with GNDEC-STEP to fulfill the same under SBBS University Centre for Entrepreneurship Development (SUCEED).

## INDUSTRIAL VISITS

The main aim of industrial visit is to provide an exposure to students about practical working environment. The department also provides an opportunity to gain awareness about industrial practices & new technologies. Below is the glimpse of few industries where visits has been arranged:

## PLACEMENT PORTAL

Department launched a placement portal for the easy access of the job opportunities at SBBS University website under placement section (<http://sbbsuniversity.ac.in/placement/training-placement-portal.php>).

# OTHER ACTIVITIES

## CENTRAL FACILITIES

### COMPUTER CENTRE

The University has centralized computer centre to cater the needs of faculty, staff and students in addition to facilities available in various departments of the University. The computer centre is well equipped with 450+ personal computers of latest configuration, Dual Core, Core 2 Duo, i3, 15 (8th/10th/11th Generation). It facilitates the students and the faculty in developing a number of research applications. The university is well connected with 100 Mbps Internet leased line connectivity. The university has also a backup line of 50 Mbps leased line.

The University campus has Wi-Fi compliance available 24x7. University has a Microsoft Cloud Campus Agreement License Kit with unlimited licensed software, oracle certification. The following facilities are available in different sections of the computer centre.

### SERVER ROOM

8 High Configuration Servers are provided in the sever room (AIX IBM p505 series server, IBMx3250M4 and IBMx3200M3 Servers) supporting university website server and email server.

### FACULTY LAB

Faculty Lab is well equipped with appropriate internet connectivity. It provides the internet facility to the faculty and staff which helps in the continuous improvement of knowledge, teaching methodologies, project work and research.

### STUDENT SERVICE CENTRE

The Student Service Centre is well equipped with latest configuration personal computers, equipped with laser 3 in 1 printer, scanner and DVD writer. It provides the facility to the students for taking printouts and scanning of documents and writing of CD's and DVD's for the assignments, lectures.

### INTERNET LAB

Internet laboratory provides facilities for academic and technical development which helps the students to prepare for the global market. The campus is provided with efficient network with 24 hours Wi-Fi Connectivity. Database lab is used for teaching concepts of Database Management System and is equipped with Oracle Server. Remote experiments are carried out in collaboration with IIT Delhi. Students also get benefit of working and obtaining credits through MOOC Course.

### MEDIA STUDIO

The university has a high-tech media studio provided to the faculty and staff to conduct and manage events online.

## NATIONAL CADET CORPS (NCC)

Senior division of National Cadet Corps (NCC) is available to all suitable candidates in the campus of the University. NCC unit is attached with the 8 Punjab Battalion NCC, Phagwara.

## Motto of NCC: Unity and Discipline

Rabindranath Tagore said that every time a child is born, it shows that God has not lost faith in mankind. The National Cadet Corps (NCC) is the world's largest uniformed youth organization. NCC provides the right environment to motivate the youth to join the armed forces. Therefore, this University with the help of 8 Pb Bn NCC try to highlight the motivational techniques adopted for NCC cadets as Defence Services have unique conditions like risky nature of job, difficult and hazardous working condition, frequent job rotation & periodic transfers. Motivation is a key factor in enabling conventional armies to win conflicts in daily life and in job also.

# CENTRAL LIBRARY

The Sant Baba Bhag Singh University has a Central Library and branches in the University Institutes; it is the central service unit to facilitate help in creation of new knowledge and information through the Current Awareness Services (CAS), Selective Dissemination of Information (SDI), E-resources, print and non-print resources. The Sant Baba Bhag Singh University Central Library serves as a model of an evolving and dynamic facility in technical learning. The library, as an established knowledge hub that is conveniently accessible by those associated with the University, has a major contribution in making top ranked Academic & Research driven university. The Library's collection comprises hybrid resources (Print & Electronic) in the field of science and technology, engineering, pharmacy, management, nursing, law and hotel management. The Library also has a separate Internet section consisting of a number of networked terminals for providing recent and most comprehensive access to online journals, online databases and other online reference resources to the faculty, students and staff under Intranet and Internet environment. The Central library has automated all its routine activities through library management software called "KOHA", D-Space Institutional repository and also extended the scope of various services like CD-ROM database search. New arrivals have databases of books in English, Punjabi and Hindi Languages. As soon as new books are purchased and processed.

## MAJOR HIGHLIGHTS OF SANT BABA BHAG SINGH UNIVERSITY CENTRAL LIBRARY

- Sant Baba Bhag Singh University Central Library academic community is well catered by the departmental libraries.
- There are sufficient number of e-journals and number of e-books on all subject fields.
- The Central Library is having sufficient print resources such as books, journals, magazines, maps, drawings and non-print resources like CDs, PODCASTS, Audio/Video collections, case studies, reports and surveys.

Thesis, dissertations, project reports, rare books, manuscripts and important documents are being preserved through the D-Space institutional repository.

### Reading Hall

Sant Baba Bhag Singh University Central Library has a Reading Hall, which remains open from 9.00 am to 9.00 pm, Air Conditioners and Blowers have been installed in the reading hall for the convenience of students. Library attendants remain present at every time in the reading hall to provide assistance to the students.

# HOSTEL FACILITIES

While studying at SBBSU you will have the choice of living in SBBSU's hostels. You can also choose to live at home or in the private rented sector.

## OUR VIBRANT COMMUNITY

Separate boys & girls hostels are available. The hostel rooms are fully equipped with adequate modern furniture & fixtures.

The facilities for recreation, indoor games, guest rooms, telephone, 24x7 water/electricity supply and medical facilities are available in the hostels. A central totally hygienic kitchen/mess for hostels has been established in each hostel.

100 Mbps centralised Wi-Fi facility and Gym facility are at the disposal of students in the hostels.

## TRANSPORT FACILITIES

The University has a fleet of 51 Buses plying from various cities/locations e.g. Goraya, Phagwara, Jalandhar, Hoshiarpur, Dasuya, Mukerian, Bhogpur, Garhdiwala, Allawalpur and Mahilpur. Additional buses to any other city/location can be arranged if it is financially viable.

## MEDICAL FACILITY

Central dispensary has been established to provide the first aid in case of any medical problem. An ambulance is also available in the campus to take the students to Guru Nanak Sadh Sangat Charitable Hospital, Kalra (being run by SBBSMCS) in case of medical emergency.

## SPORTS FACILITIES

Physical fitness is as necessary as education to develop a well-balanced personality. Sports enable us to lead a healthy life paving way for a sound mind and body. It not only keeps our body fit but is also a good tonic for our mind.

Special emphasis is laid on sports and extra co-curricular activities at SBBSU. Significant facilities for such healthy activities within campus are as follows :

- 400 meter track for Athletics
- Table Tennis Hall
- Cricket Ground
- Handball Court
- Kickboxing
- Gymnasium
- Football Grounds
- Badminton Court
- Basketball Court
- Power Lifting & Weight Lifting
- Kabaddi Ground
- Kho Kho Ground
- Volleyball Courts
- Shooting Range
- Hockey Ground
- Wrestling
- Cross Country

Being a student at SBBSU is not only an enriching experience from an academic perspective you'll also become part of a diverse and active student community with countless ways to get involved, meet like-minded people and develop new Sports skills for the future.

## CENTRAL INSTRUMENTATION FACILITY (CIF)

Central Instrumentation Facility (CIF) is a central facility dedicated for the highly sophisticated and high end instruments which are meant to be used by students/ scholars/ researchers from all fields of Sciences and Technology to promote multi-disciplinary research in SBBSU. The objectives of CIF are as follow:

- To promote excellence in teaching and advanced research in various disciplines of Sciences under one roof to instruments and other facilities.
- To strengthen the scientific and technological infrastructure, SBBSU is developing a state-of-the-art CIF with sophisticated promoted multi-disciplinary research as mentioned in National Education Policy (NEP).
- Besides the students/learners/researchers/teachers of SBBSU, this CIF shall also cater to the needs of all those researchers who are deprived of such facilities including academic research institutes, other Higher Education Institutes, private Companies/ Industries/laboratories etc. at nominal charges.

## SANT BABA MALKIT SINGH JI MEMORIAL CENTRE OF PREPARATIONS FOR COMPETITIVE EXAMINATIONS

"Sant Baba Malkit Singh Ji Memorial Centre of Preparations for Competitive Examinations is established at Sant Baba Bhag Singh University to create awareness and encourage the learners of SBBSU/ youth of rural area and/or to help aspirants compete in various state/national/international level examinations (NET/SLET/ GATE/GMAT/ CAT/GRE/ TOEFL/Civil Services/State government examinations). The centre shall focus on cultivating the interest and providing specific training required for such Examinations/ necessary exposure to competitive environment.

## SANT BABA MALKIT SINGH JI CHAIR

Sant Baba Malkit Singh Ji Chair is established at SBBSU which provides scholarships to promote and encourage research among the scholars of the university. It was started at the initiative of Dr. Amarjit Singh, and Ms. Kirandeep Kaur is working as a chair fellow. Apart from carrying out various research projects, national/international seminars/conferences, publication of rare books is also being done under this chair. It also offers scholarships for research on the 'Nirmala' Sampradaya, the sect or spiritual lineage to which Baba Ji belonged.

## WHY CHOOSE SBBSU

SUBJECT  
AREAS

OUR  
COURSES

TRAINING AND  
PLACEMENT

CENTRAL  
FACILITIES

## A RAGGING FREE CAMPUS

According to UGC guidelines, the definition of ragging states that any conduct whether by words spoken or written or by an act which has the effect of teasing, treating of handling with rudeness any other students, indulging in rowdy or indisciplined activities which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a junior student to do any act or perform something which such student will not in ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect physique or psyche of a fresher or junior student.

As per the directions of the Hon'ble Supreme Court of India, if any incident of ragging comes to the notice of authority, the concerned student shall be given the liberty to explain and if his/her explanation is not found satisfactory, the authority would expel him/her from the University.

## IMPORTANT INSTRUCTION FOR THE STUDENTS

- According to the Hon'ble Supreme Court of India, Ragging in Educational Institutions is banned. Ragging is a Cognizable Offence.
- Senior students are advised not to indulge in Ragging. Ragging entails heavy fines and/or suspension/expulsion.
- Ragging is an undesirable social offence which is totally banned in the University.
- In case, the applicant for the admission in the University is found to have indulged in ragging, admission may be refused or he/she shall be expelled from the University.
- In case of the Ragging, please do not keep quiet, report it to the authorities immediately.
- It is mandatory for the parents to report immediately to the Authorities of the University in case their ward informs them about ragging.

Enjoy an energetic student experience brought to life by events, entertainment, sports, clubs, volunteering opportunities and more. Get involved and build lasting friendships along the way.

- He/She shall have a seriousness of purpose and shall in every way train himself/herself to lead a life of earnest endeavour and co-operation.
- He/She shall show due courtesy and consideration to the employees of the University and good neighbourliness to his fellow students, respect to the wardens of the hostel and the teachers of the University and pay due attention and courtesy to the visitors & members of society and other officials of the University.
- Ragging in any form is banned. Ragging is a criminal offence as per the Supreme Court ruling and FIR shall be registered against the student(s) found indulging in the crime.
- To safeguard its ideals, character and personal behavior, University reserves the right to expel the students from the institution for any reason deemed sufficient.
- The Head of Department (HoD) can impose minor punishment such as fine up to ₹500/-. HOD can place a student under suspension from class/hostel in case of gross indiscipline on the part of student.
- Major punishment such as expulsion/rustication from the University, debarring the candidate from appearing in the university examination shall be executed by Principal on the result of enquiry conducted by disciplinary committee.
- Students and their parents/representatives are forbidden from addressing members of SBBSMCS Authorities.
- Consumption of non-vegetarian food, alcohol or any other intoxicant and smoking etc, are strictly prohibited in the University Campus.
- The guilty students shall be liable for punishment and disciplinary action which may include suspension, expulsion from the University or hostel or imposition of fine or both.
- Semester tuition fee and fine imposed, if any, is to be deposited in time, failing to do so may lead to suspension from classes/debarring from appearing in examination.
- All kinds of shouting or any act of movement or behaviour that is likely to cause disturbance of the teaching is strictly prohibited.
- Every student is to see that no damage is done to University property. Fitting and repair charges for the damage [intentional or negligence] are to be borne by the student.
- Regarding availing bus facility by the existing students, minimum three (03) months fee will be charged from the student if he/she discontinues availing the facility before mid-session or starts availing the facility after mid-session. Similarly full six months fee will be charged if he discontinues availing the facility after mid-session or starts availing the renewal facility before mid-session.
- The University reserves the right to make amendments in these rules & regulations from time to time.
- Eligible SC, ST, BC, OBC, PWD students etc. should submit their scholarship forms for the academic year by August.
- All disputes pertaining to admission under the domain of admission brochure/prospectus are subject to the jurisdiction of the Courts of Jalandhar (Punjab) only.

## B. HOSTEL ROOMS

### HOSTEL ACCOMMODATION

- Separate boys & girls hostels are available. The hostel rooms are fully equipped with adequate modern furniture & fixtures.
- The facilities for recreation, indoor games, guest rooms, telephone, 24x7 water/electricity supply and medical facilities are available in the hostels. A central totally hygienic kitchen/mess for hostels has been established in each hostel.
- 100 Mbps Wi-Fi facility is available in hostel.
- Gym facility is available in hostel.

### HOSTEL ROOM ALLOTMENT

- The student must be personally present at the time of allotment of rooms. Rooms to be allotted will be specified immediately before an allotment is made.
- The student can choose their roommates initially and make request for allotment accordingly.
- The boarder shall not be entitled to retain accommodation in the hostel beyond his/her normal period of study.
- No boarder is allowed to change his/her room without the permission of the warden.
- The boarder shall have to vacate accommodation as and when asked for.

### FURNITURE AND EQUIPMENT(HOSTEL)

- Every boarder is provided with a chair, a table, a cot, a Book rack, a Cupboard and bedding. He/She will be responsible for these items and other electrical fittings, etc. Furniture and electrical fittings are not to be removed from one room to another. Every boarder is to see that no damage is done to the hostel property.
- Fitting & repair charges for any damage(intentional or negligence) are to be borne by the boarder concerned.
- Use of all electric appliances, except laptop, mobile charger and an extra table lamp, is prohibited.

### HOSTEL ROOM RENT

The following is the room rent of hostel:

#### NORMAL ROOMS

03 seater room = ₹7000/- per semester per candidate.

02 seater room = ₹10500/- per semester per candidate.

Cooler Charges Extra.

### AIR CONDITIONED ROOMS:

02 seater room = ₹30000 per annum per candidate.

Hostel fee will be payable in lump sum and will not be accepted in installments. Room rent may change annually.

#### Note:

- Food charges will be extra and may vary from time to time.
- Student has to pay 50% mess fee in case he/she takes meal less than 15 days in a month and has to pay 100% mess fee in case he/she takes meal for more than 15 days.
- Students must make monthly payment of meals by 10th day of each month otherwise ₹10/- per day will be charged as fine.
- If a student is a hosteller and he is not staying in the hostel then the student has to pay ₹500/- per month to the mess contractor.

### BOYS HOSTEL

- During winter no student is allowed to go out of the complex after 6.00 pm. All students must return to the complex by 7.00 pm.
- During summer no student is allowed to go out of the

complex after 7.00 pm. All students must return to the complex by 8.00 pm.

- Night roll call will be taken between 7.00 pm to 9.00 pm.

### **GIRLS HOSTEL**

- No girl student staying in hostel will remain outside the hostel after 8.00 pm both in summer and in winter.
- Night roll call will be taken between 6.00 pm to 7.00 pm.
- All girls must report to the warden during this time for marking the attendance.

### **GUESTS**

- Guests are not, ordinarily, permitted to stay in the hostel except in the case of father/ brother & mother/sister (in case of girl students) provided he/she comes from a far off place at odd hours. The student must get permission for keeping his/her guest in the hostel from the Chief Warden. The guests so allowed will be kept in the hostel guestroom. Their names will be entered in the guest register kept in the hostel.
- Female guests are not permitted to stay in Boys hostel.
- Likewise male guests are not allowed to stay in the girl's hostel. A boarder keeping a guest without permission is liable for punishment.

### **ELECTRICITY**

- Light, fans & coolers must be switched off when not in use. The use of electric heater, electric rod, electric tea kettle, etc. and other similar appliances is prohibited.
- Boarders are warned against tampering with electrical installation.
- For all electrical repairs the electrician should be called in.

### **BEHAVIOUR AND DISCIPLINE**

- Hostellers are expected to display acceptable form of behaviour, maintain discipline and decorum in the hostel complex.
- Possession, distribution and consumption of alcoholic beverages, prohibited drugs, chewable tobacco and smoking in the hostel complex is not allowed.
- Parties/Gathering in hostel complex are not permitted without the prior and written consent of the chief warden.
- Hostellers must return to the hostel by 6.00 pm in winter and 7.00 pm in summer on off days after vacation or holidays as intimated by authorities.
- The hosteller will be allowed to stay out of hostel on submission of proper application duly authorized by parent and only if the permission is granted in writing by the authorities.
- Hostels should be a place where students can have the best possible conditions for studying and adequate rest. As such due consideration must be accorded to other

hostellers at all times. Noise level must be kept low to allow other's opportunity to study and sleep in comfort. Television, Radio etc. provided in the common room must be switched off after 10.00 pm. These rules are intended to ensure a conducive environment for all hostellers. Personal music systems, woofers, etc. are not allowed. Students may listen to music by using earphones.

- Vandalism is very serious offence. Hostellers found guilty of committing such an offence can be evicted from the hostel and penalized.
- In case of any unacceptable behaviour by the room-mate, the other room-mate must report it to the college authorities.
- All kinds of shouting or any other act of movement or behaviour that is likely to cause disturbance or annoyance is strictly prohibited.
- Maltreating or showing disrespect to the hostel employees and canteen staff is strictly prohibited. In case of any complaint against them, the report should be made to the Hostel Warden.
- Dealing in general and specially with fellow students should be very courteous and polite. All disputes with fellow boarders should be avoided. Students must not take law into their own hands, but must report all disputes to the Hostel Warden.
- Teasing, maltreating or indulging in any sort of RAGGING of the newly admitted students is strictly prohibited. Serious disciplinary action will be taken against the defaulting students in accordance with the directions of the Hon'ble Supreme Court of India.
- A boarder found guilty of having committed a breach of rules shall be liable to the punishment by the Warden as under.
- The Hostel Warden may issue a warning and/or impose fine on a defaulting student and may recommend expulsion from the Hostel/University.
- Rules listed on the wall at the entrance of the hostel must be read and strictly adhered to.

### **UPKEEP OF THE HOSTEL**

- Hostellers are responsible for keeping their rooms clean and help in keeping common areas in the hostel such as visitor's area, bathrooms, stair case and common room etc. clean and tidy at all times.
- All fans, lights and electrical appliances must be switched off when not in use.
- Cooking, making tea, etc. is not allowed in the hostel rooms.
- Common hostel furniture must not be moved without the permission of the chief warden.
- Any damage to the hostel property must be reported

immediately to the Warden/Chief Warden. Defaulting hosteller will be charged for all damages except damages caused by normal wear and tear.

- Pasting of posters, writing, wall chalking, slogans of any kind or defacing the hostel in any form is not allowed.
- The hostel management reserves the right to make spot checks during day & night on the hostel and rooms without having to give prior notice to the students.
- Electrician, contractors or any other service person may enter the room as and when necessary in the course of their duty under the directive of the warden/chief warden. However, every effort will be made to respect the privacy and dignity of the hostler.
- The hostel management reserves the right to move hostellers to other hostel room/units if there is a necessity.

### EMERGENCY

- In case of any emergency please contact the Warden/Chief Warden or call hostel authorities.

### MEDICAL

- Hostellers should immediately inform the warden/chief warden in case of any medical problem to get immediate first aid or general medicine from Medical Room.
- Ambulance, if necessary, will also be available to send the student to Guru Nanak Sadh Sangat Hospital, Kalra, on the advice of in-charge, Medical Room.

### VISITORS

Visitors including parents are allowed only into the visitors area of the hostel during the visiting hours as follows:

Weekend (Saturday) - 3.00pm to 6.00pm  
Weekend (Sunday) and holidays - 9.30am to 4.00pm

- All visitors must register at the guard house/warden office and provide all details and documents as requested by Security before entering the hostel complex. All visitors must leave the hostel complex by the laid down timings.
- Hostellers are not permitted to allow their visitors into rooms at anytime for whatever reason. Any hosteller found violating this rule will be evicted from the hostel and penalized.
- Non-hostel students are prohibited in the hostel without the permission of warden. The students who violate this will be answerable to the warden.

### SECURITY

- The hostel management is not responsible for any loss of private property. Hostellers are strongly advised to

lock all their valuable e.g. Mobile Phones, Laptops, Watches, Money, etc. at all times.

- Hostellers are not permitted to change rooms or sleep anywhere other than in their own room.
- Any hosteller, who finds his/her room-mate missing after the roll call, or for more than 12 hours in day time, must report to the Warden/Chief Warden immediately. This enables the hostel authorities to take immediate action. Cooperation of the students will be very much appreciated.
- Possession, distribution and use of Fire Arms, Lethal Weapons including Air Gun, Contraband, Electric Appliances such as TV, VCR, Heater, Iron, electric kettle, Oven etc. in the rooms are prohibited.
- Pets are not allowed in the hostel complex.

### REVISION OF RULES AND REGULATIONS

- The hostel management reserves the right to revise the rules and regulation from time to time and will keep the hostellers informed of any changes in the form of notices on the hostel notice boards. Ignorance of rules will not be accepted as an excuse.

### COMPLAINTS AND SUGGESTIONS

Any complaints, suggestions or enquiries are always welcome.

### ADDITIONAL HOSTEL RULES FOR GIRL STUDENTS

- Each student shall present herself in the warden room to get herself marked present from 6.00 pm to 7.00 pm daily from Monday to Sunday except for the weekends commencing Friday evening to Monday morning, in case they are going home.
- For leaving from hostel, a slip shall be signed by the Warden putting the date and time of departure. This slip shall be signed by one of the parents after noting down the time and date at which the student reached her home.
- The same slip shall be signed by the parents noting the time and date of leaving from home for the University. The slip will be deposited with the Chief Warden/Warden.
- No student shall take a lift from any known or unknown person for going home and returning to the University/hostel. Only public transport or transport provided by SBBSMCS is to be used.
- For emergencies, the parents are requested to take their wards home personally or through a close relative duly authorised in writing and whose photographs are in the hostel record.
- A family photo of a girl student with father, mother, brother, sister, local guardian, etc. duly signed by each member, shall be kept in the records.

- Parent shall sign an affidavit regarding permission in case of they are willing to permit their student daughter to travel under her own arrangements independently from/to hostel. Before the start of session candidate is allowed to shift from one general course/department to another general course/department.

### SHIFTING OF COURSE

After the start of session, shifting will be made on the recommendation of COD/HoD/Dean and approval of the competent authority. For this purpose, fee deposited by him/her will be adjusted after charging ₹2000/- (for each shifting) as shifting charges fee.

### MEDICAL FITNESS CERTIFICATE

The students will have to produce the medical fitness certificate from the Registered Medical Practitioner.

### REFUND POLICY

The amount of fee to be refunded to a student, in case he/she chooses to withdraw from the programme of study in which he/she is enrolled, shall be as given below:

- 90% fee is refundable if the student applies before the last date of admission.
- 80% fee is refundable if the student applies within 15 days, after the last date of admission.
- 50% fee is refundable if the student applies after more than 15 days and less than 30 days, after the last date of admission.
- In case of students availing Hostel/Transport facility, the Hostel/Transport fee will not be refunded. No refund of fee will be made if the student applies for refund, more than 30 days after the last date of admission.
- If any student is not interested to continue studies in the first semester, he/she can apply for the refund before the start of 1st semester examination, thereafter no application of refund will be entertained.

### DRESS CODE

In addition to being a valuable asset of the University, every student is also its brand ambassador. The conduct, behavior and the personal appearance of the student reflects on him as well as the University.

Thus, it is important for all students to follow the defined code of dress as given below:

It is mandatory for all the students to wear prescribed uniform as per dress code from first day of the starting of session. Students not wearing uniform will be fined ₹100/- per day.

This brochure has been drafted in advance of the academic year to which it applies. Every effort has been made to ensure that the information contained in this brochure is accurate at the time of publishing. But changes (for example to course content) are likely to occur given the interval between publication and commencement of the course. It is therefore very important to check our website for any updates before you apply for the course by following [www.sbbuniversity.ac.in](http://www.sbbuniversity.ac.in). Where there is a difference between the contents of this brochure and our website, the contents of the website take precedence.
