## IV. Outcomes of the Event

- Noticeable improvement in the cleanliness and organization of laboratory spaces.
- Enhanced student awareness regarding the importance of maintaining hygienic surroundings.
- Development of team spirit and a sense of responsibility among participants.
- Promotion of a cleaner and more productive learning environment.

## V. Conclusion

The Safai Abhiyan held on **5th December 2025** at Sant Baba Bhag Singh University was a **successful and impactful initiative** organized by UIET. The active participation of students and faculty helped improve campus cleanliness and reinforced the importance of environmental responsibility.

The "**After**" image provides concrete proof of the dedicated effort put in by all participants, setting a positive precedent for ongoing cleanliness and maintenance within the university.

Such activities not only support the Swachh Bharat vision but also instill lifelong values of discipline, teamwork, and civic responsibility among students.
