REPORT ON "Water Conservation"

Department of Computer Application

On 20 Oct,2022

Event Venue: Ground Floor, Near Block 7

With the heavenly blessings of Revered Sant Baba Dlawar Singh Ji (Brahm Ji) and with the benign endorsement of our Chancellor Sant Baba Sarwan Singh ji, and under the valuable guidance of respected Vice Chancellor of SBBSU Prof. (Dr.) Dharmjit Singh Parmar, NSS Unit (CSA) of SBBSU has started various initiatives within the campus to promote water conservation to save water. Water conservation is the practice of an efficient usage of water by reducing unnecessary wastage of the same. The importance of water conservation becomes even more necessary as there is a limited source of freshwater that is beneficial for all human beings for a Healthy lifestyle. The freshwater available for use is unevenly distributed. Human activities are polluting the water sources threatening the survival of living beings. So, water conservation focuses on the concept of "save water and save a life".One such activity of 'Water conservation was successful organized in Block 7 by NSS Volunteers on 20/10/2022. Head of Department Dr. Nirmal kaur and Mr.Vishal (Programme Incharge) and Ms.Rajvir kaur were present to boost and appreciate the volunteers to keep on participating in such activities. Refreshment was also given to the volunteers.
