## REPORT ON "Traffic Awareness"

### Department of Computer Application

*On 09 March, 2023*

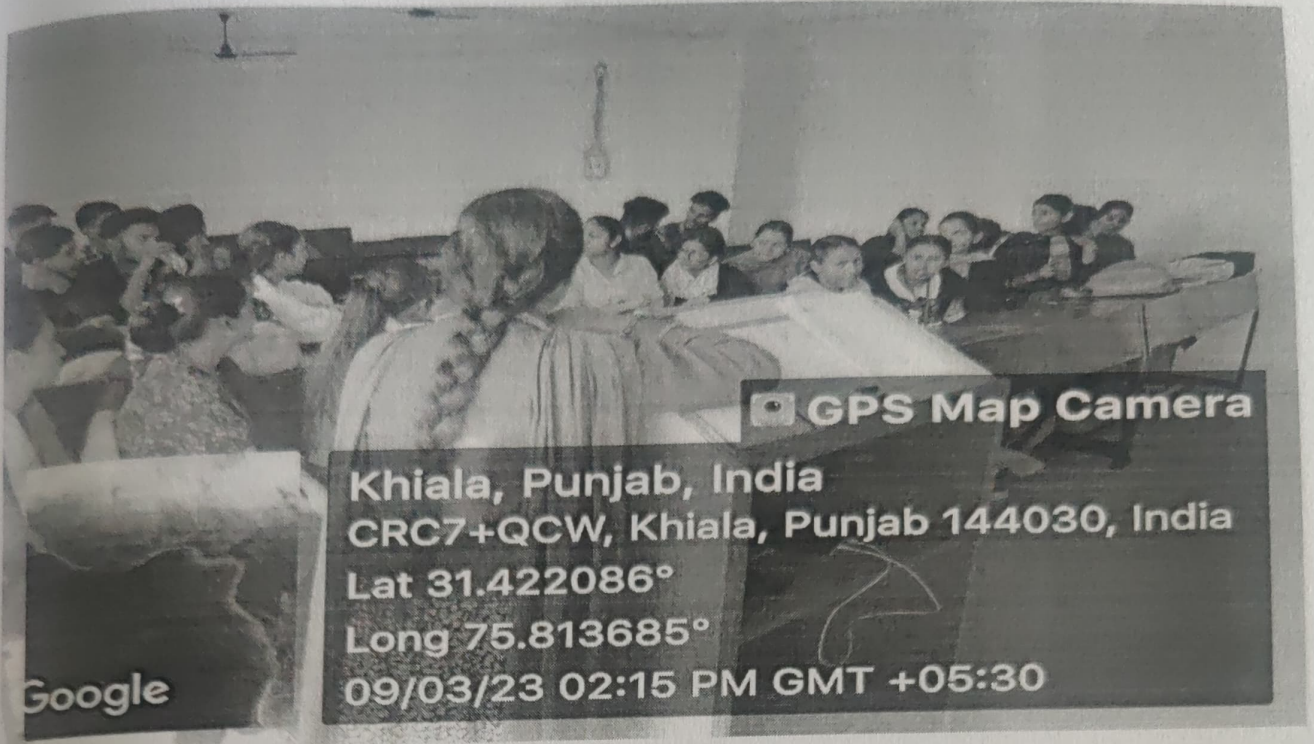

Event Venue: Ground Floor, Near no. Block 7

With the heavenly blessings of Revered Sant Baba Dlawar Singh Ji (Brahm Ji) and with the benign endorsement of our Chancellor Sant Baba Sarwan Singh ji, and under the valuable guidance of respected Vice Chancellor of SBBSU Prof. (Dr.) Dharmjit Singh Parmar, NSS Unit (CSA) of SBBSU has started various initiatives within the campus to promote Traffic Awareness. Road safety awareness is crucial because it helps reduce the number of injuries and deaths on our roads. In this BYJU'S road safety awareness essay, kids will learn about the critical road safety rules and the importance of following them. To stay safe, one must know the proper way to drive a car and not rely on in-car technology like a navigation system. It can be challenging to know how much space one needs when driving a large vehicle like an SUV or a bus, so keep in mind that one should leave enough room for emergency vehicles if there is one nearby. Proper knowledge and education on road safety rules are required while driving or walking across the streets.

One such activity of 'Traffic Awareness' was successful organized in Block 7 by NSS Volunteers on 09/03/2023. Head of Department Dr. Nirmal kaur and Mr. Rajvir Kaur (Programme In-charge) and Ms. Manisha were present to boost and appreciate the volunteers to keep on participating in such activities.
