Subject: Request to organise Survey Camp at SBBSU Campus

Respected Sir,

According to the B. Tech (CE) syllabus scheme, students need to attend a two-week survey camp in a hilly terrain immediately following the fourth semester. As we all know, the country recently faced the second wave of COVID-19. During such times ensuring safety and health of everyone is most important. Keeping in view the current scenario, you are kindly requested to allow for the camp to be organized in the university campus itself.

Thanks & Regards,
