### SANT BABA BHAG SINGH UNIVERSITY

Ref No. SBBSU/IQAC/2024/42.1

To,  
The Vice Chancellor, SBBSU

Subject: Proposal for financial support to the faculty for membership fee towards professional bodies.

This letter seeks your approval for providing financial support to the faculty members for becoming members of recognized professional bodies relevant to their discipline.

As per the NAAC Criterion 6 (metric 6.3.2), carrying 15 marks, it is mandatory for a university to provide a minimum of 5000/- rupees to at least 60 percent of the total faculty for gaining full marks. The supporting document for the same is attached with this letter.

Considering above, the list of 120 teachers comprising the names of faculty members along with the respective professional bodies to register and corresponding membership fees is also attached with this letter. The total amount required for providing financial aid to 120 faculty members is Rs. 6,65,394/-.

Active participation of faculty members in professional associations enhances the university's reputation and credibility within academic circles. This initiative aligns with the university's commitment to excellence in education.

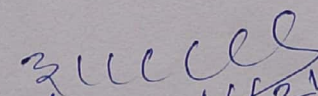

The proposal is submitted for your kind consideration.
