Summary of Report:

In Order to encourage and provide employability skills to the students, the University Institute of Commerce and Management organized a virtual training on topic "EMPLOYABILITY SKILL TRAINING IN FINANCIAL LITERACY" a CSR Initiative of Reliance Home Finance & Reliance Money Social Initiative in association with ICT Academy from 31st May, 2021 to 31th August, 2021. The Objective of this training was to facilitate employment opportunities and to prepare the graduating youth to be employed. The Training programme consists of a 40 hours Soft skill Training and 40 Hours of Self learning banking modules. For this 50 students were nominated from the UICM in which 15 students were from MBA 4th Semester and 35 students were from B.Com (H+R) 5th semester. This Training covered the following Modules:

- **Business Correspondence & Customer Management**
- **Introduction to Banking & Financial Instruments**
- **Management of funds & Insurance**
- **Enabling technology in modern banking**
- **Interpersonal Skills to build confidence**

At the end of the training, an online assessment was conducted and Certificates were issued to the qualified students.
