Report on Cultural Activity Conducted on 19th October 2022

Event Name: Agriculture Extension Program cum Seed Treatment Camp

Event Date: 19-10-2022

Event Venue: At Manko Village

Organizing Unit/Agency: Department of Agriculture, University Institute of Sciences
(Under the aegis of IQAC)

Summary of Report:

Department of Agriculture organized Agriculture Extension Program cum seed treatment camp at Manko Village on 19-10-2022 under the guidance of Dr. Shalu, In charge of Promotional activities, and Professor Dr. P. S. Tyagi, supported by entire faculty. During this program Dr. Tyagi gave detailed information to farmers regarding seed treatment before sowing of crop, its need and importance.

Dr. Shalu demonstrated the seed treatment technique to the farmers by using various agricultural chemicals like insecticides, termiticides, fungicides and bio-fertilizers. The village farmers showed great enthusiasm in the training program and asked many questions regarding agricultural crop problems being faced by them. They were assured that Department of Agriculture SBBSU will help them in solving their problems by organizing more extension activities from time to time. Vice Chancellor Sir appreciated the efforts of Agriculture Department for successful organization of the seed treatment program.
