

## **Report on Cultural Activity Conducted on 10<sup>th</sup> November 2022**

**Event Name: National Science Day**

**Event Date: 10-11-2022**

**Event Venue: At University Campus**

**Organizing Unit/Agency: Department of Agriculture, University Institute of Sciences  
(Under the aegis of IQAC)**

### **Summary of Report:**

November 10<sup>th</sup> is celebrated as National Science Day to mark the invention of the Raman Effect. With the heavenly blessings of Sant Baba Dlawar Singh Ji (Brahm Ji) under the supervision and patronage of Honorable Chancellor, Sant Sarwan Singh Ji and Worthy Vice Chancellor, Dr. Dharamjit Singh Parmar, the Department of Agriculture celebrated National Science Week. National Science Day was celebrated with theme “Integrated Approach in Science and Technology for Sustainable Future”.

The motive of this event was to raise awareness regarding the role and importance of science in our daily routine. The students came up with their unique ideas representing science in sustainable development in the form of many models. Around 48 students participated in this event with great enthusiasm and fervour. Each participant was judged based on their presentation skills, scientific concept, demonstration skills. The 1st, 2nd and 3rd position winners were announced as per the judgement by respective judges. The position holders were awarded with e-certificates.

Glimpse of the event:
