

Report on Cultural Activity conducted on 20th April 2022

Event Name: Stubble Burning

Event Date: 20-04-2022

Event Venue: Nearby Villages (Arhiana Kalan)

**Organizing Unit/Agency: Department of Agriculture, University Institute of Sciences
(Under the aegis of IQAC)**

Summary of Report:

Stubble burning is a burning issue of present time as it greatly increases environmental pollution and deteriorate soil health. Punjab Government issues instructions to avoid stubble burning from time to time. With the heavenly blessings of Sant Baba Dlawar Singh Ji, Chancellor of the University Sant Baba Sarwan Singh Ji and Vice Chancellor Dr. Dharmjit Singh Parmar, Department of Agriculture, Sant Baba Bhag Singh University organized “Crop Residue Management Awareness Campaign”. During this campaign students and teachers highlighted the burning issue of stubble burning among the farmers of the nearby villages. The students of all classes assembled in front of library and started a march to the nearby villages including Arhiana Kalan. All the faculty members of the Department accompanied the students to maintain discipline. The rally ended in front of Block No.5 with blessings from Sant Baba Sarwan Singh Ji and appreciation from Management member S. Pritpal Singh Ji and V.C. Sir.
