Reviewer's Comments :-

As per the notification of UGC/AICTE the duration of MCA is changed from Three Years to Two Years.

Department has suggested that "Bridge course is conducted for the Non IT graduates i.e., BA, B.Com, and B.Sc and compulsory for non-computer background students It is mandatory to complete the syllabus of the bridge course at the beginning of MCA 1st Semester"

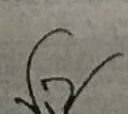

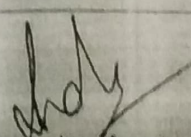

No need to write the marked line.

Already MCA Ist Semester is of 32 Hrs. So change the Bridge course L T P to 2 0 0 (Reduce the syllabus)

There will be no credits for the Bridge course subjects

Reviewer's Comments :- M.Sc. Zoology (Hons)
I have thoroughly gone through the syllabus, it is quite informative and advanced in nature except one paper named structure + functions of Chordates. This paper is already being taught in UG classes and there is no need to teach this paper again in M.Sc. (Hons). I hereby recommended that this paper should be replaced with some other advanced paper which will be quite beneficial for the student in future. Rest of the papers are upto the experts.

Dear Sir,

A BOS meeting of B.A.LL.B (CBCS) organised by UIL, SBBSU, Jalandhar, held on 31st July, 2020 at 11:30 am, was attended by me Zoom App.

The content and syllabus of subjects of B.A.LL.B (CBCS) were accurate as per the rules and recommendations of BCI. I have, however, recommended some changes in Interdisciplinary course subject namely "Legal Literacy (LAW003)". I feel, some basics laws related to one's in personal life need to be incorporated in ID course.

Thanking you

Yours sincerely,
